

RECOGNIZING SANDY PALMER AS  
THE HURLBURT AFA CHAPTER  
398 TEACHER OF THE YEAR

**HON. JEFF MILLER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 25, 2010*

Mr. MILLER of Florida. Madam Speaker, I rise today to honor Sandy Palmer upon receiving the Hurlburt Air Force Association Chapter 398's Overall Teacher of the Year Award for 2010. Ms. Palmer has been a dedicated educator for 27 years, and I am proud to recognize her achievement.

Currently teaching third grade at Shalimar Elementary School in Okaloosa County, Florida, Sandy has taught at every grade level and in a variety of subjects over the course of her illustrious career. She is known for her enthusiasm for and commitment to incorporating space and aviation into her daily classroom instruction. After attending Space Camp for Teachers in 2001, Sandy changed her way of thinking to integrate these ideas into math and science curricula. She uses paper airplane construction to introduce concepts such as distance, angles, and measurements. Sandy also thinks outside the box to keep her students involved, including an annual play that involves launching the International Space Station. The performance provides parents with the unique opportunity to learn what their children are doing in the classroom with Ms. Palmer's innovative teaching methods. For her outstanding efforts, Sandy is this year's AFA Hurlburt Chapter nominee to the Florida State/Regional Teacher of the Year Competition.

Madam Speaker, on behalf of the United States Congress, I am humbled to recognize Sandy Palmer as the Hurlburt AFA Chapter 398 Overall Teacher of the Year. For 27 years, she has inspired her students and her colleagues, and she is highly deserving of this honor. Vicki and I wish Sandy and her family all the best for the future.

CONGRATULATING THE WINNERS  
OF THE VALOR FOUNDATION'S  
NATIONAL FIRST RESPONDERS  
ESSAY COMPETITION

**HON. FRANK R. WOLF**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 25, 2010*

Mr. WOLF. Madam Speaker, I rise today to commend the winners of the Valor Foundation's essay contest. I am honored to recognize the achievements of these students from Loudoun County and this excellent program in the 10th District of Virginia.

The Valor Foundation is an organization dedicated to partnering with individuals and organizations to support local community fire, rescue, and law enforcement groups. The dedicated work of this foundation supports numerous public safety officers and their families during their times of need. To recognize and celebrate these individuals, the foundation held a youth essay competition to honor the first responders.

To recognize the National First Responder Day, Loudoun County Middle School students were asked to submit essays describing, "Why

We Should Have a National First Responder's Appreciation Day." The Valor Foundation collaborated with Randy Kelly, CEO of INOVA Loudoun Hospital, to award five essay winners with savings bonds. I ask that my colleagues join me in congratulating these outstanding students for their achievements, as well as the dedication of the first responders of Loudoun County.

I submit for the winning essays:

Tommy Mai, Belmont Ridge Middle School:

First responders are brave people. They sacrifice their lives just to save other lives at any cost. Whether it's a fire, medical emergency, or a shoot-out, they'll put anything and everything on the line. Think about a jailhouse without police guards, or a burning building without fire fighters coming to the rescue, or hospitals without doctors, nurses, and paramedics. Think about what would have happened during 9/11 without these brave people. Who can think of braver people. They sacrifice their lives for their families, for us, but more importantly, for America.

Ananda Bhatia, Eagle Ridge Middle School:

Every day a crime is committed. Every day a house catches on fire. Every day a person is hurt, a purse is stolen-someone risks their life for someone else! Emergency Responders help people when they need it most. When lives are at risk-they're there for you. Without them, thousands of people wouldn't be here right now. Someone who runs into burning buildings deserves equal respect as someone in the military. Fire fighters, police officers, medical responders, deputies- they deserve respect-and a holiday of their own. I believe Emergency Responders Day would be perfect-and I'm sure many other thankful citizens agree.

Diego Loya, Farmwell Station Middle School:

Who was there to help the victims of 9/11 on that horrific day? Who were first to rescue and help others during and after that tragic event? These people are not the heroes we normally think of with swords, spears or protective armor. They are every day human beings doing what they love and putting themselves in harm's way for their country.

Police, ambulance workers, E. M. T's and firefighters are examples of first responders. They risk their lives to help others. Every day a fire starts or someone is hurt or the police are needed in our communities. Without their presence in our daily lives we would have so many worries. They deserve a day of honor. They desire to be honored and appreciated on First Responders' Day.

Maddie Klaff, Seneca Ridge Middle School:

Believe it or not, in 2007, a total of 181 law enforcement officers and 118 fire-fighters lost their lives while on duty. Because these people do their job, I can walk around feeling safe and protected. These first responders spend their time serving the public and are only minutes away in times of crisis. Many of them do this voluntarily and without pay.

I believe we should dedicate a holiday in honor of those who spend their days looking after us. Their lives are dedicated to protecting ours every day, so we should dedicate one day to recognize them.

Kyle Brown, Simpson Middle School:

Though situations like car accidents and medical emergencies bring grief and sorrow, it is good to know that there are people who are dedicated and trained to help. They are known as first responders. These heroes are

committed to helping others who need them when they can't fend for themselves. These unselfish people know that their lives are sometimes at risk, but they care about the safety of others. I stand for everyone when I say that these first responders deserve a day on which their fellow Americans can show them how much they appreciate their commitment to helping others.
