NATIONAL DEFENSE AUTHORIZATION ACT FOR FISCAL YEAR 2011

The SPEAKER pro tempore. Pursuant to House Resolution 1404 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the consideration of the bill, H.R. 5136.

□ 1255

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 5136) to authorize appropriations for fiscal year 2011 for military activities of the Department of Defense, to prescribe military personnel strengths for such fiscal year, and for other purposes, with Mr. PASTOR of Arizona in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from Missouri (Mr. SKELTON) and the gentleman from California (Mr. MCKEON) each will control 30 minutes.

The Chair recognizes the gentleman from Missouri.

Mr. SKELTON. Mr. Speaker, I yield myself such time as I may consume.

Today, we as a Congress perform a duty in compliance with the Constitution of the United States. Article I, section 8 states that Congress shall have the power to provide for the common defense and general welfare of the United States. It also provides for and maintaining a Navy and making all rules for the government and regulation of land and naval forces.

So today I rise in support of H.R. 5136, the National Defense Authorization Act for fiscal year 2011. I'm pleased to be joined here today with my friend, my colleague, the ranking member, BUCK MCKEON. BUCK's been a true partner in this effort to bring forward a bipartisan bill that addresses the national security needs of our country.

The committee passed the Defense Authorization Bill by a vote of 59-0.

Our Nation's been at war for nearly a decade. Our troops are worn, and their families are tired, and the Nation recognizes their sacrifices. The bill addresses many of the concerns that they've raised.

I'm proud that this bill is a result of the committee's engagement with the military community and our citizens to determine what issues were important to them as we developed the programs and policies that are included in this bill.

This bill authorizes \$567 billion in budget authority for the Department of Defense and the national security programs of the Department of Energy. The bill also authorizes \$159 billion to support ongoing military operations in Iraq and Afghanistan during fiscal year 2011. These amendments are essentially equal to the President's budget request for items in the jurisdiction of the Armed Services Committee.

H.R. 5136 continues Congress' deep commitment to supporting U.S. servicemembers and their families and to provide the necessary resources to keep America safe. The bill provides our military personnel a 1.9 percent pay raise, which is an increase of a half a percent above the President's request.

The bill also includes a number of initiatives to support military families, including extending health care coverage to adult dependent children up to the age of 26. We also have the single most comprehensive legislative proposal to address sexual assault in the military.

The bill also fully funds the President's budget request for military training, equipment, maintenance and the facilities upkeep, which continues the committee's efforts to address readiness shortfalls that have developed over previous years.

□ 1300

The bill provides an increase of \$12 billion above the fiscal year 2010 budget for operations and maintenance, including \$345 million to fully fund the
