□ 1418

So the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

#### ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote incurs objection under clause 6 of rule XX.

Record votes on postponed questions will be taken later.

#### CENTRAL OREGON JOBS AND WATER SECURITY ACT

Mr. YOUNG of Alaska. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 2640) to amend the Wild and Scenic Rivers Act to adjust the Crooked River boundary, to provide water certainty for the City of Prineville, Oregon, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 2640

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

##### SECTION 1. SHORT TITLE.

This Act may be cited as the “Central Oregon Jobs and Water Security Act”.

##### SEC. 2. WILD AND SCENIC RIVER; CROOKED, OREGON.

Section 3(a)(72) of the Wild and Scenic Rivers Act (16 U.S.C. 1274(a)(72)) is amended as follows:

(1) By striking “15-mile” and inserting “14.75-mile”.

(2) In subparagraph (B)—

(A) by striking “8-mile” and all that follows through “Bowman Dam” and inserting “7.75-mile segment from a point one-quarter mile downstream from the toe of Bowman Dam”; and

(B) by adding at the end the following: “The developer for any hydropower development, including turbines and appurtenant facilities, at Bowman Dam, in consultation with the Bureau of Land Management, shall analyze any impacts to the Outstandingly Remarkable Values of the Wild and Scenic River that may be caused by such development, including the future need to undertake routine and emergency repairs, and shall propose mitigation for any impacts as part of any license application submitted to the Federal Energy Regulatory Commission.”

##### SEC. 3. CITY OF PRINEVILLE WATER SUPPLY.

Section 4 of the Act of August 6, 1956 (70 Stat. 1058), (as amended by the Acts of September 14, 1959 (73 Stat. 554), and September 18, 1964 (78 Stat. 954)) is further amended as follows:

(1) By striking “ten cubic feet” the first place it appears and inserting “17 cubic feet”.

(2) By striking “during those months when there is no other discharge therefrom, but this release may be reduced for brief temporary periods by the Secretary whenever he may find that release of the full ten cubic feet per second is harmful to the primary purpose of the project”.

(3) By adding at the end the following: “Without further action by the Secretary, and as determined necessary for any given year by the City of Prineville, up to seven of the 17 cubic feet per second minimum release shall also serve as mitigation for City of Prineville groundwater pumping, pursuant to and in a manner consistent with Oregon State law, including any shaping of the release of the up to seven cubic feet per second to coincide with City of Prineville groundwater pumping as may be required by the State of Oregon. As such, the Secretary is authorized to make applications to the State of Oregon in conjunction with the City to protect these supplies instream. The City shall make payment to the Secretary for that portion of the minimum release that actually serves as mitigation pursuant to Oregon State law for the City in any given year, with the payment for any given year equal to the amount of mitigation in acre feet required to offset actual City groundwater pumping for that year in accordance with Reclamation ‘Water and Related Contract and Repayment Principles and Requirements’, Reclamation Manual Directives and Standards PEC 05-01, dated 09/12/2006, and guided by ‘Economic and Environmental Principles and Guidelines for Water and Related Land Resources Implementation Studies’, dated March 10, 1983. The Secretary is authorized to contract exclusively with the City for additional amounts in the future at the request of the City.”

##### SEC. 4. FIRST FILL PROTECTION.

The Act of August 6, 1956 (70 Stat. 1058), as amended by the Acts of September 14, 1959 (73 Stat. 554), and September 18, 1964 (78 Stat. 954), is further amended by adding at the end the following:

“SEC. 6. Other than the 17 cubic feet per second release provided for in section 4, and subject to compliance with the Army Corps of Engineers’ flood curve requirements, the Secretary shall, on a ‘first fill’ priority basis, store in and release from Prineville Reservoir, whether from carryover, infill, or a combination thereof, the following:

“(1) 68,273 acre feet of water annually to fulfill all 16 Bureau of Reclamation contracts existing as of January 1, 2011, and up to 2,740 acre feet of water annually to supply the McKay Creek lands as provided for in section 5 of this Act.

“(2) Not more than 10,000 acre feet of water annually, to be made available to the North Unit Irrigation District pursuant to a Temporary Water Service Contract, upon the request of the North Unit Irrigation District, consistent with the same terms and conditions as prior such contracts between the District and the Bureau of Reclamation.

“SEC. 7. Except as otherwise provided in this Act, nothing in this Act—

“(1) modifies contractual rights that may exist between contractors and the United States under Reclamation contracts;

“(2) amends or reopens contracts referred to in paragraph (1); or

“(3) modifies any rights, obligations, or requirements that may be provided or governed by Oregon State law.”

##### SEC. 5. OCHOCO IRRIGATION DISTRICT.

(a) EARLY REPAYMENT.—Notwithstanding section 213 of the Reclamation Reform Act of 1982 (43 U.S.C. 390mm), any landowner within Ochoco Irrigation District in Oregon, may repay, at any time, the construction costs of
