ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining.

□ 1903

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. FILNER. Mr. Speaker, on rollcall 35, I was away from the Capitol due to prior commitments to my constituents. Had I been present, I would have voted "aye."

PERSONAL EXPLANATION

Mr. JOHNSON of Illinois. Mr. Speaker, on Monday, February 6, 2012, I had a previously scheduled meeting with business leaders in Champaign County, Illinois. As a result, I am unable to attend votes this evening. Had I been present, I would have voted "aye" on H.R. 1162, the New York City Natural Gas Supply Enhancement Act; "aye" on H.R. 1162, to provide the Quileute Indian Tribe Tsunami and Flood Protection Act; and "aye" on the H. Res. 537, the Rule providing for consideration of H.R. 1734, the Civilian Property Realignment Act.

PERSONAL EXPLANATION

Mr. PASCARELL. Mr. Speaker, I missed the two rollcall votes today.

Had I been present, I would have voted "nay" on rollcall vote No. 34, on H. Res. 537—Rule providing for consideration of H.R. 1734—Civilian Property Realignment Act. Additionally, had I been present, I would have voted "aye" on rollcall vote No. 35, on H.R. 1162—To provide the Quileute Indian Tribe Tsunami and Flood Protection, and for other purposes.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 3581, BUDGET AND ACCOUNTING TRANSPARENCY ACT OF 2012

Mr. WOODALL, from the Committee on Rules, submitted a privileged report (Rept. No. 112-388) on the resolution (H. Res. 539) providing for consideration of the bill (H.R. 3581) to amend the Balanced Budget and Emergency Deficit Control Act of 1985 to increase transparency in Federal budgeting, and for other purposes, which was referred to the House Calendar and ordered to be printed.

CIVILIAN PROPERTY REALIGNMENT ACT

Mr. DENHAM. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on H.R. 1734.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

The SPEAKER pro tempore. Pursuant to House Resolution 534 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the consideration of the bill, H.R. 1734.

□ 1903

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 1734) to decrease the deficit by realigning, consolidating, selling, disposing, and improving the efficiency of federal buildings and other civilian real property, and for other purposes, with Mr. WOODALL in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from California (Mr. DENHAM) and the gentlewoman from the District of Columbia (Ms. NORTON) each will control 30 minutes.

The Chair recognizes the gentleman from California.

Mr. DENHAM. Mr. Chairman, I yield myself such time as I may consume.

The purpose of H.R. 1734 is to shrink the Federal real property footprint and save billions of taxpayer dollars by selling what we don't need and better utilizing what we keep. In fiscal year 2009 alone, the Federal Government wasted more than \$1.7 billion in operating underused properties. Unfortunately, under existing law, solving this problem is not easy—the process is too cumbersome and congested with red tape.

The administration has tried but has realized it cannot achieve major savings without reform. As a result, H.R. 1734 includes a bipartisan solution to this problem—establishing a civilian BRAC-like process. However, unlike BRAC, the purpose of H.R. 1734 is to save money, and the commission would have to recommend actions that would result in net savings. The administration believes there are several billion dollars worth of high-value properties that could be sold quickly, and I agree with their assessment. Federal real property has been on GAO's high-risk list for nearly a decade now, and our committee, which oversees public buildings, has seen the waste firsthand.

The amended bill creates a nine-member commission that would review Federal properties and recommend specific actions to reduce the Federal building inventory and, more efficiently, house Federal employees. The commission could recommend property sales, consolidations, redevelopments, or other property actions. The bill does not apply to military bases, national parks and recreation areas, or a variety of other Federal properties. The administration would have 30 days to reject the recommendations or forward them to Congress for an up-or-down vote. If approved, agencies would be required to implement them.

In conclusion, let me say that both Republican and Democrat administrations have tried to work within the system to get rid of unneeded Federal property and have failed. Both parties know the process is broken and have proposed an independent BRAC-like commission to solve the problem. I believe this bill is a big step in the right direction, and I thank you for your consideration.

I reserve the balance of my time.

Ms. NORTON. Mr. Chairman, I yield myself such time as I may consume.

I rise in opposition to H.R. 1734, the Civilian Property Realignment Act.

Both Democrats and Republicans agree that we need a system to dispose of and consolidate excess Federal property. I have worked diligently with the
