BILL SCHWERI

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 9, 2014

Mr. ROGERS of Kentucky. Mr. Speaker, I rise today to pay tribute to a dear friend of southern and eastern Kentucky, Mr. Bill Schweri, upon his retirement as the Director of Federal Relations at the University of Kentucky.

During his 42 years at the University of Kentucky, Bill has been a champion for progress in education, healthcare, and energy research across the state. Behind the scenes of Kentucky's highly esteemed flagship university, Bill has been a driving force, seeking out partnerships, programs and funding to help the most distressed region of the Commonwealth. I'm certain there is not a single resource that Bill hasn't researched for the benefit of southern and eastern Kentucky.

No one knows the value and power of creating and sustaining long-time partnerships quite like Bill. If the University of Kentucky needed a partner to improve education or access to healthcare, Bill ensured the connection was secured with his genuine, kind and humble approach. Most leaders seek recognition or credit for their efforts, but that has never been the case with Bill.

His work has lead to exponential growth of UK's research enterprise and jumpstarted new research initiatives that have enabled the university to be successful in competing for federal grants and contracts. This riveting scientific research on cancer, fossil energy, transportation and agriculture is blazing new trails in every aspect of our everyday life, and our country—to say nothing of our state—is better off for it. He has fought for legislation that is important to UK and student financial aid. Bill has also been a leader in The Science Coalition, and actively involved in the Council on Governmental Affairs, and the Association of Public and Land Grant Universities. Over the years, he has deservedly gained the utmost respect of his peers in federal relations.

As he departs his post at the University of Kentucky, it is my intention to ensure Bill Schweri receives the recognition that is due him, for his tireless efforts on behalf of students and families across Kentucky, and specifically people living in Kentucky's Fifth Congressional District. We hope he knows he always has the thanks of a grateful Big Blue Nation.

Mr. Speaker, I ask my colleagues to join me in honoring my friend Bill Schweri as we bid him a joy-filled retirement.

A MEMORIAL TRIBUTE TO LOUIS
ANDREW BEATTIE, JR.

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 9, 2014

Mr. SCHIFF. Mr. Speaker, I rise today to honor the memory of Louis Andrew Beattie, Jr. of La Cañada Flintridge, California, an outstanding community leader, who passed away on Sunday, July 27, 2014.

Louis Beattie, better known as "Andy," was born on February 3, 1953 in Brownsville,

Pennsylvania to Louis Andrew Beattie, Sr. and Marilyn Beattie. The Beattie family moved to Ventura, California in 1956, where Andy attended El Camino Elementary School, Anacapa Junior High School, and Buena High School where he was ASB President, Sophomore Class President, and a member of the Buena High School Hall of Fame. Andy graduated from Occidental College in 1975, earning a B.A. in Political Science. He was a devoted alumnus of Occidental College, serving as President of the Alumni Association Board of Governors and as a member of the Occidental College Board of Trustees. Andy had a long and successful career in the fashion and clothing industry, holding the position of Senior Vice President of Strategic Partners, Inc., a uniform and apparel company. Because of his interest and experience in the clothing industry, he and his wife, Kim, formed a line of pajamas called Liz & Lauren, named after their eldest daughter, Lauren Elizabeth, an enterprise of which he was very proud.

Andy was dedicated in both his professional pursuits and his commitment to serving his community and our country. On the local level, Mr. Beattie was a Public Safety Commissioner for La Cañada Flintridge for six years, playing a significant role in initiating La Cañada Flintridge's new "Alert LCF" emergency notification system and the city's Local Hazard Mitigation Plan. He served as president of the La Cañada Unified School Board, working to improve the educational programs and buildings in the La Cañada Flintridge schools, and president of the La Cañada High School Spartan Boosters. Andy's public service extended beyond his local community as he spent many years volunteering for the White House's Office of Advance, a department responsible for coordinating the travel schedules of the President and press corps. Mr. Beattie travelled with President Clinton and President Obama often, and he visited several nations including Iraq, Poland, South Korea, Chile, and India during his service for the White House.

Andy Beattie is remembered in his community as a fair, honest, smart, and thoughtful person, who "put family first." He is survived by his wife, Kim Beattie, their three daughters, Sarah, Katherine, and Lauren, his mother, Marilyn, and his brothers, Neil and John.

Andy was an exceptional community leader, admired by all as a man of impeccable character and he will be greatly missed. I ask all members to join me in remembering Louis Andrew Beattie, Jr.

IN RECOGNITION OF THE FEAST
OF THE BLESSED SACRAMENT

HON. WILLIAM R. KEATING

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 9, 2014

Mr. KEATING. Mr. Speaker, I rise today to recognize the 100th Anniversary of the Feast of the Blessed Sacrament, the largest Portuguese feast in the world and one of the largest festivals in New England.

Founded in 1915, the Feast recreates the traditional religious festivals of Portugal and celebrates the safe passage onto American shores. The Feast is often referred to as "the Madeira Feast" because its roots lie in the tiny mountain and shoreside villages of the island

of Madeira, the "Pearl of the Atlantic." For the last 100 years, New Bedford has hosted the Feast of the Blessed Sacrament, featuring authentic Portuguese food, wine, and music, along with lessons on Portuguese history and folklore.

Today, this historic feast continues to maintain its cultural significance to those who wish to honor the Madeira customs. Additionally, it is known to provide endless entertainment to the entire New Bedford community.

Mr. Speaker, please join me in congratulating the town of New Bedford and the Club Madeirense S.S. Sacramento, Inc., who sponsor the feast, for the celebration of the Feast of the Blessed Sacrament's 100th anniversary. May this magnificent cultural event continue to flourish for many years to come.

COMMEMORATING AVANCE'S 40TH ANNIVERSARY OF EMPOWERING FAMILIES

HON. LLOYD DOGGETT

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 9, 2014

Mr. DOGGETT. Mr. Speaker, I rise today to honor AVANCE, Inc. and to recognize its 40th anniversary of service to families and children in Texas. This outstanding organization was founded in 1973 to provide family support services and education to parents. AVANCE began in one room of the Mirasol Housing Project on the West Side of San Antonio with a handful of families and has grown into a national organization with sites across the country.

Every day, AVANCE's staff works tirelessly to "Unlock America's Potential" by strengthening families in at-risk communities through effective parent education and support programs. This effort has changed the lives of thousands of Texas families, leading the way for stronger, healthier communities; a sharper workforce; and increased educational attainment.

AVANCE has successfully capitalized on parents' inner strength and innate love for their children to help them become the best teachers and stewards of their children's growth and success. AVANCE works on the principle that parental education alone is sometimes not enough; an effective intervention must build parents' resilience, interpersonal connections, networks, and access to education, jobs and other opportunities. True parental engagement empowers parents to become advocates for their children and families.

Studies have shown the effectiveness of AVANCE's two-generation approach. In an external study designed to assess whether participation led to changes in education and socio-economic status, results showed that the AVANCE program has positive effects on families long after they graduate—especially for the most disadvantaged families. Parents had dramatic increases in educational attainment, better jobs and home ownership.

Congratulations to AVANCE President and CEO Richard J. Noriega and the AVANCE Board of Directors. Today, AVANCE has active sites in the Texas cities of San Antonio, Austin, Houston, Dallas, Fort Worth, El Paso, Waco, Del Rio, San Juan and in the Rio

Grande Valley as well as in several other states.

Mr. Speaker, I join with our community in expressing congratulations and deep gratitude to AVANCE for its more than four decades of exemplary service and dedication to the families of Texas. We wish you many more years of success toward fulfilling your mission of Unlocking America's potential.

H.R. 5078 AND H. RES. 644

HON. DAVID N. CICILLINE

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 9, 2014

Mr. CICILLINE. Mr. Speaker, I strongly oppose H.R. 5078, the Waters of the United States Regulatory Overreach Protection Act of 2014, and had I been present would have voted against the legislation offered by Mr. SOUTHERLAND.

I am concerned that this legislation would prevent both the current and future Administrations from undergoing a rulemaking process to clarify enforcement of Clean Water Act protections of streams and tributaries around the country. This rulemaking process is necessary to clarify what is now an unclear and confusing set of guidelines as to which waterways fall under jurisdiction of the Clean Water Act.

The small streams, wetlands, headwaters, and tributaries that are affected by this ruling flow into the drinking water of over 117 million Americans, support businesses and recreation, and are crucial habitats for wildlife, including in my home state of Rhode Island. The Administration has undergone an open and transparent process, including a lengthy public commentary period that is still underway, to come up with a rule that more clearly defines which waterways are under jurisdiction of the Clean Water Act, in order to protect our country's drinking water supply and waterways from pollution, actions that benefit every American. Preventing the Executive Branch from clarifying this issue jeopardizes the safety of waterways across the country.

Additionally, I strongly oppose H. Res. 644, condemning the President for the prisoner exchange of five Guantanamo Bay prisoners for Sergeant Bowe Bergdahl, and had I been present I would have voted against it. As Commander in Chief of the U.S. Military, the President has a constitutional responsibility to protect the lives of U.S. servicemembers, as well as the lives of U.S. citizens abroad. While Members of Congress may not agree with the President's decision, a resolution calling his actions illegal is hardly helpful or useful at this time. And the fact remains, an American soldier is home safely because the President took seriously his constitutional responsibilities to protect American lives.

The decision made by the President was made in close consultation with Secretary of Defense Chuck Hagel and Chairman of the Joint Chiefs of Staff General Martin Dempsey. Sergeant Bergdahl had been held prisoner by Taliban forces since 2009. It was determined that there was a very narrow window of opportunity to ensure his safe return. General Dempsey has said that the opportunity to make a prisoner exchange for Sergeant Bergdahl represented the best and last chance to ensure his freedom. When con-

fronted with the decision to either ensure Sergeant Bergdahl's safety, or allow him to die in enemy captivity, the President decided to act in order to save his life.

When we send our brave men and women in the Armed Services onto the field of battle, we send them with the assurance that we will never forget their sacrifice, and that we will leave no man behind. The President has demonstrated true leadership by honoring this pledge. I do not believe it is appropriate for Congress to undermine that leadership, or that pledge.

TRAFFICKING AWARENESS TRAINING FOR HEALTH CARE ACT OF 2014

HON. RENEE L. ELLMERS

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 9, 2014

Mrs. ELLMERS. Mr. Speaker, today I am introducing the Trafficking Awareness Training for Health Care Act of 2014. This bill will improve the health care system's ability to recognize and respond to victims of trafficking by providing health care professionals with the knowledge and training they need to deal with this modern day form of slavery.

We know that the victims of sex and labor trafficking in the United States suffer from wide-ranging physical and mental health problems. In one study, over 87% of these victims have sought care from an emergency ward in a hospital, a neighborhood clinic, or a family physician. Because of this, these health care professionals are in a unique position to identify trafficking victims and help them recover.

At the same time, we are also discovering that healthcare providers and professionals remain unaware of sex trafficking and the role that they can play to help them. In fact, even when medical personnel think they have identified a victim, which is only about half the time, they don't know how to help or are not even aware that there are protocols in place to refer them to others for help. This is even more distressing because the medical professional is probably the one expert most likely to encounter a victim at some point during their enslavement.

Although trafficking is demonstrably expensive to our society—and a debilitating public health issue—current federal law does not require medical care professionals to receive training regarding the nature and scope of sex trafficking in this country. Nor does current law require health care professionals to be trained to identify possible trafficking victims, nor how to respond to victims if they are able to identify them. My bill would take the first necessary steps to make this training available.

The Trafficking Awareness Training for Health Care Act mandates that HHS take steps to develop evidence-based protocols to recognize and respond to victims of trafficking. It also sets up a comprehensive pilot program to test these protocols and determine whether or not the protocols will actually result in victim identification and rescue. Those protocols that are shown to be evidence-based can then be taught to health care professionals as part of their medical and nursing school curriculum. They can also be included in continuing-education modules.
