

RECOGNIZING BRUCE DUCHOSSOIS

HON. PATRICK MURPHY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 10, 2014

Mr. MURPHY of Florida. Mr. Speaker, I rise today to recognize the life of the nationally revered horseman and longtime supporter of equestrian rights, Bruce Duchossois, who passed away at the age of 64. The Chicago native's passion for horses and the sport of riding developed at a young age and was the impetus for much of his life's work.

Mr. Duchossois began riding hunters in the 1960s, and in 1973 rode his hunter, Kim's Song, to an American Horse Show Association Horse of the Year title. Throughout his career, Mr. Duchossois earned many awards for his talents and contributions. Most recently in May, he was inducted into the National Show Hunter Hall of Fame and was honored with the Equestrian Aid Foundation Luminary Award.

Mr. Duchossois worked for the betterment of the sport in the U.S. on and off the field. He served as a member of the executive committee, as the chairman of the Development Committee, and as a trustee of the United States Equestrian Team Foundation for 16 years before becoming Vice President of the organization, which helps fund riding competitions. Mr. Duchossois also supported many nonprofit organizations such as Vinceremos Therapeutic Riding Center. He had donated a horse to the center every year since becoming involved, and even took care of their retired horses at his own barn.

The generosity and compassion of Mr. Duchossois was deeply felt by all who engaged with him, and he has made an unforgettable impact on the equestrian community of the United States. Together with his family and friends, we remember the enthusiastic, animal-loving, and carpe diem spirit of the life of Bruce Duchossois.

RECOGNIZING MARBLE BREWERY

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 10, 2014

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise to congratulate Marble Brewery on their achievement during the 2014 World Beer Cup awards.

Twice a year the Brewers Association hosts this prestigious event featuring an array of

high-quality beers from across the globe. The 2014 competition was the largest yet, hosting a panel of 219 experts from 31 countries who conducted the blind tasting evaluations and judged 4,754 beers from 1,403 breweries in over 57 countries. Beers were judged in 91 categories ranging from "Coffee Beer" to "Wood- and Barrel-Aged Sour Beer" with the top three beers receiving gold, silver, and bronze medals.

I am honored to know that Albuquerque, New Mexico's very own Marble Brewery received the Gold in the "Kellerbier or Zwickelbier" category, beating out 59 entries from around the world. In 2008, Co-Founders Ted Rice, Jeff Jinnett, and John Gozigian first opened Marble Brewery in downtown Albuquerque, on First Street and Marble Avenue. Their mission then, and still today: to provide bold, hand-crafted ales and lagers to the southwest.

As a small locally owned manufacturing and service business Marble Brewery represents the prosperity of a burgeoning local craft beer industry in New Mexico. In fact, the successes of Marble Brewery can be directly attributed to Livability.com naming Albuquerque, New Mexico the number 1 beer city in the country for their "Top 10 Beer Cities" list. Marble Brewery is a testament to the contributions small businesses make to our country and the idea that with hard work and dedication nothing is unattainable.

Not only is Marble Brewery a thriving business in the heart of downtown Albuquerque, but they are an active and engaged partner in our local community. Marble Brewery supports fundraising efforts for dozens of organizations from the Downtown Growers Market, to the Hispanic Cultural Center, the Healthcare for the Homeless, and the Cancer and Lymphoma Society to name a few.

It was President Lincoln, who once said:

I am a firm believer in the people. If given the truth, they can be depended upon to meet any national crisis. The great point is to bring them the real facts, and beer.

To this day lawyers, government officials, business leaders, political icons, artists and students continue to enjoy exquisite beers in Marble's friendly atmosphere. Mr. Speaker, I would like to take this moment to recognize Marble Brewery for their accomplishments in the 2014 World Beer Cup competition and commitment to our community at large. I am proud to know that we have a great business located in the First Congressional District of New Mexico.

IN RECOGNITION OF THE 275TH ANNIVERSARY OF THE TOWN OF WAREHAM

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 10, 2014

Mr. KEATING. Mr. Speaker, I rise today to recognize the two hundred and seventy-fifth anniversary of the Town of Wareham.

Wareham was first settled in 1678 by a group of brave men and women who embodied the true American spirit that is still celebrated today. Wareham was officially incorporated in 1739 and became known for its local expertise in shipbuilding and other indus-

tries supporting the shipping trade. The town's beauty was quickly realized as it soon became a place where many came to enjoy its scenic beaches on Buzzard's Bay and other waterways, including Buttermilk Bay.

The people of Wareham were emblematic of the American spirit and resolve during the War of 1812. At that time, Wareham was an enticing target for the British due to its shipbuilding expertise and ironworking abilities. In 1814, when the British warship HMS *Nimrod* was anchored in Buzzard's Bay off the coast of Wareham, the townspeople refused to pay tribute to the British in exchange for the cessation of gunfire from the mighty eighteen-gun ship. However, the residents of Wareham fought courageously and succeeded in repelling the British despite the large amount of damage done to the town.

