

proper access to government aid to rebuild and recover. In fact, there is still much more rebuilding and desperate need of housing that needs to be done to restore North Galveston and assist the residents who remain there.

We cannot allow the hurricane victims to be forgotten. Throughout the Post-Hurricane Ike recovery efforts, many individuals have had difficulties and challenges getting the government aid that they need to rebuild after the storm. Many have lost their jobs or are at risk of losing their employment due to damages incurred by the hurricane, including the more than 2,400 employees of the University of Texas Medical Branch, UTMB, who were recently terminated. We must protect our citizens and their means of living as we continue to recover from this storm.

There are men, women, and children who have lost so much due to flood waters and storm winds. I have been proud to stand up repeatedly in Congress to fight on their behalf by securing the necessary Federal funds. We must work together to ensure that our Nation does its part to help Hurricane Ike victims fully recover by ensuring the delivery of these funds that we worked so hard to appropriate. As a senior Member of the House Homeland Security Committee, which has oversight over the Federal Emergency Management Administration, FEMA, I am working to ensure that our communities respond expeditiously to natural disasters. The protection of our homeland and the security of our neighborhoods are at the forefront of my agenda.

For the foregoing reasons I stand in support of making this legislation.

I urge my colleagues to support this bill.

Mr. SMITH of Nebraska. Mr. Speaker, I yield back the balance of my time.

Mr. CARNAHAN. Mr. Speaker, I just want to add again my thanks to the gentlelady from Illinois for her leadership on the High-Performance Buildings Caucus and for being here to speak on behalf of the prior resolution.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Missouri (Mr. CARNAHAN) that the House suspend the rules and agree to the resolution, H. Res. 1388.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. CARNAHAN. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX and the Chair's prior announcement, further proceedings on this motion will be postponed.

The point of no quorum is considered withdrawn.
