

and to love mercy and to walk humbly with your God.

In the New Testament, Luke 4:18-20 teaches us these words:

The Spirit of the Lord is upon me because He has anointed me to proclaim the good news to the poor. He has sent me to proclaim freedom for the prisoners—

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. The Chair must remind Members that clause 5 of rule XVII prohibits the wearing of hats in the Chamber when the House is in session. The Chair finds that the donning of a hood is not consistent with this rule. Members need to remove their hoods or leave the floor.

HEALTH CARE REFORM

The SPEAKER pro tempore. The Chair recognizes the gentleman from California (Mr. LEWIS) for 5 minutes.

Mr. LEWIS of California. Mr. Speaker, America has the best health care system in the world.

Long before coming to Congress, I spent my energy in the life and health insurance field. In selling individual contracts, I found that questions of preexisting conditions and portability were a major concern for people buying individual health insurance contracts.

Over the years, I became convinced that these two major challenges could be solved by breaking down the walls between the individual States. This would provide a much larger pool of applicants, thus allowing for a much more reasonable base to underwrite the cost of covering those preexisting conditions and allowing for more effective portability.

When we debated how to solve the problems affecting our health care system 2 years ago, many were warned that government would go too far and must not be the solution. Our former Speaker said, "We have to pass the bill so that you can find out what is in it." Well, now we know what is in it, and it's time to speak up.

Mr. and Mrs. America, do not allow a federally mandated program to undermine the best health care system in the world. Do not allow a Federal mandate to get between you and your physician. Do not allow government to undermine your right to choose between

the great variety of protection available in the marketplace. Do not allow a politically appointed board to ration health care in the name of reducing costs. Do not allow the Federal Government to take us down the pathway to socialized medicine. Do not allow us to be dominated by those who would have America look more and more like Europe.

So, Mr. and Mrs. America, it's time for all of us to come together. We can solve the problems of our existing health care system without allowing a bunch of unelected bureaucrats getting between you and great health care.

You need to tell Congress to do their job—solve the problems without destroying the best health care system in the world.

RECESS

PRAYER

Reverend Dennis Culbreth, First Baptist Church, Jasper, Alabama, offered the following prayer:

Our Heavenly Father, I want to thank You so much for the privilege we have to pray to You today. You are the Creator of all. It is through You that we can have hope and we can have grace.

Father, You have blessed our country as no other country has been blessed. I pray, Lord, that You will never let this body forget Your goodness and Your mercy to us all. Guide these legislators in such a way that Your will is promoted throughout the world.

Continue to use our country as a beacon on the hill. It is because of Your mercy our country is a light of hope shining in a lost and a dark world.

Dear Lord, please let us never take this freedom for granted. As these representatives gather from across the Nation, we ask for Your guidance and for Your wisdom as these men and women seek to make decisions that affect the lives of every American here at home and across the world.

And this I pray in Jesus' name, amen.
