

Following a TB outbreak in 1954, Mr. Alstrom was sent to a boarding school in southeast Alaska with many other children from Alaska villages. As the Vietnam War was escalating, he graduated from one of these boarding schools and promptly enlisted in the U.S. Air Force, serving his country. Soon thereafter, he left his wife and two children stateside and headed to southeast Asia. During the war, the newly minted Sergeant Alstrom served in Thailand, preparing aircraft on their way to strike North Vietnam.

On completion of his service, William and his family returned home to St. Mary's, where he invested himself in his village and continued to grow and raise his family. Today, William continues to serve—this time as mayor of his community and president of his village corporation.

In 2002, William applied for the Alaska Native veteran's allotment he was entitled to by law. Following an extensive application and vetting process, in 2009, the Bureau of Land Management, BLM, deeded him two 80-acre parcels located in the Yukon Delta National Wildlife Refuge.

With his deed in hand, William transported lumber and other supplies to one of his parcels on his skiff, spent countless hours clearing trees and brush, and finally built a small cabin and fish camp for him and his family to enjoy.

Out of the blue a few years later, the Fish and Wildlife Service realized that errors had been made by the Fish and Wildlife Service and BLM personnel, both in the surveying and application approval process. Instead of being located on general refuge lands, the two allotment parcels were located within the congressionally designated Andreafsky Wilderness Area. Conveying allotments in wilderness areas is prohibited by law. Similarly, making improvements to the land, such as constructing a cabin, cutting trees, or clearing bush, is also prohibited. As a result, the BLM canceled the deed to the two parcels, plunging this Alaska Native veteran and the status of his allotment and cabin into a state of limbo.

After this decision, William contacted me for assistance. To their credit, the BLM quickly admitted that both they and the Fish and Wildlife Service screwed up. Though, after looking into their options, they also admitted that they couldn't fix their mistakes administratively. In an attempt to resolve the issue, the BLM offered William two parcels of equal size elsewhere in the region. While he agreed to accept one of the replacement parcels, the second proposed parcel excluded his cabin.

My amendment today would approve his application for the second original parcel, subsequently saving his cabin and fish camp from demolition.

Though two Federal agencies are at fault, my Alaska Native constituent is the one being forced to bear the full

cost of their errors. The purpose of my amendment is simply to allow a veteran to retain the 80-acre parcel with the cabin on it, at no cost to the taxpayer.

An identical version of this amendment was adopted by voice vote when the Senate Energy and Natural Resources Committee held their markup of the Green Mountain Lookout Heritage Protection Act, of which the House version is included in today's package.

As you well know, I am no proponent of the fact that the Federal Government is the landlord of well over 60 percent of my State. Think about this: 60 percent. I generally oppose wilderness areas. I have often had an adversarial relationship with Federal land management agencies. All of that aside, this amendment is not meant to make a statement for or against wilderness designations, but rather to fix a unique issue for a truly deserving Vietnam veteran. At its core, fixing issues like this is what we do well when we are sent to Washington. Mr. Alstrom, like his father before him, served this country with honor and dignity, and he deserves similar treatment from this government in return.

I hope you will join me today in fixing this unfortunate mistake and allow this gentleman and his family to move on with their lives by supporting this simple amendment to H.R. 2954.

I yield back the balance of my time.

The CHAIR. If no Member is seeking recognition in opposition, the question is on the amendment offered by the gentleman from Alaska (Mr. YOUNG).

The amendment was agreed to.

Mr. HASTINGS of Washington. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. YOUNG of Alaska) having assumed the chair, Mr. DENHAM, Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 2954) to authorize Escambia County, Florida, to convey certain property that was formerly part of Santa Rosa Island National Monument and that was conveyed to Escambia County subject to restrictions on use and reconveyance, had come to no resolution thereon.

#### RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 11:15 a.m. today.

Accordingly (at 10 o'clock and 51 minutes a.m.), the House stood in recess.

Mr. CLEAVER changed his vote from "aye" to "no."

So the amendment was agreed to.

The result of the vote was announced as above recorded.

