

that are dependent upon grants funding. Further activity under the Securing the Cities program would be suspended.

In addition, a government shutdown will hurt children, seniors, working families, and the economically vulnerable:

**Military Readiness:** In Texas, approximately 52,000 civilian Department of Defense employees would be furloughed, reducing gross pay by around \$274.8 million in total.

**Law Enforcement and Public Safety Funds for Crime Prevention and Prosecution:** Funding will be halted to Texas on an annualized portion of the \$1,103,000 in Justice Assistance Grants that support law enforcement, prosecution and courts, crime prevention and education, corrections and community corrections, drug treatment and enforcement, and crime victim and witness initiatives.

**Vaccines for Children:** In Texas around 9,730 fewer children will not receive vaccines for diseases such as measles, mumps, rubella, tetanus, whooping cough, influenza, and Hepatitis B due to reduced funding for personnel who administer programs that provide funding for vaccinations.

**Nutrition Assistance for Seniors:** Texas would lose approximately \$3,557,000 in funds that make it possible to provide meals for seniors.

For these reasons, we should be working to pass H.J. Res. 59 as amended by the Senate. That is the best way to keep faith with all persons who serve the American people as employees of the Federal Government, and those who depend upon the services they provide.
