

However, the Judiciary and Resources Committees once again supported American Samoa's interests by unanimously passing H.R. 982 in the 108th Congress and I am thankful that my friends, both Republican and Democrat, also voted in favor of H.R. 982 when this matter was brought to the House Floor for consideration. This legislation is beneficial and critical to the needs of American Samoa and in due time will help us build and strengthen our local economy.

At this time, I thank my friends, especially Senator Harry Reid, Assistant Democratic Leader of the U.S. Senate who responded to my letter dated September 20, 2004 in which I requested his support in bringing H.R. 982 to the Senate floor for passage. The Senate Finance Committee favorably reported the bill on July 20, 2004 and placed it on the Senate Calendar for consideration and vote. As Assistant Democratic Leader, I am thankful that Senator Reid was able to hotline this bill.

I also appreciate the support of Senator Charles Grassley, Chairman of the Committee on Finance, and Ranking Member Max Baucus for supporting the bill. This bill is good news for American Samoa and, again, will encourage more investment in the Territory. Now that this bill has passed both the House and Senate, H.R. 982 now awaits the President's signature which I am confident will be forthcoming, the Congressman concluded.

TRIBUTE TO KENNY HALE

HON. TODD ROKITA

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 2, 2014

Mr. ROKITA. Mr. Speaker, I rise today to recognize and salute a notable Hoosier, Mr. Kenny Hale, for his retirement from public service, most recently as President of the Morgan County Council. I wish to express my heartfelt gratitude and appreciation for his leadership and service to our community, state, and country.

Kenny was first elected to the Morgan County Council in 1999, and assumed a leadership role immediately. He served as the council's Vice President for his first six years on the body and has served as President for the past ten years. He also served as the county's plan director, 911 coordinator, floodplain administrator, county purchasing agent of land acquisition, and heavy equipment operator. In addition to serving the people of Morgan County, Kenny is an ASE and Moog Certified Technician, and a Certified Welder.

Kenny's leadership was critical in the county's coordinated response to several unforgettable disasters over the years, including the devastating F-3 tornado in 2002 and the massive floods of 2008. His generosity and expertise even extended outside of the county to fellow Hoosiers following the disastrous 2010 tornado that claimed lives in Henryville, Indiana.

Kenny has been recognized by his community and peers over the past several years. The Morgan County Sheriff's Department awarded him for coordinating the Jefferson Township Crime Watch program. He has been recognized by the Association of Indiana Counties as Outstanding County Councilman in 2004, and other organizations for his leadership, achievement and community service.

Kenny has been a dedicated public servant and I wish him well during his well-deserved

retirement from public service, though I suspect we will see his continued leadership in the community for years to come. Thank you, Kenny, for your service and leadership.

COMMENDING KRISHNA BHADRIRAJU

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 2, 2014

Mr. OLSON. Mr. Speaker, I rise to congratulate Krishna Bhadriraju for appreciating the value of life at the young age of four and working to save the life of an injured bird.

Krishna documented his care of a blue jay that he rescued and nursed back to health. The story of healing and the care an individual can provide for another species resonated so strongly that his teachers encouraged him to put pen to paper. The result, produced at age six, is his book, "Krishna Saves a Bird." His compassion and dedication to helping an animal in trouble at such a young age has become an inspirational opportunity to show other children the value of helping others and tapping your creative skills.

I commend Krishna Bhadriraju for using his experience to inspire action in others. On behalf of the residents of the Twenty-Second Congressional District of Texas, I again congratulate Krishna on the completion of "Krishna Saves a Bird." We are grateful for his work to promote kindness and compassion.

HISTORICAL RECORD OF CITIZENSHIP ISSUE IN AMERICAN SAMOA

HON. ENI F.H. FALEOMAVAEGA

OF AMERICAN SAMOA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 2, 2014

Mr. FALEOMAVAEGA. Mr. Speaker, I rise today to include, for historical purposes, the

following information about the citizenship issue in American Samoa.

[Press Release, June 11, 2008]

WASHINGTON, D.C.—FALEOMAVAEGA RESPONDS TO GOVERNOR TOGIOLA'S COMMENTS ABOUT CITIZENSHIP LEGISLATION

Congressman Faleomavaega announced today that he is clarifying the intent of H.R. 6191, a bill he introduced to make it easier for U.S. nationals living in American Samoa to become U.S. citizens, if they so choose.

"Recently, the Governor has publicly expressed that he strongly opposes the legislation and, while I respect his right to oppose, I disagree with his position," Faleomavaega said. "Also, given that the Governor has made statements that are not factual, I believe it is important to clear up the misinformation he has relayed to the newspapers and radio."

"First, Governor Togiola states that H.R. 6191 will force U.S. citizenship on U.S. nationals. This is not true. H.R. 6191 is about choice, not force, and only applies to those U.S. nationals living in American Samoa who choose to become U.S. citizens if they wish to apply."

"Secondly, the Governor states that this legislation is contrary to the findings of the Future Political Status Study Commission which recommended that American Samoa not seek U.S. citizenship for its people at this time. Again, this is false. H.R. 6191 does not make citizenship automatic for American Samoa's people. H.R. 6191, which my staff hand-delivered to Governor Togiola's office on June 7, 2008, states that the intent of this legislation is to allow nationals to become citizens by more expeditious means. In other words, it speeds up the process. It does not make citizenship automatic."

"For those nationals who choose to become citizens, H.R. 6191 speeds up the process by doing away with certain requirements and treating nationals like nationals rather than foreigners. As the law now stands, in order for a national to become a citizen, our people must follow the same procedures as aliens, or foreigners, and this is not right since nationals owe permanent allegiance to the United States."

"For nationals living in American Samoa, it is not right that our people are currently required to pass an English proficiency and civics exam given that American Samoa's education system is patterned after that of public schools in the U.S."

"Also, our people should not be required, as they now are, to move to the mainland to pass the residency requirement. Our people already live in a U.S. Territory and should not be subjected to the financial hardship and burdens of moving to California or Hawaii or elsewhere just to establish residency. While the Governor may believe that our people should be treated like foreigners and forced to move and take exams, I do not and this is where we disagree."

"I believe the provisions of physical residency and exams should be waived, and this is what H.R. 6191 does. H.R. 6191 waives the requirements of physical residency but keeps in place all other provisions of section 316 as to good moral character, etc. H.R. 6191 also makes sure that U.S. nationals are required to file an application, complete an interview, be fingerprinted, take an oath and meet all other requirements as expressed in the Immigration and Nationality Act."

"Regarding the Governor's concerns about H.R. 6191 opening up the floodgate to foreigners, I am pleased that after all these years the Governor has finally agreed to stop the flow of foreigners entering the territory if H.R. 6191 is passed. If H.R. 6191 accomplishes nothing else, it has been well worth the effort because ASG should have closed