The Acting CHAIR. The question is on the amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The Acting CHAIR. Under the rule, the Committee rises.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. HULTGREN) having assumed the chair, Mr. HOLDING, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 2954) to authorize Escambia County, Florida, to convey certain property that was formerly part of Santa Rosa Island National Monument and that was conveyed to Escambia County subject to restrictions on use and reconveyance, and, pursuant to House Resolution 472, reported the bill back to the House with an amendment adopted in the Committee of the Whole.

The SPEAKER pro tempore. Under the rule, the previous question is ordered.

Is a separate vote demanded on any amendment to the amendment reported from the Committee of the Whole?

If not, the question is on the amendment in the nature of a substitute, as amended.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT

Mr. BARBER. Mr. Speaker, I have a motion to recommit at the desk.

The SPEAKER pro tempore. Is the gentleman opposed to the bill?

Mr. BARBER. Mr. Speaker, I am opposed to the bill in its current form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. Barber moves to recommit the bill H.R. 2954 to the Committee on Natural Resources with instructions to report the same back to the House forthwith, with the following amendment:

Add at the end of the bill the following:

**TITLE XI—PAYMENTS IN LIEU OF TAXES**  
**SEC. 1101. PAYMENTS IN LIEU OF TAXES.**

For fiscal years 2015 through 2020, there are hereby authorized to be appropriated such sums as may be necessary for payments to counties and other eligible units of government pursuant to section 6906 of Title 31, United States Code, also known as the Payment in Lieu of Taxes (PILT) Program.

**TITLE XII—PROTECTING COMMUNITIES FROM WILDFIRE**  
**SEC. 1201. PROTECTING COMMUNITIES FROM WILDFIRE.**

In addition to amounts previously made available, there are hereby authorized to be appropriated—

- (1) \$50,000,000 to the FLAME Fund established under section 502(b) of the Federal Land Assistance, Management, and Enhancement Act of 2009 (43 U.S.C. 1748(b)) for wildfire suppression on public lands; and
- (2) \$50,000,000 for hazardous fuels reduction on public lands.

Mr. HASTINGS of Washington. Mr. Speaker, I reserve a point of order against the motion to recommit.

The SPEAKER pro tempore. The point of order is reserved.

The gentleman from Arizona is recognized for 5 minutes.

Mr. BARBER. Mr. Speaker, this is the final amendment to the bill, which will not kill the bill, or send it back to committee. If adopted, the bill will immediately proceed to final passage, as amended.

As my colleagues in this Chamber know well, the Payment in Lieu of Taxes program, or PILT, is a source of revenue for counties across our country, especially in rural areas of the United States like Cochise County in southern Arizona, that have large areas of Federal land within their boundaries.

Without the PILT program, many counties would be forced to cut services, delay infrastructure maintenance and improvement, and local jobs would be lost.

While I joined many of my colleagues on both sides of the aisle to support reauthorizing PILT for 1 year in the farm bill, this is but a short-term solution. My amendment would reauthorize the Payment in Lieu of Taxes program for 5 years.

By committing to reauthorize the program for 5 years today, we can give our communities who depend on these funds the long-term certainty they need. In fact, we should really be thinking about acting to authorize this fund as a mandatory fund.

In 2013, PILT meant \$5 million in funds for my southern Arizona district, in both Pima and Cochise Counties.

The Sierra Vista Herald in Cochise County reported on the critical need for PILT in my home district, calling the potential loss of \$1.98 million in PILT that the county received in 2013 "a significant blow to the county."

This is an important issue to all of us, particularly those in rural parts of our country, and I appreciate your attention to the matter.

"A lack of PILT funding," the County Board of Supervisors in Cochise County said, "places the large and unsustainable burden of providing services on Federal lands squarely on the backs of Cochise County taxpayers, while the presence of that land creates a barrier to economic opportunities."

"Failure," the Board said, "to provide PILT funding to Arizona counties in a timely manner will critically impact on the budget process and structural solvency of Cochise County, and substantially compromise the County's ability to provide these essential services."

Cochise County and counties like it all across this country are required to provide law enforcement, search-and-rescue missions, emergency services, road building and maintenance, and other community services on or associated with tax-exempt Federal land.

I urge my colleagues on both sides of the aisle to pass this amendment so we can say to Cochise County, in my district, and the people I represent in southern Arizona, and so that you can say to the people of your State, particularly those in rural counties, that we won't make them wait and worry about whether or not they will have the resources to provide these critical services in the future.

