GENERAL LEAVE

Mr. LAMALFA. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on H.R. 1412, as amended.

The SPEAKER pro tempore (Mr. ROTHFUS). Is there objection to the request of the gentleman from California?

There was no objection.

THE GOVERNMENT MAY BE READING THE PEOPLE'S EMAILS

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, big, snoopy government agencies can read emails that are over 180 days old without a person's knowledge or consent. That is just wrong. It takes a warrant to eavesdrop phone conversations, but no warrant required to peruse a person's email?

If Peeping Tom-crats can't listen to phones without a warrant, they shouldn't be able to read emails. That's why Congresswoman LOFGREN, Con-

gresswoman DELBENE, and I introduced the Online Communications and Geolocation Protection Act. It would require a search warrant to seize a person's email.

When a person mails a letter, the government cannot open the mail from the time it is placed in the mailbox, travels throughout the fruited plain, and ends up in another mailbox. The law protects the privacy of this snail mail.

When a person sends an email through cyberspace, the government should not be allowed to seize the content without a search warrant. At a time when we see more and more government invasion of privacy, Congress should ensure that government does not press the delete button and eliminate the Constitution.

And that's just the way it is.

ONLINE SALES TAX

(Ms. KUSTER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KUSTER. Mr. Speaker, innovative small businesses all across New Hampshire are using the Internet to reach new markets, create good jobs, and grow our economy.

Congress should be working to create an environment that helps these companies expand and hire, not adding new bureaucratic barriers and red tape that will impede growth. But that's exactly what the so-called Marketplace Fairness Act would do.

This legislation would force online retailers to collect sales taxes on behalf of over 9,000 taxing jurisdictions nationwide, creating a web of bureaucracy that would stifle small businesses.

Later this week, I will return home to New Hampshire to hear how this tax would impact Granite State entrepreneurs. I urge my colleagues to do the same in their States and to stand up for small businesses by opposing this misguided legislation.

IN MEMORY OF CHRISTOPHER LOREK AND STEPHEN SHAW

(Mr. COLLINS of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COLLINS of Georgia. Mr. Speaker, I rise to honor two brave Federal law enforcement officers who lost their lives during a training accident last Friday.

Christopher Lorek and Stephen Shaw were both members of the FBI's Hostage Rescue Team. This elite unit has taken part in more than 800 hostage situations over the last two decades. Members of the Hostage Rescue Team dedicate their lives to training for critical terrorist, hostage, and criminal situations. Most recently, the team successfully rescued a 5-year-old boy

held hostage by a 65-year-old man in Alabama.

Both Christopher Lorek and Stephen Shaw spent many years serving their Nation by putting themselves at risk for others who were in danger. Tragically, they died during a maritime counterterrorism exercise their team was performing off the coast of Virginia Beach.

Both these men leave behind young families, and our thoughts and prayers are with their loved ones during this difficult time.

CENTENNIAL ANNIVERSARY OF CARROLLTON, TEXAS

(Mr. MARCHANT asked and was given permission to address the House for 1 minute.)

Mr. MARCHANT. Mr. Speaker, I rise today to recognize and celebrate the centennial of the city of Carrollton, Texas.

The city of Carrollton was incorporated 100 years ago, on June 14, 1913. Carrollton has truly blossomed into a prosperous and exemplary city. From a population of 1,610 in 1950, it has grown now to over 130,000 residents and is home to thousands of successful businesses.

I'm proud to say that my family has been able to be part of this great history. It was my privilege to serve as mayor of Carrollton from 1984 to 1986. My brother Ronnie served for years as a city council member. Currently, my son Matthew has the honor of being the city's mayor.

Mr. Speaker, on behalf of the 24th Congressional District of Texas, I ask all my distinguished colleagues to join me in recognizing the 100th anniversary of the incorporation of the city of Carrollton, Texas.

HONORING OUR VETERANS

(Mr. YODER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. YODER. Mr. Speaker, Memorial Day is a day our grateful Nation devotes to observing the extraordinary sacrifices paid by so many brave military men and women. Those who served so honorably died to protect the values and ideals on which our country was built, and we will never forget them.

Mr. Speaker, while we continue to work on behalf of the American people here in Washington, let us remember we work for people outside the beltway, many of whom are still searching for employment. With the unemployment rate for post-9/11 veterans at 9.2 percent, I'm heartbroken when reminded of veterans who come back from deployments abroad and cannot find work back home.

This Memorial Day weekend, let us remember to always honor those so devoted to their country that they gave their lives; and let us honor those veterans who defend us on the front lines
