

REMEMBERING BART SINGLETARY
 • Mrs. BOXER. Mr. President, I am honored to remember Bart Singletary—a man of great generosity and humility who recently passed away.

Bart was a devoted father and husband, successful businessman, prolific philanthropist and dedicated steward of some of inland southern California's most influential civic institutions. His many achievements and stalwart presence in the Riverside community will have a lasting impact on the people of the Inland Empire.

Bart Singletary had an abiding connection to the city of Riverside. He was a second generation native of the city, and as a young man he tended the grounds of the historic Citrus Experiment Station. Years later, this land became the site of Bart's beloved alma mater, the University of California, Riverside. After marrying his wife, Barbara, Bart took a position at a real estate firm that was offered to him by a fellow Riverside native and childhood friend, William Austin. They eventually became partners in William Austin Co., a property management and development firm based in Riverside. They enjoyed a successful business partnership that spanned more than four decades.

Bart's affection for his community was embodied in his relentless involvement in many of the area's civic organizations and educational institutions. He served as the chairman of the Greater Riverside Chambers of Commerce, he was the president of Riverside Community Hospital, and he helped to found the city of Riverside Economic Development Committee. He was also president of the board of trustees for the UC Riverside Foundation, and was actively involved with the California Citrus State Historic Park Operating Corporation, serving as its treasurer and on its Board of Directors.

In 1984, at the age of 57, Bart enrolled at UC Riverside to continue studies that he had begun years earlier at UCLA. He approached his schooling with characteristic humility and good humor—taking an internship at the university where his supervisor, Vice Chancellor for University Advancement Emeritus Jim Erickson, was 10 years his junior. His experience as an undergraduate during this time cemented his commitment to the university. In 2006, Bart and Barbara, along with his partner William Austin and his wife Toby, gave \$15.5 million to UCR. This gift was the largest in the university's history and represented the largest combined charitable trust given to a University of California campus in the first half of this decade. The donation enabled the university to create 22 endowed professorships and bolstered the university's proposal to establish a medical school.

Singletary leaves a distinguished legacy of service and leadership that is an example to us all. His trusted counsel and willingness to leverage his success

for the benefit of others endeared him to, and earned him the respect of, all of those who were fortunate enough to have known him.

He is survived by his wife, Barbara, three children, three step-children, and five grandchildren. I extend my heartfelt condolences to them.

The city of Riverside, State of California and our Nation has lost an exemplary individual with the passing of Bart Singletary.●

REMEMBERING MICAH H. NAFTALIN

• Mr. CARDIN. Mr. President, as chairman of the Helsinki Commission, I wish to pay tribute to Micah Naftalin who served as national director of the Union of Councils for Soviet Jews until his death in late December. Micah worked tirelessly as a leader in the grassroots activist movement in the U.S. on behalf of Soviet Jews denied their fundamental freedoms and human rights, including their right to leave the U.S.S.R. His passionate advocacy included close work with the Helsinki Commission over the years, with a particular focus on the cases of individual refuseniks, Jews denied permission by the Soviet authorities to exercise their right to emigrate.

Micah brought a unique zeal to his work on behalf of struggling Soviet Jewry and helped pave the way for an exodus of Jews from the Soviet Union. From the push to enact the Jackson-Vanik amendment in the early 1970s and vigils outside of the Soviet Embassy to the 1987 Freedom Sunday mass rally on the National Mall under the banner, "Let My People Go," Micah was there. He saw the reforms ushered in by Soviet leader Mikhail Gorbachev as an opening that might lead to relief for Jews and others denied their basic human rights in that country. Besides emigration concerns, he also closely monitored manifestations of anti-Semitism in the U.S.S.R. and the plight of political prisoners.

With the easing of restrictions on emigration and the eventual breakup of the Soviet Union, Micah continued his human rights advocacy, contributing to efforts to monitor developments throughout Russia's regions as well as in newly independent countries, including Ukraine and Belarus. In 1993, he served as a public member on the U.S. delegation to the Implementation Meeting on Human Dimension Issues. Micah testified before the Helsinki Commission on numerous occasions drawing on his decades of experience as an activist fervently dedicated to advancing human rights on behalf of others. His voice will be sorely missed. On behalf of the Commission, I offer his family our heartfelt condolences.●

125TH ANNIVERSARY OF SOUTH DAKOTA SCHOOL OF MINES AND TECHNOLOGY

● Mr. JOHNSON. Mr. President, today I celebrate the 125th anniversary of the founding of the South Dakota School of Mines and Technology. Throughout its history, SDSM&T has been consistently providing students with a high-quality, affordable education. Graduates are fully prepared for successful, rewarding careers in engineering and science.