Mr. Speaker, my amendment also goes on to provide much-needed funding to fight wildfires across this Nation. Arizonans know all too well the terrific and horrific effects wildfires have on our communities.

□ 1200

Last summer, our State was devastated by the Yarnell Hill Fire. My colleagues, our State experienced a great loss when last year, a fire swept across 8,400 acres of land in 15 days, killing 19 brave firefighters from the Granite Mountain Hotshots, all of whom died in the line of duty.

These tragic fires are not unique to our beautiful State of Arizona. Every year, communities across our Nation face wildfires that destroy their land, their homes, and their livelihoods. And given the worst drought in California history just 1 month into this year, I know that this is an issue on the minds

of all of my colleagues in the California delegation as well.

Two summers ago, my district in southeastern Arizona endured the Horseshoe Two Fire. On May 8, 2011, the Horseshoe Two Fire started on the east side of Chiricahua Mountains near the community of Portal. The fire continued to burn steadily, heading to the northwest, and on June 8, the fire reached Chiricahua National Monument, burning into the southeast corner of the park. In late June, the fire was finally extinguished and contained. By then, 223,000 acres were burned. We were lucky that summer in southeastern Arizona that there was no loss of life.

This amendment would authorize \$50 million to the Federal Land Assistance, Management, and Enhancement Act for wildfire suppression on our public lands and \$50 million for hazardous fuels reduction. This funding is key to fighting catastrophic fires, wildland fires, and for successful fire management strategies across our Nation.

I ask my colleagues again, on both sides of the aisle, to join with me in supporting both PILT and these critical wildfire programs for our local communities and the people we represent by passing this motion to recommit.

I yield back the balance of my time. Mr. HASTINGS of Washington. Mr. Speaker, I withdraw my reservation on the point of order and rise in opposition to the motion.

The SPEAKER pro tempore. The reservation is withdrawn.

The gentleman is recognized for 5 minutes.

Mr. HASTINGS of Washington. Mr. Speaker, sometimes I have to wonder when I hear these motions to recommit what exactly my friends on the other side of the aisle are thinking. The first part of this motion to recommit talks about payment in lieu of taxes, or PILT. Those of us in the western part of the United States especially understand that.

Mr. Speaker, last week, we funded PILT in the farm bill. Where was everybody? I voted for it. Where was everybody? That was funded.

The second point, PILT is permanently authorized—permanently authorized. All we have to do now is to get the appropriators to fund it, and they will go through the deliberations. There is no reason for this motion to recommit, as it relates to PILT.

Also, with regards to fighting fires, if I remember correctly, last year, we passed the healthy forests bill, but a majority of the people on the other side of the aisle voted “no.” Now we come down here with crocodile tears, saying we have to pass funding to fight forest fires. If they had voted for healthy forests in the first place, they would have solved the problem.

This MTR is not worthy of passage. Vote “no” on the MTR and “yes” on final passage.

I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

Mr. BARBER. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 and clause 9 of rule XX, this 5-minute vote on the motion to recommit will be followed by 5-minute votes on passage of the bill, if ordered, and approval of the Journal, if ordered.

The vote was taken by electronic device, and there were—yeas 194, nays 222, not voting 15, as follows:

agreeing to the Speaker’s approval of the Journal, which the Chair will put de novo.

The question is on the Speaker’s approval of the Journal.

Pursuant to clause 1, rule I, the Journal stands approved.

AUTHORIZING THE CLERK TO MAKE CORRECTIONS IN ENGROSSMENT OF H.R. 2954, THE PUBLIC ACCESS AND LANDS IMPROVEMENT ACT

Mr. HASTINGS of Washington. Mr. Speaker, I ask unanimous consent that in the engrossment of H.R. 2954, the Clerk may make technical and conforming changes, and that the amendments to page 17, line 17 refer to the first usage of “decision” on that line.

There was no objection.

LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, I now yield to Mr. CANTOR, the majority leader, for the recitation of the schedule.

I yield to my friend.

Mr. CANTOR. Mr. Speaker, I thank the gentleman from Maryland, the Democratic Whip, for yielding.

On Monday, the House will meet at noon for morning-hour and 2 p.m. for legislative business. Votes will be postponed until 6:30 p.m. On Tuesday, the House will meet at 10 a.m. for morning-hour and noon for legislative business.
