

Mr. Speaker, I ask my colleagues to join me in recognizing Sheriff Oliver Parker, Jr. for his dedication in being a respected community leader.

MOTOR TRANSPORTATION  
COMPANY 100TH ANNIVERSARY

**HON. LOU BARLETTA**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 11, 2014

Mr. BARLETTA. Mr. Speaker, I congratulate the Motor Transportation Company as they celebrate their 100th anniversary.

The Motor Transportation Company, founded in 1914 by Leon Dotter, began with a mail route from Lehigh to Stroudsburg. Leon also hauled coal from the Harwood Mines to bins in the Hazleton Steam Heating Co. and transported coal miners throughout local coal mining villages. Following the economic devastation of the Depression and the decline of the coal industry, Herman Dotter, a veteran who served in the U.S. Marine Corps, shifted the company's focus to school busing while still ensuring residents of the Hazleton area had access to first-class transportation. In 1959, Motor Transportation achieved national recognition by winning Fleet Owner Magazine's color design award, no doubt due in part to the company's signature "orange wheels." In 1978, Herman developed Hazleton Area Transit, providing service from Hazleton to the surrounding areas, and he also promoted tourism into the region's historic coal mining area. Currently, third generation Lee Dotter and Lori Dotter Yanuzzi run the company and maintain the organization's commitment to providing quality service, mainly focusing on tourism.

Mr. Speaker, on the 100th anniversary of its founding, I thank all of the members of the Motor Transportation Company, past and present, for their hard work and continued efforts to provide quality transportation services and tours for the people of Northeast Pennsylvania, and I wish the organization many more years of successful service.

IN RECOGNITION OF STATE REPRESENTATIVE VICKI BARNETT FOR TWENTY YEARS OF SERVICE TO THE PEOPLE OF FARMINGTON HILLS AND MICHIGAN

**HON. GARY C. PETERS**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 11, 2014

Mr. PETERS of Michigan. Mr. Speaker, I rise today to recognize a valued public servant to the people of Michigan, my dear friend, State Representative Vicki Barnett. After twenty years of service to the residents of the Greater Farmington area at both the local and state level, Vicki is preparing to embark upon new endeavors.

Prior to her embarking upon her journey of public service, Vicki worked as a financial planner, helping her clients realize their goals through making sound investments, a profession she has continued during her tenure as an elected official. Vicki is also a licensed accident, life and health insurance agent.

As a person who cares deeply for the well-being and vitality of her community, Vicki sought to make a difference in Farmington Hills, one of Oakland County's most populous and diverse cities, and was elected to the Farmington Hills City Council in 1995. She went on to serve as a Councilwoman for eight years before the voters of Farmington Hills elected her their mayor in 2003. While serving as mayor, Vicki worked to revitalize her community by creating a long-term economic master plan that focused on encouraging mixed-use developments and increasing commercial density—plans which put Farmington Hills at the forefront of these efforts. In recognition of her strong record of service and results, she was named the President of the Michigan Municipal League from 2006 to 2007 and was named one of Detroit's most influential women by Crain's Magazine in 2007.

Following her time in city government, Vicki went on to continue the legacy of another great Farmington Hills Mayor in Lansing and public servant, Aldo Vagnozzi, a man who also served as her mentor. I know it was a great honor for Vicki to be entrusted to succeed Aldo both as Mayor and later as Farmington and Farmington Hills' voice in Michigan's House of Representatives in Lansing. In that role, she has continued her exemplary commitment to public service, working across the aisle as an advocate for strengthening public schools, leveraging Michigan's resources to draw new industries to the state, and protecting communities' abilities to provide essential services to their residents. In recognition of her outstanding leadership, she was named the 2012 Legislator of the Year by the Police Officers Association of Michigan.

I have been so fortunate to have a partner at the state level like Vicki, who has been a strong voice and valuable resource for the people of Michigan. With experience that transcends multiple levels of government, her advice on the issues affecting the state of Michigan has been invaluable.

Mr. Speaker, as a public servant, I know that our local elected officials are dedicated to the communities they serve. Vicki has demonstrated this throughout her tenure of service to the people of the Greater Farmington area and Michigan. I know her passion and reason will be greatly missed by her colleagues in the Michigan Legislature, but as someone who cares deeply for her community, I know Vicki will continue to be involved in endeavors that seek to strengthen the City of Farmington Hills and other municipalities across Michigan. I wish her success in her new endeavors and look forward to continuing to work with her for the people of Michigan.

HONORING CONGRESSMAN RUSH  
HOLT

**HON. BETTY McCOLLUM**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 11, 2014

Ms. McCOLLUM. Mr. Speaker, today I rise to pay tribute to the career of Congressman RUSH HOLT.

