ANNOUNCEMENT BY THE SPEAKER

The SPEAKER. The Chair wishes to reiterate the announcement of February 26, 2013, concerning floor practice.

Members should periodically rededicate themselves to the core principles of proper parliamentary practice that are so essential in maintaining order and deliberacy in the House. The Chair believes that a few of these principles bear emphasis today.

Members should refrain from trafficking the well when another, including the presiding officer, is addressing the House.

Members should wear appropriate business attire during all sittings of the House, however brief their appearance on the floor might be.

Members who wish to speak on the floor should respectfully seek and obtain recognition from the presiding officer, taking the time to do so in proper form, including 1-minute. The proper form would be to ask unanimous consent to address the House for 1 minute.

Members should take care to yield and reclaim time in an orderly fashion, bearing in mind that the Official Reporters of Debate cannot properly transcribe two Members simultaneously.

Members should address their remarks in debate to the presiding officer and not to others in the second person or to some perceived viewing audience.

Members should not embellish the offering of a motion, the entry of a request, the making of a point of order, or the entry of an appeal with any statement of motive or other commentary, and should be aware that such utterances could render the motion, request, point of order, or appeal untimely.

Members should attempt to come to the floor within the 15-minute period as prescribed by the first ringing of the bells. Members should be advised that if they are in the Chamber attempting to vote, the Chair will try to accommodate them. But as a point of courtesy to each of your colleagues, voting within the allotted time would help with the maintenance of the institution.

Following these basic standards of practice will foster an atmosphere of mutual and institutional respect. It will ensure against personal confrontation, among individual Members or between Members and the presiding officer. It will facilitate Members' comprehension of, and participation in, the business of the House. It will enable accurate transcriptions of proceedings. In sum, it will ensure the comity that elevates spirited deliberations above mere argument.

The Chair appreciates the attention of the Members to these matters.
