BUDGET REVISIONS

Mr. CONRAD. Mr. President, I previously filed committee allocations and budgetary aggregates pursuant to section 106 of the Budget Control Act of 2011. Today, I am adjusting some of those levels, specifically the allocation to the Committee on Appropriations for fiscal year 2013 and the budgetary aggregates for fiscal year 2013.

Section 101 of the Budget Control Act allows for various adjustments to the statutory limits on discretionary spending, while section 106(d) allows the chairman of the Budget Committee to make revisions to allocations, aggregates, and levels consistent with those adjustments. The Committee on Appropriations reported four bills that are eligible for adjustments under the Budget Control Act. Consequently, I am making adjustments to the 2013 allocation to the Committee on Appropriations and to the 2013 aggregates for spending by a total of \$9.245 billion in budget authority and \$2.385 billion in outlays. Those adjustments reflect the sum of \$5.648 billion in budget authority and \$403 million in outlays for funding designated for disaster relief, \$2.547 billion in budget authority and \$1.075 billion in outlays for funding designated as being for overseas contingency operations, and \$1.050 billion in budget authority and \$907 million in outlays for program integrity initiatives. The two program integrity initiatives for which adjustments are in order under the Budget Control Act are continuing disability reviews and re-terminations and health care fraud and abuse control.

I ask unanimous consent that the following tables detailing the changes to the allocation to the Committee on Appropriations and the budgetary aggregates be printed in the RECORD.

There being no objection the material was ordered to be printed in the RECORD, as follows:

CONTINUATION OF THE WIPA PROGRAM

Mr. BAUCUS. Mr. President, I rise today to express my disappointment and frustration that the Work Incentives Planning and Assistance program also known as WIPA run by the Social Security Administration is being shut down today. Congress has not acted to extend this important program and the Commissioner of Social Security does not believe he has the authority to continue the program. I disagree. I think he could continue this program under his broad authority to implement the Social Security Act. It is my belief that if he did that and that was contrary to congressional intent, Congress would express that disapproval through the appropriations process.

Let me explain what the WIPA program does. Both the Social Security disability insurance, SSDI, program and the supplemental security income, SSI, program have many provisions to assist beneficiaries in attempting to return to work, but the rules and features of the work incentives are complex and can be intimidating. Through the WIPA program, SSA makes grants to community-based organizations to provide SSDI and SSI disability beneficiaries with assistance in navigating and using the return-to-work features. The total budget for the WIPA grant

program is \$23 million a year. Because it is such a large State, Montana has two WIPA grantees. The Montana Center for Inclusive Education at Montana State University in Billings is the WIPA specialist for residents of eastern Montana. Over the last 30 months, the WIPA in MSU Billings has served over 100 Montana residents. On the western side of the State, the North Central Independent Living Services, Inc., near Great Falls runs an innovative program where the WIPA grant is dispersed among several Centers for Independent Living in order to provide more personal, one-on-one service for residents of Montana. That program has served over 220 Montana residents.

I think the WIPA program should continue. I know many Members of Congress agree. I hope the Commissioner will continue these important programs as soon as possible. Given the state of the economy today, we should not limit important services that can help our constituents who want to help themselves by attempting to work.

AUTHORIZED RURAL WATER PROJECTS COMPLETION ACT

Mr. BINGAMAN. Mr. President, I rise today as an original co-sponsor of the Authorized Rural Water Projects Completion Act, introduced by my colleague, Senator BAUCUS. I am pleased to support this important legislation which would address the serious backlog in the construction of Bureau of Reclamation water projects that are intended to serve rural and tribal communities.