During his time in the House, Congressman HOLT has been a leader on protecting the environment and his voice on this important issue will be sorely missed. A research physi-

cist by training, his constituents are known to boast bumper stickers proclaiming "My Congressman IS a Rocket Scientist." I know we have all benefited from RUSH's intelligence and wisdom during his time in office.

I was fortunate to have the opportunity to work with RUSH on protecting our environment. His perspective as a scientist has enriched the debate over conserving our natural resources and seeking clean sources of alternative energy. I wish him the best in his new role as CEO of the American Association for the Advancement of Science, a cause that is close to his heart.

Mr. Speaker, please join me in honoring the service of Congressman RUSH HOLT in the United States House of Representatives.

HONORING CHARLES MCLIMANS  
AND LOAVES AND FISHES COMMUNITY SERVICES

**HON. BILL FOSTER**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 11, 2014

Mr. FOSTER. Mr. Speaker, I rise today in honor of Charles McLimans, the President and CEO of Loaves & Fishes Community Services in Naperville, Illinois.

Loaves & Fishes is a nonprofit community organization that has become an institution for Naperville and DuPage County for both the population it serves and the over 1,500 volunteers that help every year. The Loaves & Fishes Community Pantry provided aid to over 18,000 people in 2012–2013, handling over 3 million pounds of groceries. Additionally, the organization's Pathways to Empowerment program assists people in accessing vital community services and training courses.

Mr. McLimans is stepping down as President and CEO on January 9, 2014 after seven years leading the organization. Under his leadership, Loaves & Fishes has moved to a new home, added additional services such as healthcare counseling and computer classes, and expanded its coverage to serve all of DuPage County.

I would like to thank Charles McLimans for his service to our community and for his tireless efforts in the fight against hunger.

TRIBUTE TO JOHN KNOCHEL

**HON. TODD ROKITA**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 11, 2014

Mr. ROKITA. Mr. Speaker, I rise today to recognize and salute a notable Hoosier, Mr. John Knochel, who after years of service to Tippecanoe County, Indiana, will be retiring on December 31, 2014. On behalf of the citizens of Tippecanoe County, I wish to express our heartfelt gratitude and appreciation for his leadership and service to our community, state, and country.

John is a lifelong Hoosier and Tippecanoe County resident. He served as District 1 Tippecanoe County Commissioner since 1997. During those 17 years, he oversaw the construction of the County Parking Garage and organized the development of the Tippecanoe

County Community Corrections Center. Previously, he served the people of Tippecanoe County as a member of the County Council for two terms. During his time on the council, he oversaw the remodel and renovation of the Tippecanoe County Office Building and the unique and historic County Courthouse. His past service on the Tippecanoe Board of Directors helped keep energy affordable to Hoosier families. He also shared his love of literature with younger generations while a member of the Tippecanoe Library Board.

I have known John and his family since the very beginning of my public service career. He has always been willing to share advice on a variety of good government measures. He is a role model for his friends, family, leaders in the community, and the citizens of Tippecanoe County.

I am honored to congratulate him on his retirement and thank him on behalf of the people of Tippecanoe County for his years of service to his community, his goodwill, and dedication in helping make Indiana a better place to live. John, thank you for sharing your talents and generosity in service to the Greater Lafayette area.

A TRIBUTE TO THE PEOPLE OF  
THE THIRTY-SIXTH DISTRICT OF  
TEXAS

**HON. STEVE STOCKMAN**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 11, 2014*

Mr. STOCKMAN. Mr. Speaker, as I deliver my last speech as a Congressman for the 36th District of Texas, I want to begin by once again thanking the people of Southeast Texas for giving me the honor of representing them.

Our oil produces everything from the gas you put in your car to the PVC in an antifracking bumper sticker. We build the spacecraft that explore the stars and the freighters that serve every port in the world. The 36th District's powerful economic reach goes around the world and even into space.

But we in Southeast Texas aren't just known for giving birth to NASA and the world's oil industry. We are also known for fighting for what we believe in no matter the odds.

I first came to Congress in 1995. The man I defeated was a 42-year incumbent, the Chairman of the Judiciary Committee and the most senior Democrat in Congress in one of the most heavily Democrat districts in America. The district had never in 100 years elected a Republican, and he remains the most senior member of Congress to have been defeated in a general election.

I overcame similar odds to return here in 2012. We defeated the President of the Texas Senate in a district he had drawn for himself and was supposed to win without a runoff. We forced a runoff, without him in it, where I defeated a millionaire who outspent me 15 to 1.

My election to this Congress had the lowest dollar-per-vote of any winning federal campaign in America, despite having to face three elections, two of which I was not favored to win.

Those two victories over improbable odds prove anything is possible, if you know how to fight for it.

I bring this up because this Congress faces a monumental fight. The very survival of our constitutional republic is in question.

Will this Congress allow Barack Obama to centralize authority in the White House under an imperial Presidency, or will we take back our Constitutional Republic?

