

VA physicians to conduct medical disability examinations.

H.R. 1402, as amended, would also extend the requirement that VA provide nursing home care to certain veterans, extend the authority to provide treatment and rehabilitation services for seriously mentally ill and homeless veterans, and extend the authority of the VA to provide housing assistance for homeless veterans.

Finally, this bill would extend the authority for two advisory committees—the Advisory Committee on Homeless Veterans and the Advisory Committee on Education—as well as extend the authority for requirements relating to the sale of vendee loans by the VA.

Mr. Speaker, we have passed many veterans bills out of the House this year. It is my hope that some of these bills will become law before the year is out. I look forward to working with our colleagues in the Senate to make sure that we get this bill passed. The job at hand today is to pass this extenders bill, send it over to the Senate for quick consideration, and get it to the President's desk before the end of the year before the authority to continue these vital programs lapses.

Mr. Speaker, I reserve the balance of my time.

Mr. MILLER of Florida. Mr. Speaker, one of the things that is necessary in order to bring a piece of legislation that has this many moving parts is somebody who has been involved very much in each of those pieces of legislation.

I yield such time as he may consume to the gentleman from Colorado (Mr. COFFMAN), chairman of the Oversight and Investigations Subcommittee.

Mr. COFFMAN. Mr. Speaker, earlier this year I introduced, along with Representative MARK TAKANO, H.R. 1402, the Veteran Paralympics Act, and I am happy to see that this legislation is now poised to pass the House floor along with other important programs for veterans.

My portion of this legislation will extend this joint program, operated by the Department of Veterans Affairs and the Olympic Committee, that funds grants to adaptive sports programs for disabled veterans all across our country.

Paralympic programs are adaptive sports for physically disabled athletes, and research has shown that Paralympic sports and other forms of physical activity are an impactful aspect for the successful rehabilitation for these wounded warriors.

The Veterans Paralympics Act will ensure that disabled veterans in local communities throughout our country will continue to have opportunities for rehabilitation, stress relief, and higher achievement through adaptive sports. Currently, there are dozens of partnership organizations in Colorado and over 300 nationwide that are helping our veterans with their rehabilitation through adaptive sports.

During committee hearings, I discussed the Veterans Paralympics Act with Charlie Huebner, the U.S. Olympic Committee's Paralympics chief. He stated that this extension would help more than 16,000 disabled veterans in communities throughout America receive adaptive sports rehabilitation.

Mr. Huebner and I both emphatically agree that participation in adaptive sports and other athletic activities can help speed the rehabilitation process for disabled veterans, and this legislation, if passed, will ensure rehabilitative opportunities for disabled veterans in local communities throughout the country. I am proud to lead this effort to extend and support this important program.

Mr. MICHAUD. Mr. Speaker, I yield 3 minutes to the gentleman from California (Mr. TAKANO).

Mr. TAKANO. Mr. Speaker, I thank the gentleman from Maine, the ranking member, for yielding me this time.

Mr. Speaker, I rise today to support the Veterans Paralympic Act, a bipartisan piece of legislation that would extend the funding for adaptive sport programs for disabled veterans.

Through the Department of Veterans Affairs and the U.S. Olympic Committee, this joint program has provided sports and other athletic activities that help speed up the rehabilitation process for our Nation's heroes. By extending the funding through 2018, and improving access to adaptive sports programs, this legislation would provide the greatest opportunity for rehabilitation through sports our veterans have ever had. The sacrifice of these heroes is immeasurable, and I believe that Congress should be doing all it can to help their rehabilitation process.

I thank the gentleman from Colorado (Mr. COFFMAN) for introducing this bill, and I look forward to its passage.

Mr. MICHAUD. Mr. Speaker, at this time I would like to yield 3 minutes to the gentlewoman from California (Mrs. NEGRETE MCLEOD).

Mrs. NEGRETE MCLEOD. Mr. Speaker, I rise in support of H.R. 1402 that extends VA housing programs for homeless veterans.

The California district which I represent is home to over 20,000 veterans. Like the Nation, homelessness among veterans is a serious problem in my district. It will take continued coordination between VA and local organizations to ensure that veterans are able to take advantage of housing assistance programs.

As a member of the House VA Subcommittee on Health, in August of this year I hosted a town hall with the VA and local organizations. Over 200 veterans attended and signed up for VA veterans benefits for the very first time. This is a great example of better coordination in helping our veterans.

Mr. MICHAUD. Mr. Speaker, I would like to once again thank Chairman MILLER for his collaborative effort in bringing both of these bills before the House today and his continued support

to make sure that we do everything we can to pass legislation that will help our veterans. I also want to thank the staffs on both the majority and the minority side for working so well together to get these bills before the floor. I urge my colleagues to support H.R. 1402, as amended.

I yield back the balance of my time.

□ 1430
