

In past tough economic conditions that caused layoffs and plant closings, Local 264 rose to the challenge, working to advocate on behalf of its members. Their dedication to collective bargaining on behalf of members for fair wages and safe working conditions reflects a central idea that when employees are highly valued, they produce a high value work product.

During its 75 year history, USW Local 264 has produced key leaders in the International Union. The union and its leaders have always kept an eye on what tomorrow might bring, making sure that whatever changes come in the future, that members come first. It is this diligent work on behalf of the hundreds of members in the Twin Cities that has earned them this reputation, as well as a deserved place in the history of Saint Paul and Minnesota.

Mr. Speaker, in honor of the 75th anniversary of the United Steelworkers Local 264, I am pleased to submit this statement for the CONGRESSIONAL RECORD in recognition of the hardworking men and women who are proud members of the union.

HONORING THE SERVICE OF CAPTAIN HUGH MICHAEL DOHERTY

HON. EDWARD J. MARKEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Monday, July 30, 2012

Mr. MARKEY. Mr. Speaker, I rise today to honor and recognize the service of United States Navy Captain Hugh Michael Doherty.

Captain Doherty was born in Medford, Massachusetts and graduated from Malden Catholic High School in 1961. After graduating high school, Captain Doherty began his service by earning a competitive appointment to the United States Naval Academy from my predecessor, Congressman Torbert MacDonald. After graduating from the Academy, Hugh was selected for the nuclear submarine service after an intensive and exhaustive interview program by Admiral Hyman G. Rickover.

Captain Doherty devoted his life to serving our Nation on the seas. He served in five different submarines over 14 years, and was the Commanding Officer of the USS *Sand Lance* during the Cold War. Captain Doherty was recognized for his sacrifice and service to his country through the numerous medals and decorations that he received, including the Legion of Merit and the Meritorious Service Medal.

During Captain Doherty's 1984 "Change of Command" speech on the USS *Sand Lance*, he emphasized the importance of excellence. He told his officers, "Set your goals high, strive to achieve them, and then when you

feel that you have almost attained them, set them higher. Never be satisfied with what you have accomplished." Captain Doherty understood that hard work, perseverance, and dedication always paid off. During Captain Doherty's thirty-eight months as commander of the USS *Sand Lance*, he led his fellow crewmembers to always strive for greatness in every aspect of life.

Sadly, Captain Doherty passed away on May 20 at the age of 69. A devoted husband, a caring father, and a beloved grandfather, Captain Doherty is survived by his wife of 45 years, Mary Pierce Doherty; his sons Sean, Matthew, and Timothy; his brothers John and Kevin; and his six grandchildren. For his honorable military career, Captain Doherty will be buried with full military honors at Arlington National Cemetery on Monday, August 27, 2012.

Mr. Speaker, today I honor the service and sacrifice of Captain Hugh Michael Doherty. We honor his life and his legacy. May God bless Captain Doherty and all our men and women in the United States Armed Forces. And God bless the United States of America.