Too many in this chamber are perfectly happy to let Obama render them irrelevant.

I am not one of them. I didn't come here to settle in. I came here to upset things.

I introduced several measures that would restore our congressional oversight and our constitutional republic.

When Barack Obama used Executive Orders to violate the Second Amendment, I fought back. Working with Senator RAND PAUL, I introduced the Restore the Constitution Act, which would nullify any executive action and prohibit funding of any action that oversteps the President's constitutional authority.

I also introduced the Second Amendment Protection Act of 2013 to prohibit all UN funding as long as they continue to target peaceful gun owners, as well as the Safe Military Bases Act to allow our soldiers to carry firearms to stop terrorists.

I introduced the first-ever Sanctity of Life Act in 1995, and brought it back to this Congress, to declare that life begins at conception and to end the tragedy of abortion.

I introduced H. Res. 306, which would have forced a vote on establishing a Select Committee to investigate President Obama's bungled response to the terrorist attacks on our consulate in Benghazi, Libya. The public pressure created by that eventually led to a House investigation of the terrorist act.

I introduced the Virtual Currency Tax Reform Act and the Cryptocurrency Protocol Protection and Moratorium Act to protect the emerging technologies of alternative currencies, which will eventually lead to greater prosperity and economic opportunity for all.

And I introduced the Audit the Fed Act, to require transparency and accountability in the Federal Reserve System.

I helped lead the battle against amnesty for illegal aliens in every possible way. I was able to block the 2013 Senate amnesty bill—which was on a fast track to passage—with the 'blue slip' procedure, resulting in the Chairman of the House Ways and Means Committee declaring the bill in violation of the Constitution.

This year I inspected and reported my findings about our porous border and the inhumane facilities which were used to house illegal alien children. In addition, my SECURITY Act would build the 2,000 mile border fence and eliminate many of the so-called magnet benefits, which would dramatically reduce if not halt illegal immigration.

I also filed five resolutions seeking to force the President, Attorney General, Treasury Secretary, FEC Chairman and Defense Secretary to turn over all emails in their or in the NSA's possession which were sent to or from former IRS official Lois Lerner. Since then, the supposedly lost emails have been uncovered.

The IRS' actions amount to a crime, and one that the highest official should be accountable for.

These acts and resolutions are needed now more than ever, because these next two years will be among the most perilous in American history.

As we saw in the ongoing IRS scandal, the left in America seems intent to use the government to target citizens who speak out.

They did it to Ted Stevens. They did it to Tom DeLay. They're doing it to Rick Perry. And they will do it to you.

This Congress and the next must rein in those activists who weaponize the government to target opponents.

From the IRS to the EPA to the FEC, politicians are perverting the mission of federal agencies. Instead of administering laws passed by Congress, federal agencies are now used to target those whose ideas differ from those in power.

This perversion of power extends to the targeting of law-abiding gun owners by political activists in the Justice Department, the targeting of landowners by political activists in the Interior Department and EPA, and the targeting of people of faith by virtually all federal agencies.

Liberals are building an America where government is used to settle scores and stifle opposing ideas.

Congress must fight back.

We must protect, and restore the Second Amendment by repealing anti-gun laws and reining in a rogue Justice Department.

We must protect the right to life by passing a Human Life Amendment to the Constitution and repealing Obamacare.

We must protect a free economy by passing a REINS Act to take away the power of bureaucrats to make up and enforce their own laws, and by repealing all laws and government agencies not explicitly spelled out in Article I, Section 8 of the Constitution.

And this Congress and the next must restore a Constitutional Presidency by taking back powers usurped by the White House and repealing all Executive Orders that defy the Constitution.

Just because I won't be here in the well doesn't mean I won't continue to fight.

And we must fight more ferociously than ever if we are to save this constitutional republic.

It has been an honor to serve with you all. Thank you for this opportunity to speak, and I pray that the members of the 114th Congress will fight with fire in their bellies for the life of our Republic.

HONORING LAMBS OF GOD, INC.

**HON. BENNIE G. THOMPSON**

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 11, 2014*

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a landmark establishment within the Clinton community that provides one of the most critical and essential services for all working parents: Lambs of God, Inc.

Lambs of God, Inc., formerly known as Agape' Childcare, was established on August 1987 by Jessie and Shirley Burns of Bolton, Mississippi. Over the past two decades, the establishment has changed ownership and name twice, but the quality of childcare and nurturing has continued to grow for over 20 years. In 1998, Victor and Cantrell Keyes, also of Bolton, Mississippi, became the new owners and changed the name to Agape Christian Academy. In June 2005, Kenneth and Vickie Lewis of Clinton, Mississippi became the establishment's present day owners and renamed the business Lambs of God, Inc.

Over 1000 children have been served and ministered to through Lambs of God, Inc.
