

on Israel at this critical time. We must stand with them. We must support them and their right to protect and defend the safety of their people and the sovereignty of their nation.

The Israeli Government just announced the decision to appoint an independent public commission to review the circumstances surrounding the flotilla raid. This commission will be headed by a retired Israeli judge and will include two Israeli experts in international law and two high-ranking foreign observers. This action demonstrates Israel's commitment to act within the law and to hold itself accountable in good faith to the international community.

#### HONORING THE LIFE OF STEWART WINSTEIN

(Mr. HARE asked and was given permission to address the House for 1 minute.)

Mr. HARE. Mr. Speaker, I rise today in sorrow at the news of the death of my friend, Stewart Winstein, from Rock Island, Illinois.

Stewart was one of the most respected and admired leaders in my community and built a strong reputation for local activism, public service, and the belief that politics could be a driving force for positive change in the lives of everyday Americans. It's a legacy that will be sorely missed in Rock Island, the city that Stewart loved and called home.

As a child of the Great Depression, Stewart and his family faced great poverty. It was a powerful influence on him and I'm sure formed much of his success as an attorney and a founding force of the Rock Island Democratic Party.

As one of the greatest advocates for working men and women that I knew, I think his legacy will be that he wanted to make sure that other families didn't have to face economic hardships that he knew too well. And as many in the Quad Cities can attest, whether it was working people or the vast number of clients he represented, it is a legacy of great success.

Stewart had a huge impact on my life. He was a valuable teacher who led by example, and I learned by witnessing firsthand the contributions he made to the Democratic Party, numerous charities and local government. Above all, I was proud to call Stewart my friend. My thoughts go out to Stewart's family, especially his beloved son, Arthur.

#### GROWING DEMOCRATS' PROGRAMS

(Mr. SAM JOHNSON of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SAM JOHNSON of Texas. Mr. Speaker, the dire warnings of economists and the vivid lessons of Greece

and of other debt-burdened European countries which are collapsing under their cradle-to-grave welfare systems have done nothing to restrain the Democrats in Washington. They have failed to heed the warnings from abroad, and they continue to simply declare their out-of-control spending as emergency spending to try to cover up their fiscal irresponsibility.

As a constitutional conservative with grave concerns about the Democrats' out-of-control spending, I support a different plan. I say balance the budget; cut the deficit; pay down the debt; fire the czars; and grow the economy.

With President Obama in control, the term "GDP" has taken on a whole new meaning—growing Democrats' programs.

#### JOSH CONFERENCE

(Mr. BOYD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BOYD. Mr. Speaker, we are 2 weeks into the hurricane season, and already the first tropical depression has formed in the Atlantic. If one of these storms were to strike the Gulf of Mexico, with millions of barrels of oil on top, the results would be disastrous to the communities along the gulf.

To make sure our region is prepared to deal with the effects that a hurricane or a tropical storm could have, this past Monday I held a joint oil spill-hurricane planning conference in Bay County, Florida. The conference brought together representatives from Federal and State emergency response agencies, and it brought together military leaders and key local stakeholders to discuss the hazards associated with a hurricane's impact on the oil spill and to discuss the threats posed to our area by having oil propelled inland.

Working together, we identified several planning and action items that need to be taken to better brace for the effects that a storm would have on our communities now that there is oil in the Gulf of Mexico. I plan to deliver these action items to the President and to urge him to incorporate these recommendations into a Federal hurricane preparedness and response plan so that our communities and people can be better protected.

North Florida is already feeling the significant economic and environmental distress from the BP oil spill. It is our responsibility to take steps to safeguard our region.

#### PROVIDING FOR FURTHER CONSIDERATION OF H.R. 5297, SMALL BUSINESS JOBS AND CREDIT ACT OF 2010

Mr. PERLMUTTER. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 1448 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 1448

*Resolved*, That during further consideration of the bill (H.R. 5297) to create the Small Business Lending Fund Program to direct the Secretary of the Treasury to make capital investments in eligible institutions in order to increase the availability of credit for small businesses, and for other purposes, pursuant to House Resolution 1436, it shall be in order to consider the amendments printed in the report of the Committee on Rules accompanying this resolution as though they were the last two amendments printed in part C of House Report 111-506.

The SPEAKER pro tempore (Mr. PASTOR). The gentleman from Colorado is recognized for 1 hour.

Mr. PERLMUTTER. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to my colleague, the gentlewoman from North Carolina (Ms. FOX). All time yielded during consideration of the rule is for debate only.

#### GENERAL LEAVE

Mr. PERLMUTTER. I ask unanimous consent that all Members be given 5 legislative days in which to revise and extend their remarks on House Resolution 1448.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Colorado?

There was no objection.

Mr. PERLMUTTER. I yield myself such time as I may consume.

Mr. Speaker, House Resolution 1448 is a structured rule, providing for further consideration of H.R. 5297, the Small Business Lending Fund Act. It provides for the consideration of two amendments which were initially cleared as PAYGO-compliant but which were subsequently deemed to violate PAYGO after the first rule was adopted. These amendments have been revised to comply with PAYGO rules, and this rule treats them as part of yesterday's rule.

Mr. Speaker, in 2008, after years of lax regulation and Wall Street roulette, our Nation's economy fell off a cliff. Within a matter of months, many Wall Street giants fell, and they took the livelihoods of thousands of small businesses with them. Since that time, we have taken bold action to stabilize the economy, to invest in economic growth, and we are in the process of putting in place new rules to protect against the casino-like atmosphere that existed on Wall Street.

Yet for small businesses, they are still feeling the pinch. Accessing capital to build, to grow, to diversify, and to hire new employees remains a pressing challenge. In September of 2008, there was an earthquake on Wall Street, and the aftershocks are still being felt on Main Street. The purpose of this bill is to help those small businesses deal with the aftershocks of that credit crunch from a year and a half ago.

The underlying bill, the Small Business Lending Fund Act, establishes a process for community banks to lend responsibly to small businesses. Because of a mistake, two of my colleagues, Representative SCHRADER and
