I yield the floor.

RECOGNITION OF THE MAJORITY LEADER

The ACTING PRESIDENT pro tempore. The majority leader is recognized.

SCHEDULE

Mr. REID. Mr. President, following any leader remarks, the Senate will resume consideration of H.R. 5297, which is, as the leader has indicated, the small business jobs bill, with the time until 11 a.m. equally divided and controlled between the two leaders or their designees. At 11 a.m., there will be three votes relating to this bill: cloture on the Johanns amendment relating to 1099 forms. This is a commitment I made—that we would have a vote on his amendment. I think it is appropriate we do that. That will be a cloture vote, a 60-vote margin. We also have a vote that will occur on the Nelson of Florida amendment also relating to 1099 forms. It has changes that affect a number of people, but it is also something that I think is widely supported. I do not support the Johanns amendment, even though I have had conversations with him. He is the one who brought this to the attention of the Senate. I appreciate that. I think the Nelson amendment is better for the reasons Senator NELSON and others have talked about. It is an amendment that certainly gets to the heart of this issue as to who has to report.

Finally, we will have a cloture vote on the substitute amendment to H.R. 5297, which is the small business jobs bill.

This is one of the most important things we have done in recent months. I know we have been away for a month. There were some efforts to get to that before we left, but time constraints would not allow us to do that.

This is an important piece of legislation. It is going to infuse community banks with money. The problem we have in America today is the big banks are doing great. We saw what happened in the stock market yesterday, and all reasons indicate the reason the stock market jumped like it did is because the big financial institutions are doing so well. They are doing well. They are loaning to big businesses. That is good. I am very happy they are doing that.

Eighty percent of the jobs we lost because of this recession were small business jobs. That is where we have to get the jobs back, and we are not giving small businesses the opportunity to borrow money. That is why this bill is so important.

People are estimating this will create from 500,000 to 700,000 new jobs because small business is the engine that

drives our economy, and they need help. During this recess period, I was all over Nevada, of course. I went to a number of other States. It does not matter where you go. You see these little strip malls with "For Lease" signs. The reason is that small businesses that could continue their businesses if they could borrow the bucks for the inventory have not been able to do that. This bill will allow that to take place.

Not only does it do that, but it gives other tax incentives to small businesses. For example, they will be able to write off purchases they make for equipment—not depreciate it but write it off. It is extremely important they are able to do that.

We also have other tax breaks that allow some of these small businesses to do exporting, which they are anxious to do, and they get tax benefits for doing that.

The Small Business Administration will be revitalized. They have programs that are working well, but their resources are gone. I have spoken with the head of the Small Business Administration. She is so anxious for this to pass. She has people waiting in her offices around the country to apply for these loans to get their businesses started or reenergized. This is an important piece of legislation.

Following the vote on that substitute amendment, we will recess from 12:30 p.m. to 2:15 p.m. to allow for our weekly caucus meetings.

Finally, I ask unanimous consent that the filing deadline for second-degree amendments be at 12 noon today.

The ACTING PRESIDENT pro tempore. Without objection, it is so ordered.

MEASURES PLACED ON THE CALENDAR—S. 3772 AND S. 3773

Mr. REID. Mr. President, there are two bills at the desk due for a second reading.

The ACTING PRESIDENT pro tempore. The clerk will read the bills by title for a second time.

The legislative clerk read as follows:

A bill (S. 3772) to amend the Fair Labor Standards Act of 1938 to provide more effective remedies to victims of discrimination in the payment of wages on the basis of sex, and for other purposes.

A bill (S. 3773) to permanently extend the 2001 and 2003 tax relief provisions and to provide permanent AMT relief and estate tax relief, and for other purposes.

Mr. REID. Mr. President, I object to any further proceedings with respect to these two bills.

The ACTING PRESIDENT pro tempore. Objection is heard. The bills will be placed on the calendar.

Mr. REID. Mr. President, these two pieces of legislation are important. I am going to do my utmost to see if we can find a way to have a vote on the Paycheck Fairness Act. It is so fair to do that, to do a better job of equalizing pay between men and women when they do the same work. It seems fairly basic and fair.

S. 3773 is Senator MCCONNELL's Tax Hike Prevention Act. I am in conversations with him on how we are going to proceed on the tax issues, relating to the extension of the individual tax benefits. We will have more to say about that at a subsequent time.
