Mr. SAM JOHNSON of Texas. Mr. Speaker, I rise today to honor retired United States Army Chief Warrant Officer 2 William C. Smith who passed away on Friday, November 28, 2014.

William "Bill" Smith made the decision at a young age to join the military and serve our country. After graduating from high school, he enlisted to serve in the United States Army.

Soon after joining the Army, Bill came back home to marry his 3rd grade sweetheart, Mona Joye Swanson of Mount Jewett, Pennsylvania. He was named Honor Graduate in 1951 at his graduation from the Non-Commissioned Officer (NCO) Academy, achieving the highest grades in all phases of the course. He also attended Winona State University in Minnesota. Bill continued to serve in the Army for 22 years at duty stations in New York, Massachusetts, Oklahoma, Colorado, Texas, Pennsylvania, Minnesota, Germany, and Korea.

In his later military years, he served in Bravo Battery, 3rd battalion (Hercules), 68th Artillery, Army Air Defense Command, as a Nike missile technician, and retired as a Chief Warrant Officer 2. During his service he was awarded with an Army Commendation Medal, National Defense Service Medal, Army Forces Reserve Medal, and an Expert Missile Man Badge.

After leaving the military in 1968, Bill accepted a job with Texas Instruments (TI) and the family settled in Plano, Texas. He worked for TI until 1990, when he retired after 22 years, attaining the "Gold Badge" level.

On November 28, 2014, William Carl Smith was laid to rest. His legacy will live on for many generations, as Bill is survived by his and Mona's nine children, 20 grandchildren, 24 great-grandchildren, and many nieces and nephews. He will forever be remembered as a caring man who cherished family values and who was dedicated to serving our Great Nation.

America thanks Bill and his family for their service and sacrifice on behalf of our country.

As I close, I ask everyone to continue praying for our country during these difficult times. I also ask everyone to pray for our military men and women who protect us from external threats and our first responders who protect us from internal threats right here at home.

God bless our military men and women, and God bless the United States of America.

HONORING THE FRALINGER
STRING BAND'S 100TH ANNIVER-
SARY

HON. ROBERT A. BRADY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 9, 2014

Mr. BRADY of Pennsylvania. Mr. Speaker, I rise today to honor the Fralinger String Band as it celebrates its 100th anniversary on December 18, 2014.

The Fralinger String Band was founded on December 18, 1914 by a group of young men playing music on a street corner in South Philadelphia where physician Dr. John Fralinger operated a neighborhood drug store, in the heart of Pennsylvania's 1st Congressional District. The doctor, known for his interest in promoting promising youth, would sponsor the band. The J.J. Fralinger String Band would make its debut in the New Year's Day Mummings Parade, a Philadelphia tradition, on January 1, 1915, just two weeks after its founding.

The band has won an unmatched 16 first-place prizes in the Mummer's Parade in the last 50 years, and was the first string band to use the saxophone and the first to appear in a major motion picture. The band served as a goodwill ambassador for Philadelphia and traveled throughout both the United States and the world, in Miss America Pageant Parades, and the International Chinese New Year Parade in Hong Kong.

Over its 100-year history, the Fralinger String Band has been led by the friends and family members of Dr. Fralinger and operates today as a non-profit corporation run entirely by volunteers. The band's clubhouse is still located in the heart of South Philadelphia, just feet from the original Fralinger Pharmacy.

I invite you and all of my colleagues to join me in commemorating the 100th anniversary of the Fralinger String Band. May its commitment to performing for and entertaining people