Mr. Speaker, please join me in celebrating the 275th anniversary of Wareham. May this beautiful Massachusetts town flourish for many years to come.

HONORING BEN CARLSON

HON. DANA ROHRABACHER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 10, 2014

Mr. ROHRABACHER. Mr. Speaker, this coming Sunday, July 13, 2014, family, friends, and admirers—they are legion—of Ben Carlson will gather in Newport Beach, California, to honor the memory of a local hero. Those gathered, many wearing the favored "aloha shirts" and beach wear of his beloved surfing community, will not, however, think of him simply as a local hero. His heroism inspires us universally. Just last Sunday he perished when he jumped out of a lifeguard boat to save a body surfer caught in a rip current. The surfer lived. Ben was overwhelmed by the sort of monster wave he had spent years conquering. His own body, its full measure exhausted, was found three hours later. The beach lifestyle, Mr. Speaker, is often treated in our popular culture as frivolous, superficial, pampered. Many Americans and visitors from abroad do find the Southern California coastline to be a special place for recreation and relaxation, a place to restore their spirits. Ben Carlson confounded that image. He was the classic rugged individualist of American lore and legend. With his high level of schooling in psychology, he could have advanced through more traditional careers in business, education, or whatever field beckoned him. He chose to follow his calling on the beach, where for a decade and a half he protected and saved the lives of countless shoreline visitors, thereby contributing beyond measure to our local bounty. Though his distinct profile was known to those who loved him, he blended perfectly into the beach culture. His livelihood came courtesy of his status as an internationally recognized surfer and his convivial service behind the bar at a popular fish taco restaurant. Ben created his primary identity as one who chose to save lives. In my book, that makes him all we may expect of a true American of whom we all may be proud.

IN HONOR OF HOOSIER HERO,
OFFICER PERRY RENN

HON. ANDRÉ CARSON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 10, 2014

Mr. CARSON of Indiana. Mr. Speaker, I rise with a profound sense of sadness, as I grieve with the City of Indianapolis and the entire law enforcement community over the loss of a true public servant. Today, we remember Indianapolis Metropolitan Police Department Officer Perry Renn, a fallen Hoosier who dedicated his life to serving others.

Over the Fourth of July holiday weekend, Officer Renn responded to a call where shots had already been fired at the scene. Upon his arrival, he acted without regard to his own life in order to protect those of his fellow officers and innocent bystanders. In doing so, he made the ultimate sacrifice.

As a 20 year veteran of the IMPD, this was not the first time Officer Renn had risked his own life in an effort to protect his fellow Hoosiers. In 2003, he received the department's Medal of Bravery and later received a Letter of Commendation for his valiant effort to save lives after a stage collapse at the Indiana State Fair. Officer Renn's years of heroism, dedication and self-sacrifice have left a lasting legacy on the Indianapolis community.

Today, I ask my colleagues to join me in extending our thoughts and prayers to Officer Renn's wife and family, and pay tribute to his life by maintaining our steadfast support for local law enforcement officers who selflessly serve in our communities.

**ENERGY AND WATER DEVELOPMENT
AND RELATED AGENCIES
APPROPRIATIONS ACT, 2015**

SPEECH OF

HON. CATHY McMORRIS RODGERS

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 9, 2014

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 4923) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2015, and for other purposes:

Mrs. McMORRIS RODGERS. Mr. Chair, I rise today in strong support of H.R. 4923, the Energy and Water Appropriations Act for 2015. Contained in the bill's Committee Report is language that benefits the Inland Northwest Region. Specifically, the "Lower Snake River Project" encourages the Walla Walla District U.S. Army Corps of Engineers to continue working with certain landowners to resolve an ongoing issue regarding the use of Corps lands along the Snake River. I commend Chairman SIMPSON as well as Chairman ROGERS for their work in crafting this legislation in a bipartisan manner.

In recent years, the Corps of Engineers has targeted several cattlemen for trespass and eviction as the result of their decades-old use of Corps lands adjacent to the Snake River. For many of these cattlemen, access to Corps lands is essential for the grazing and pasturing

of their livestock. Without a timely and permanent resolution, the livelihoods of these small businessmen and women remain in jeopardy.

The report language not only encourages the Walla Walla District to continue working with the affected cattlemen but also directs the Corps to maintain the status quo use of these lands as long as good-faith efforts are being made to find a solution. To ensure that Congress remains informed on this issue, the language also directs the Corps to provide both House and Senate Appropriations Committees with an update on the status of the situation, including any actions taken, as well as any legislative authority needed to resolve the dispute.

Mr. Chair, I believe this language does a great deal in helping resolve a serious issue affecting residents in my district and across the entire lower Snake region. I am grateful for its inclusion in the Committee Report and I urge my colleagues to maintain this language in the final appropriations bill.
