

States of America. We have seen a collapse in manufacturing employment.

I would just point out for my colleagues, though, that the emphasis relative to the standards the gentleman is concerned about is to try to build that small business base.

I remain disappointed in the Department of Defense because, while they talk about building small businesses, improving that manufacturing base, I don't see many discernible results. In my own district, I had a firm that does very sophisticated technology work, a very small firm. They had to spend more than \$1 million cash to go through the evaluation process so they could start to bid on military contracts.

There are not many small businesses with less than 20 employees that have \$1 million in cash to go through an approval process so they can start doing business with the Department of Defense, so I share his concerns.

But I also just want to make note that we have to draw the Department's attention to small business manufacturing development in the United States.

Madam Chair, I yield back the balance of my time.

Mr. HUIZENGA of Michigan. Madam Chair, I would agree with that, those sentiments of my colleague. We do need to make sure that we are maintaining a manufacturing base of not just large, not just medium size, but small companies as well.

I think, in this particular situation though, what we are trying to do is codify report language that identified a problem. The problem is that there is not a manufacturer that is going to be adequately able to supply that vital need of boots to our men and women in uniform, and that is why I put forward this amendment, and I urge passage of it as well.

Madam Chair, I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Michigan (Mr. HUIZENGA).

The amendment was agreed to.

Mr. FRELINGHUYSEN. Madam Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. HOLDING) having assumed the chair, Ms. ROS-LEHTINEN, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 4870) making appropriations for the Department of Defense for the fiscal year ending September 30, 2015, and for other purposes, had come to no resolution thereon.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess subject to the call of the Chair.

Accordingly (at 10 o'clock and 22 minutes a.m.), the House stood in recess.

The SPEAKER pro tempore. Pursuant to clause 1, rule XXI, all points of order are reserved on the bill.

DEPARTMENT OF DEFENSE APPROPRIATIONS ACT, 2015

So the amendment was rejected.
The result of the vote was announced as above recorded.

The Acting CHAIR. The Clerk will read.

The Clerk read as follows:

This Act may be cited as the “Department of Defense Appropriations Act, 2015”.

Mr. FRELINGHUYSEN. Madam Chair, I move that the Committee do now rise and report the bill back to the House with sundry amendments and with the recommendation that the amendments be agreed to, and that the bill, as amended, do pass.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. HULTGREN) having assumed the chair, Ms. ROS-LEHTINEN, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 4870) making appropriations for the Department of Defense for the fiscal year ending September 30, 2015, and for other purposes, directed her to report the bill back to the House with sundry amendments adopted in the Committee of the

Whole, with the recommendation that the amendments be agreed to and that the bill, as amended, do pass.

The SPEAKER pro tempore. Under House Resolution 628, the previous question is ordered.

Is a separate vote demanded on any amendment reported from the Committee of the Whole? If not, the Chair will put them en gros.

The amendments were agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

MOTION TO RECOMMIT

Mrs. BUSTOS. Mr. Speaker, I have a motion to recommit.

The SPEAKER pro tempore. Is the gentlewoman opposed to the bill?

Mrs. BUSTOS. I am opposed in its current form.

The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mrs. Bustos moves to recommit the bill H.R. 4870 to the Committee on Appropriations with instructions to report the same back to the House forthwith, with the following amendment:

Page 9, line 6, after the dollar amount insert the following: “(increased by \$5,000,000)”.

Page 31, line 18, after the dollar amount insert the following: “(reduced by \$15,000,000)”.

Page 33, line 11, after the dollar amount insert the following: “(increased by \$10,000,000)”.

Page 33, line 17, after the dollar amount insert the following: “(increased by \$5,000,000)”.

Page 33, line 19, after the dollar amount insert the following: “(increased by \$5,000,000)”.

Mrs. BUSTOS (during the reading). Mr. Speaker, I ask unanimous consent to dispense with the reading.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Illinois?

There was no objection.

The SPEAKER pro tempore. The gentlewoman from Illinois is recognized for 5 minutes.

Mrs. BUSTOS. Mr. Speaker, this is the final amendment to the bill. It will not delay or kill the bill or send it back to committee. If adopted, the bill will proceed immediately to final passage, as amended.

My amendment would increase funding levels by \$5 million each for the following critical programs: electronic health records to help ease the shamefully long VA backlog; military sexual assault prevention and response to keep our servicemen and -women safe from harm; and, thirdly, research into posttraumatic stress disorder and traumatic brain injury to care for our veterans' mental well-being. These added investments honor the sacred commitment our Nation has made to our brave men and women in uniform.

For too long, we have failed to systematically implement electronic

health records to coordinate our veterans' care. By keeping electronic records, critical care can be coordinated between the Department of Defense and the Department of Veterans Affairs. This will help reduce the claims backlog and allow our Nation's heroes to receive care in a more timely fashion. In recent weeks, we have all heard from veterans back home on the need for us to work together to deliver more timely care. This amendment is an opportunity to reduce this backlog and make good on the promise we have made to our heroes.

Additionally, more than 70 members of the U.S. military encounter unwanted sexual contact, sexual assault, or are raped each day. That is every day. This is absolutely shocking and sickening. It is evident that we must do far more to protect the men and women who are serving to protect our Nation. My amendment would do just that by providing badly needed funding to keep our men and women in uniform safer from sexual assault.

Finally, many young women and men have returned home from Iraq and Afghanistan with posttraumatic stress disorder and traumatic brain injury. There have been more than 400,000 of these cases documented by the military since the year 2000, which is another shocking number I am sharing with you today. My amendment would expand our ability to care for these veterans and provide for their mental health. This amendment would not add to the national deficit. Every single cent allocated in this bill is fully offset by a designated funding source.

I urge my colleagues to support this amendment. We owe our Nation's heroes nothing short of the very best. We must make sure to keep our promises to them as they fight for our safety and our freedom and when they return home.

Mr. Speaker, I yield back the balance of my time.

□ 1215

Mr. FRELINGHUYSEN. Mr. Speaker, I rise in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman from New Jersey is recognized for 5 minutes.

Mr. FRELINGHUYSEN. Mr. Speaker, with strong leadership from Chairman ROGERS and Ranking Member LOWEY, our bill already funds the administration's request for electronic health records. This includes \$124 million for interoperability efforts for the two current systems of both the Department of Defense and the Department of Veterans Affairs. Efforts are already underway to allow clinicians and users now to have operable records.

In regard to sexual assaults, our recommendation provides approximately \$275 million, an increase of \$50 million over fiscal year 2014, which fully funds the President's request for sexual assault prevention.

Mr. Speaker, with regards to traumatic brain injury funding, this bill,

our bill, also includes over \$400 million in research and development funds for traumatic brain injury and psychological health, and over \$600 million in operation and maintenance funding to care for our wounded servicemembers, not to mention the amendments we have already accepted on the floor over the last couple of days.

These are important programs. They are supported by Republicans and Democrats, and I may say, they are adequately supported in this bill.

Mr. Speaker, I ask for a “no” vote on the motion to recommit and a big “yes” vote on the underlying bill.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

RECORDED VOTE

Mrs. BUSTOS. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, this 5-minute vote on the motion to recommit will be followed by a 5-minute vote on passage of the bill.

The vote was taken by electronic device, and there were—ayes 190, noes 220, not voting 21, as follows:
