McCarthy (NY)

□ 1312

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated for:

Mr. FORTENBERRY. Mr. Speaker, on roll-call No. 495 I was inadvertently detained during rollcall No. 495 and missed the vote. Had I been present, I would have voted "yes."

LEGISLATIVE PROGRAM

(Mr. MCCARTHY of California asked and was given permission to address the House for 1 minute.)

Mr. MCCARTHY of California. Mr. Speaker, yesterday, I announced that we were delaying consideration of the continuing resolution so all Members could be briefed on the President's request for additional authorities related to ISIL as part of the continuing resolution.

Members received a bipartisan classified briefing this morning. I know many are still digesting that information and getting their questions answered regarding this threat and our response.

In order to properly consider the President's request and act on the continuing resolution, Members are advised that the House will now meet on Monday at 2 p.m. for legislative business with votes at 6:30 p.m. on suspensions.

Members are advised that the House may consider legislation related to the President's request and the continuing resolution as early as Tuesday.

These are changes from the previously announced House schedule.

Mr. HOYER. I thank the gentleman for yielding.

The gentleman and I have discussed this, and I believe he has taken the appropriate action in this instance, and we certainly support his determination.

Mr. MCCARTHY of California. I thank the gentleman for working together on this.

The one thing we know, this is a threat, and this House will act as one as Americans, and I look forward to continuing to work on it.

ENHANCE LABELING, ACCESSING, AND BRANDING OF ELECTRONIC LICENSES ACT OF 2014

The SPEAKER pro tempore. Without objection, 5-minute voting will continue.

There was no objection.

The SPEAKER pro tempore. The unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 5161) to promote the non-exclusive use of electronic labeling for devices licensed by the Federal Communications Commission, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Ohio (Mr. LATTA) that the House suspend the rules and pass the bill.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 402, nays 0, not voting 29, as follows:

[Roll No. 496]
