

graders had only 5 weeks to create the hydrogen-fueled vehicle and prepare for competition with 41 middle school teams from across the country. In addition to building the car, the students also prepared for a quick recall competition and wrote a research paper about their project. Energy Secretary Steven Chu noted at the event that our Nation is in need of outstanding young researchers and scientists, and I am extremely proud of these young students for their ingenuity and dedication to scientific knowledge.

The National Science Bowl is the largest academic competition of its kind, and tests students' knowledge in all areas of science, including biology, chemistry, earth science, physics, astronomy, energy, and math. After the day of question and answer rounds, students had the opportunity to race their hydrogen-fueled cars against one another. Through their innovative design, Paducah Middle School's team finished the ten-meter race in a mere 3.84 seconds as the runner-up in the competition.

Congratulations to the Paducah Middle School team members for their accomplishment at the Regional and National Science Bowl competitions, and best wishes for you in your next academic endeavors.

HONORING KEVIN AND SARAH
DIAMOND

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 25, 2011

Mr. ROSKAM. Mr. Speaker, I am pleased to rise today to recognize Kevin and Sarah Diamond of Elmhurst, Illinois, for their outstanding display of service.

On May 5, 2011, Kevin and Sarah were presented with the Elmhurst Jaycees Distinguished Service Award. Each year, this award is given to a resident in recognition of one's dedication to bettering the City of Elmhurst. Typically, the Distinguished Service Award is reserved for a single person, but in this case, both were seen as deserving of this honor.

Kevin and Sarah have been involved with numerous improvement projects in Elmhurst. In particular, Kevin led the passage of a referendum that brought new classrooms to every school in District 205. Kevin is especially active with the Elmhurst Children's Assistance Fund, which provides assistance to families with children impacted by a serious medical or disabling condition. Sarah serves on the board of the local YMCA and has assisted with the organization's fundraising efforts. She previously served on the District 205 Foundation Board, and has recently joined the Hospital Board. In addition to participating in all these volunteer activities, Kevin and Sarah are also busy raising three daughters.

The Diamonds have demonstrated exceptional civic service, and I am proud to represent them. Mr. Speaker and Distinguished Colleagues, please join me in commending Kevin and Sarah Diamond for their extraordinary commitment to their community.

RECOGNIZING PINE FOREST HIGH SCHOOL GIRLS' TRACK AND FIELD TEAM AS FLORIDA STATE CLASS 3A CHAMPIONS

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 25, 2011

Mr. MILLER of Florida. Mr. Speaker, I rise today to recognize the Pine Forest High School girls' track and field team on their recent victory as Florida State Class 3A champions for the second consecutive year.

Bringing home the trophy for the 2011 state championship is an accomplishment these young women earned through their unwavering determination and hard work. Returning to the competition this year, they knew that steadfast commitment to their team, coach and community would be what it would take to win yet another state championship and maintain their title.

Under the leadership of their head coach, Paul Bryan, the true grit and determination it took for these young women to bring home a state championship is inspiring. The victory did not come easily for the Lady Eagles. Once they took flight, they were faced with injuries and trials; however, just like any great athletes, they overcame these setbacks and soared to 59 points, crossing the finish line as champions. Their dreams of keeping their title became a reality, and the Lady Eagles made history. As the first team from the Pensacola area to win two consecutive state team titles, they made Northwest Florida proud.

On behalf of the United States Congress, I congratulate the Pine Forest High Lady Eagles for their outstanding accomplishments. My wife Vicki joins me in offering our best wishes to the team, coaches, faculty, and students at Pine Forest High School for their continued success.

HON. LEONARD LANCE

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 25, 2011

Mr. LANCE. Mr. Speaker, I rise today to join the Chabad of Hunterdon County, New Jersey in honoring the Resnick family.

This year, Carl, Ted and Martin Resnick of Flemington, New Jersey will receive the Chabad of Hunterdon County's prestigious Community Leadership Award during a community celebration that will be held on Thursday, June 2 at the Grand Colonial in Hampton, New Jersey.

Each year the Chabad of Hunterdon County presents its Community Leadership Award to recognize individuals, families and businesses who take leadership roles in the community, by giving back to the community and being involved to improve the overall community.

As a lifelong resident of Hunterdon County, I have known Carl, Ted and Martin Resnick and their family for most of my life. In addition to owning the Flemington Department Store—which is a successful family-owned business—the Resnick family have been active members of our community for more than 50 years.

Over the years, the Resnicks have been involved with local sports teams, clubs, service organizations, wildlife refuge efforts, the arts and area first responders. In 2009 the Resnicks deservedly received the Distinguished Citizen Award from the Central New Jersey Council of the Boy Scouts of America for their community involvement.

I am proud to join the Chabad of Hunterdon County in praising Carl, Martin and Ted Resnick for their hard work and devotion to the Hunterdon County community. I am also pleased to praise their accomplishments and share their story with my colleagues in the U.S. House of Representatives and with the American people.

PROCLAMATION FOR CHARLIE SHERMAN FOR HIS TRADITION OF COMMUNITY SERVICE AND DEDICATION TO THE GRANITE STATE

HON. FRANK C. GUINTA

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 25, 2011

Mr. GUINTA. Mr. Speaker, here in New Hampshire, we have a strong tradition of community service and dedication to our fellow Granite Staters, and no one exemplifies this better than my friend Charlie Sherman.

For over 21 years, from radio to television, Charlie has become one of New Hampshire's most recognizable personalities. Whether it has been covering a high school football game on the 11 o'clock news or interviewing a presidential hopeful bright and early on his radio talk show, he has always exhibited an immense passion for the Granite State.

Along with countless hours of bettering our community via the airwaves, Charlie Sherman has devoted his life to helping others through the dozens of charitable causes he has been involved with throughout the years. One such organization, the Special Olympics of New Hampshire, has been the biggest recipient of Charlie's big heart where he has helped raise over a million dollars for the cause through the annual Penguin Plunge.

Charlie Sherman will now continue his commitment to our state through a new phase of his life as Executive Director of New Horizons. The Manchester-based adult homeless shelter and soup kitchen will certainly benefit from Charlie's life-long experience in devoting his life to helping others. Today, we wish him well in his new path and take this moment to thank him for all he has done and will continue to do for New Hampshire.