I have had many opportunities during my time in office to personally visit the School of Mines and Technology. I have always been impressed with the professionalism and dedication of the administration and faculty, the tradition of excellence at the institution, and the commitment to learn from the students who attend the school.

I am proud to be a partner with SDSM&T on its innovative research that has tremendous benefits for my State, as well as to the Nation and to the world, especially in the areas of engineering, science and technology, and defense. This work has everyday applications to the general public, the government and to Main Street businesses. The School of Mines has a great tradition as one of the top engineering schools in the Nation and their graduates are always in high demand by some of the top companies in the world. In 2009, South Dakota School of Mines and Technology was the only institution of higher learning where the starting salary for its graduates was more than the cost of the education.

I salute the great legacy and tradition of South Dakota School of Mines and Technology on the occasion of its 125th anniversary and commend the work and commitment, past and present, of the administrators, faculty, alumni and students of Mines. I wish them well in the upcoming year of observances and celebrations.●

CENTRAL MICHIGAN UNIVERSITY FOOTBALL TEAM

● Mr. LEVIN. Mr. President, I want to share today with the Senate my con-

gratulations to the Central Michigan University Chippewas football team, champions of the Mid-American Conference and of the 2010 GMAC Bowl, on a successful and exciting season.

On January 6, 2010, in Mobile, AL, the Chippewas won their 12th game of the season, against just two losses, defeating Troy University, 44-41, in two overtimes in the GMAC Bowl. It was truly one of the college football season's most thrilling games.

Down by 12 points in the fourth quarter to a talented Troy team, the Chippewas came back to take the lead. They did not flinch when Troy tied the game with a last-second field goal to send the game into overtime, and persevered through two overtimes to triumph.

As expected, quarterback Dan LeFevour played a big role in the victory. LeFevour, a senior, had already become major college football's all-time leader in total touchdowns, set a long list of Mid-American Conference records, and become the only player in NCAA history with both 12,000 career passing yards and 2,500 career rushing yards. At the GMAC Bowl, LeFevour completed 33 of 55 passes for 395 yards, passing for one touchdown and rushing for another in overtime. Another Chippewa star, receiver Antonio Brown, caught 13 of LeFevour's passes for 178 yards, and had 203 yards in kickoff returns, including a 95-yard return for a touchdown that helped kick off CMU's fourth-quarter comeback.

It was a proud moment not just for CMU and Michigan, but across the Midwest, as the Chippewas broke a 14-game bowl losing streak for Mid-American Conference teams.

The team's competitiveness, skill, determination, and grit generated great pride not only in Mount Pleasant, CMU's home, but across the State of Michigan, which is home to half the Chippewas' roster. I join the proud citizens of Michigan in congratulating the Chippewas on a fantastic season, and enter the names of the team's players and coaches into the RECORD as permanent recognition of their success.

TRIBUTE TO MARK INGRAM, JR.

● Mr. LEVIN. Mr. President, in December, Mark Ingram, Jr. became the 75th college football player to win the Heisman Memorial Trophy as the Most Outstanding College Football Player in the United States for 2009. In winning this award, one of the most coveted and prestigious awards any college athlete can receive, Mark joined an exclusive and distinguished list of college football players, which includes many of the greatest players to ever lace up a pair of cleats. This honor must be especially gratifying for Mark as he becomes both the first person from Flint, MI, and the first player from the University of Alabama to be declared the winner of this award.

This year was an especially close race. In fact, it is reported that this was one of the closest ballots in the history of the award. There are many great players on the college level today, and Mark can take particular pride in knowing that, as a sophomore, he put together a 2009 season that outshone them all. Clearly, he has earned the respect and admiration of the many that follow and cover college football on a daily basis.

Mark had an outstanding sophomore season. He scored 17 touchdowns and amassed 1,658 rushing yards, a single-season school rushing record. In addition to winning the Heisman, Mark was honored as the SEC Offensive Player of the Year. These are tremendous honors, and in a emotional acceptance speech, Mark spoke about the many people and situations that helped him to develop the drive and determination
