

are we willing to give this up for the lack of a very reasonable investment?

Congress and the president are faced with tough choices. Fully supporting human space flight, on the other hand, should be an easy choice. By making the choice to provide the additional funding necessary for a robust U.S. space exploration program, government and private industry jobs will be retained and created, international relationships will be secured and strengthened with America leading the way, and our youth will continue to dream of exploring the universe, taking those steps necessary to do so. Not only is this the most reasonable course of action, it's the right thing to do—for America and for the world.

HONORING THE 100TH ANNIVERSARY OF THE WEST END SILVER POINT CHURCH

**HON. BART GORDON**

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 30, 2009*

Mr. GORDON of Tennessee. Madam Speaker, I rise today to honor the 100th anniversary of the founding of the West End Church of Christ congregation in Silver Point, Tennessee.

In 1909, Pastor George Phillip "G.P." Bowser relocated the Laurel Hill congregation to Silver Point and established the Putnam County Normal and Industrial Orphanage to provide housing, education, vocation, and religious instruction to the African American children of the region. In 1913, the school became the Silver Point Christian Institute, educating grades one through eight. A small printing press was operated by the school, which led to the development of the Christian Echo—a publication that is still printed today.

By 1915, the church and school combined into the West End Church of Christ Silver Point. A new building was constructed, which still stands to this day. In December 2007, the building was included in the National Register of Historic Places by the U.S. National Park Service.

The geographically isolated Highland Rim area of Middle Tennessee has always focused on small-scale agriculture and timber resources grouped into small towns. Farms were tended by individual families with little outside help. Until the early 20th century, these small communities in Silver Point had few religious organizations and even fewer schools. Classes were often taught in buildings that could not afford proper maintenance or enough supplies for students.

The school that Pastor Bowser established in 1915 provided the young children of the community with educational opportunities never before seen in the area. Though the school closed in 1959, the church remains active.

Many prominent and nationally-acclaimed leaders have been personally involved with the church, including Sam Womack, Alexander Campbell, Marshall Keeble, Henry Clay, J.S. Winston, R.N. Hogan, G.E. Stewart, and Levi Kennedy.

Through its 100-year history, the West End Church of Christ in Silver Point has provided

a place of identity and congregation for the African American community of western Putnam County. I congratulate the congregation on its centennial anniversary.

H.R. 3548, UNEMPLOYMENT COMPENSATION EXTENSION ACT OF 2009

**HON. ROBERT J. WITTMAN**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2009*

Mr. WITTMAN. Madam Speaker, on September 22, 2009 the House of Representatives passed H.R. 3548, the Unemployment Compensation Extension Act of 2009 with my support. I voted for H.R. 3548, legislation that would extend unemployment benefits by 13 weeks for states with unemployment rates in excess of 8.5%. Our nation is currently facing significant economic challenges, including the highest unemployment rates in over twenty years. With nearly five million Americans and 290,000 Virginians out of work, I believe extending unemployment benefits was the right thing to do.

Several localities in Virginia's First Congressional District experienced unemployment above 8% this summer. However, I am disappointed that H.R. 3548 would not extend benefits in Virginia because the states unemployment rate is currently below 7%. This bill's 8% threshold needlessly overlooks struggling families in Virginia. I would like to see this measure amended to extend the same unemployment benefits to all Americans regardless of where they live.

I understand that unemployment is putting significant strains on local families. That's why I recently hosted a First District Job Fair featuring state, federal, and private employers. Hundreds of First District residents attended the successful job fair and are now on their way into the workforce.
