CONGRATULATING GEORGIA'S
MOCK TRIAL TEAMS

HON. DAVID SCOTT

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 25, 2010

Mr. SCOTT of Georgia. Madam Speaker, I rise today to honor two exceptional high

school teams from my district. The Jonesboro High School and Morrow High School Mock Trial teams have had an unprecedented record of success. Collectively, both teams have surpassed expectations and are on their way to another record breaking year for the State of Georgia.

Jonesboro High School will compete for its seventeenth State Bar of Georgia Championship. No other school in the State of Georgia's history has ever reached this level of consummation. In addition to this record breaking endeavor, Jonesboro High School has already accomplished two national championships. This is a testament that hard work and discipline truly yield enormous results.

Morrow High School has also achieved ground breaking success. Morrow High School was the runner up in the State of Georgia region eight competition. The irony of this team's success is that Morrow High lost several team members just days before the competition. Nevertheless, this team expeditiously put together a new team which led to two of the three replacements winning state awards. While this team's cohesive bond was tested, their determination prevailed, which led them to another notable year. In addition to this year's success, it has been nine years since any other school in Clayton County has become the region champion.

With the help of the faculty advisors and community mentors, these two teams have displayed the passion and integrity that we, as members of Congress, continuously encourage. These teams represent the very essence of America as it has displayed its dedication, passion, and integrity throughout the competition in the courtroom and throughout the community.

HONORING MICHAELA MEYERHOFF
FOR WINNING THE LESSONS OF
THE AFRICAN-AMERICAN EXPERIENCE
WRITING CONTEST

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 25, 2010

Mr. COURTNEY. Madam Speaker, I rise today to recognize Michaela Meyerhoff as a winner of the first annual "Lessons of the African-American Experience" Creative Writing Contest. Michaela is currently in the sixth grade at Preston Plains Middle School, which is located in Preston, Connecticut.

In celebration of Black History Month, I sponsored a creative writing contest for all third through eighth grade students within the Second District. As we know, Black History Month is a time to reflect on the struggles and triumphs of our Nation's past. The lessons learned during this month continue to serve as the stepping stones of our Nation's future. Michaela's poem "What Black History Month Means to Me!" eloquently embraces this belief.

Michaela's poem shows a remarkable enthusiasm for learning that is inspiring to all. She identified the values that she learned during Black History Month and creatively discussed how those values affect her life and the lives of others. For this, her poem was among the four winners selected.

INTRODUCTION OF THE CENSUS
OVERSIGHT EFFICIENCY AND
MANAGEMENT REFORM ACT OF
2010

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 25, 2010

Mrs. MALONEY. Madam Speaker, today I am introducing legislation, with my colleagues, Mr. DENT, Mr. TOWNS, and Mr. PASCARELL, and with a companion bill being introduced in the Senate by Senators CARPER and COBURN, that would ensure that the Census Bureau has the independence and transparency it needs to carry out its essential, constitutionally-mandated function. This bill would ensure the Bureau is focused on the ten-year process of preparing for the Census despite the four-year cycles of Presidential administrations.

This bill would mandate the Director at Census report directly to the Secretary so there is clear responsibility for supervision of the Census and to submit his or her own opinion in testimony to Congress even if it differs from the administration. It would make the Director of the Census Bureau a Presidential term appointment of five years, with the ten-year decennial cycle split into two, five-year phases—planning and operational, creating continuity across administrations. And it would require that the Director, when submitting the Bureau's budget request to the Secretary, also share that request with Congress increasing transparency and oversight.

The time to start worrying about the 2020 Census is now. Currently, the 2010 Census seems to be on a path to success, but if we are going to stop the repeated operational crises that have plagued each of the last four censuses, we need to change how we administer the census. I am confident the bill we are introducing today will move us toward that goal. And I want to thank my colleagues for joining me in starting the process for 2020 now.

LINKAGE IN THE MIDDLE EAST

HON. SHELLEY BERKLEY

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 25, 2010

Ms. BERKLEY. Madam Speaker, I rise today to call my colleagues' attention to a recent blog post on the Jerusalem Post website, written by Abraham Foxman, the National Director of the Anti-Defamation League, ADL. Mr. Foxman challenges the idea that there is "linkage" between the Israeli-Palestinian conflict and other conflicts in the Middle East. It is both unrealistic and dangerous to believe that solving the Israeli-Palestinian conflict will somehow solve our problems in Iran, Iraq, Afghanistan, Lebanon and everywhere else in the Middle East. Distinct conflicts require distinct solutions and lumping them all together serves no one's interests, least of all our own. I highly recommend this excellent article.

No matter how many times it is proven to have no validity, the theme of linking the
