

have done preparing this bill. I understand the challenges they face, and I appreciate the cuts they have made.

But, Mr. Chairman, we are on a path to absolute ruin in this country. If we don't spend one new dollar, we are headed toward a fiscal crisis in a very short time, and we have got to get off that path. One way to do it is to go back to 2008 spending levels, and then let's do the work that the Appropriations Committee has done on this bill. Let's start at 2008 and look at which programs we want to keep, which programs are duplicative, where is the waste.

□ 1945

But we have got to start somewhere. And, frankly, \$50 million is a start, but it is not a big enough start. So I would encourage my colleagues to support this amendment.

Mr. Chairman, I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from North Carolina (Mr. HUDSON).

The question was taken; and the Acting Chair announced that the noes appeared to have it.

Mr. HUDSON. Mr. Chairman, I demand a recorded vote.

The Acting CHAIR. Pursuant to clause 6 of rule XVIII, further proceedings on the amendment offered by the gentleman from North Carolina will be postponed.

Mr. SIMPSON. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. WOMACK) having assumed the chair, Mr. SIMPSON, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 4923) making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2015, and for other purposes, had come to no resolution thereon.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess for a period of less than 15 minutes.

Accordingly (at 7 o'clock and 46 minutes p.m.), the House stood in recess.

□ 1959

AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Mr. UPTON) at 7 o'clock and 59 minutes p.m.

ENERGY AND WATER DEVELOPMENT AND RELATED AGENCIES APPROPRIATIONS ACT, 2015

The SPEAKER pro tempore. The gentleman from Illinois is recognized for 5 minutes.

Mr. ENYART. Mr. Speaker, this is the final amendment to the bill, which will not kill the bill or send it back to committee. If adopted, the bill, as amended, will immediately proceed to final passage. Today, we come together to vote on an amendment that will not only create infrastructure, but create much-needed jobs as well.

Before joining the ranks of Congress last year, I served in the ranks of our Nation’s military. As a commander of the Illinois National Guard, I oversaw the largest deployment of troops overseas since World War II.

Also well known across the State and particularly along Illinois’ Mississippi River border were the efforts of men and women of the Illinois National Guard during flood season—efforts, resources, and dollars that can be saved with the preventative measures funded in this amendment.

The amendment before us today provides an additional \$10 million to the Army Corps of Engineers for projects that could include levee construction, levee repair, flood mitigation, and flood prevention.

Too often, I sent those guardsmen and -women to fight floodwaters from the Mississippi River. Too often, I have seen levees break, rivers flow over their banks, and sandbags give way; and all too often, I have seen the aftereffects of destroyed homes, lost belongings, and the anguish of starting over again.

Just in the past week, three bridges across the Mississippi River have been closed due to flooding. Twenty roads, highways, and interstates have been closed or temporarily shuttered in Illinois alone, due to floodwaters, and the Mississippi River is expected to crest 10 feet above flood stage in some areas this week.

This isn’t just a Midwestern issue. In the past 5 years, every single State in our great Nation has experienced floods or flash flooding.

Every dollar that we send to the Army Corps to prevent flooding will be put back into our economy if American families are spared the expense of flood cleanup. We must pass this amendment to provide critical dollars to the Army Corps, while creating good-paying jobs for men and women across our Nation.

This amendment makes all the difference for the people of Alton, Illinois, where the Mississippi River is at flood stage this week.

This amendment makes all the difference for the people of Grand Tower, Illinois, where the Army Corps doesn’t have the funding to fix the structural inadequacies of the levees the Corps built 60 years ago. Communities are depending on us for leadership.

Also included in this amendment is an additional \$10 million for the energy efficiency and renewable energy account. Current language in the bill is almost \$113 million less than in 2014 and \$530 million less than the administration’s request.

We simply cannot afford such harsh reductions in funding for an area where our country desperately needs growth: energy efficiency and independence. A great example of energy-efficient infrastructure and operations is at Southern Illinois University, which is in my home district and is my alma mater.

SIU is committed to sustainability and green operations across campus. The university believes that higher education should be ecologically sound, socially just, and economically viable, giving students a healthy environment in which to live and learn.

SIU was, again, named a Green College by the Princeton Review. SIU maintains green jobs and green processes through their vermicomposting center—designed to take food scraps from dormitories and turn them into compost for campus gardens. The new transportation education center earned an LEED silver certificate. It is programs like these that this amendment will support.

Like all of you, I had the opportunity to listen to my constituents this past week. Over and over again, my constituents stopped me to ask: Why do we spend billions of tax dollars to build and rebuild other nations around the world, while so many of our critical improvements need to be made here at home?

This amendment won’t address all of those needs here in America, but it is an improvement to this Appropriations bill and an investment in the long-term needs of our country.

I urge you to vote “yes” for flood safety, to vote “yes” for jobs, to vote “yes” for energy independence. I urge you to vote “yes” for this amendment.

I yield back the balance of my time. Mr. SIMPSON. Mr. Speaker, I claim the time in opposition to the motion.

The SPEAKER pro tempore. The gentleman from Idaho is recognized for 5 minutes.

Mr. SIMPSON. Mr. Speaker, I wish the gentleman who just spoke would call the administration. His budget request was nearly \$1 billion below last year’s for the Army Corps of Engineers. That is what the administration proposed to us.

We restored that and, in fact, increased last year’s Army Corps of Engineers budget by \$25 million while, at the same time, cutting \$50 million out of the overall bill, so I wish he would talk to the administration about its budget request.

This is a balanced bill, made more balanced by the 2 days of amendments we have debated—some accepted, some not accepted—from all of our colleagues on both sides of the aisle.

We have already taken \$45 million out of the DA account. I know it is an

easy account to target, to just take money out of, but at some point in time, you have to stop, and we have already taken \$45 million out of the DA account.

An important characteristic of any Member of this body is to know when to talk and when to shut up. It is after 9. I encourage my colleagues to vote against the motion to recommit and for the underlying bill.

I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

RECORDED VOTE

Mr. ENYART. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, this 5-minute vote on the motion to recommit will be followed by a 5-minute vote on passage of the bill.

The vote was taken by electronic device, and there were—ayes 188, noes 231, not voting 13, as follows:
