LOUISIANA NATIONAL GUARDSMEN REMEMBERED

HON. GARRET GRAVES

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 17, 2015

Mr. GRAVES of Louisiana. Mr. Speaker, I rise today to remember the lives and service of eleven Guardsmen and Marines who were lost to us on March 10, 2015, when their UH-60M Black Hawk helicopter crashed off the coast of Florida during a training exercise.

The lives of these brave service personnel, who perished while serving our country, are remembered by my colleagues Congressman WALTER JONES of North Carolina and the North Carolina delegation, the state which is home to those Marines who trained at Camp Lejeune, and Congressman JEFF MILLER of Florida and the Florida delegation, the location of the sad incident.

I am joined by the Louisiana delegation on the House floor today to share with our colleagues the memory of our Louisiana Guardsmen, to stand silently in a moment of prayer, and to state for the record the poignant words of Louisiana Adjutant General, Major General Glenn Curtis, who eloquently memorialized the honorable service of our Louisiana Guardsmen in his March 16, 2015, statement, which is submitted for the RECORD herein:

Four Louisiana National Guardsmen from the 1st Assault Helicopter Battalion, 244th Aviation Regiment who died in a training accident, March 10, have been identified.

Chief Warrant Officer 4 George Wayne Griffin Jr, 37; Chief Warrant Officer 4 George David Strother, 44; Staff Sgt. Lance Bergeron, 40; and Staff Sgt. Thomas Florich, 26; died when a UH-60M Black Hawk they were riding on crashed into the Santa Rosa Sound, Florida.

"These Guardsmen represent the best of us," said Maj. Gen. Glenn H. Curtis, the adjutant general of the Louisiana National Guard. "These are brave men, true men. These Heroes' names will forever be etched on our hearts and in our minds."

Griffin, of Delhi, joined the Louisiana National Guard in 1994. He deployed to Iraq in 2004-2005 and again in 2008-2009. He also served during state deployments during Hurricanes Katrina, Rita and Isaac as well as in support of Operations River Guardian and Deepwater Horizon.

Griffin commissioned as a warrant officer in 1999 before going on to become the battalion standardization pilot with over 6,000 flight hours, including more than 1,000 combat hours.

"G Wayne Griffin was born to be an Army Aviator," said Chief Warrant Officer 5 Reggie Lane, commander of Detachment 38, Operational Support Airlift Command. "As one of

the most talented and respected Warrant Officers in the Louisiana National Guard, he had a tremendous passion for flying, and a God-given natural ability to fly both helicopters and airplanes and to teach others to be the best aviators and crewmembers that they could be.

"He was a great friend and brother to all. With his loss, there will be a void that may never be filled."

Griffin is survived by his wife, four children and father.

Strother, of Alexandria, served in the Louisiana National Guard from 1988-2007, and again from 2009 until his death. He deployed to Iraq in 2004-2005, Afghanistan in 2011 and Kosovo in 2014. He also served during state deployments for Hurricanes Katrina, Rita and Isaac.

Strother commissioned as a warrant officer in 1994 before going on to become an instructor pilot with over 2,400 flight hours, including more than 700 combat hours.

"To describe Dave Strother as a big personality would not be accurate. He was more like a force of nature that could best be observed and marveled at, never opposed or altered," said Maj. Andre Jeansonne, commander, F Co., 2nd Battalion, 135th Aviation Regiment. "His huge heart touched the lives of all he met."

Strother is survived by his wife, son and step-daughter, and mother.

Bergeron, of Thibodaux, enlisted into the U.S. Marine Corps in 1998 before joining the LANG in 2001 as a Black Hawk repairer. His extensive experience as a qualified enlisted flight instructor, graduate of the aircraft crewmember standardization instructor course, aircraft maintainer course, and warrior leader course made Bergeron a crew chief others aspired to be, according to members of his unit.

The combat veteran deployed to Iraq twice, in 2004-2005 and 2008-2009. Bergeron also served during state deployments for Hurricanes Katrina, Rita, Isaac and Operation River Guardian.

According to Sgt. 1st Class Brian Marquez, platoon sergeant, A Co., 1-244th AHB, Bergeron was one of the most qualified crew chiefs in the Guard, with more than 1,300 flight hours, including 377 combat hours.

"Lance was one of the most dedicated crew chiefs that I have ever had the pleasure of serving with during my leadership," Marquez said. "As the senior most standardization crew chief instructor in the Battalion, he was a subject matter expert in his job who exhibited an excitement of learning new skills and educating new unit members on the UH-60 aircraft, pilots and crew chiefs alike.

"Lance was a very family oriented father and husband, and he impacted many in the ranks. He will be greatly missed."

Bergeron is survived by his wife, two children and his parents.

Staff Sgt. Thomas Florich, of Fairfax County, Virginia, enlisted in the LANG in 2007 as a Black Hawk repairer. He was posthumously promoted from sergeant to staff sergeant.

Florich served during state deployments for Operation Deepwater Horizon and Hurricane Isaac. He earned more than 125 flight hours and was a graduate of the warrior leader course.

"Tom was full of life, and his personality could light the room," said Marquez. "He was 'family' with unit members and felt at home working with his brothers in Alpha Company. His dedication to duty and loyalty was without equal, always ready to accept any mission and extra duty in order to help the unit meet the mission. He will be greatly missed by the unit and the flight facility."

Florich is survived by his wife, father and stepmother.

"These are not ordinary men. They were extraordinary people, as well as amazing aviators and crew chiefs," said Lt. Col. John L. Bonnette II, commander of the 1-244th. When I say they were heroes, I mean it many times over. They risked their lives under difficult conditions flying in combat, and during national emergencies, to ensure our security and help save thousands of people. I don't have the words to sum up their lives in a few sentences. You just can't.

"Our whole aviation family is reeling from this loss, the hole that is left is enormous. They were part of the fabric of this unit, the difference they made with everyone they served with will be a lasting legacy. Personally flying with all of them was a privilege and honor—I am a better person for having known them."

These aviators had a camaraderie that was second to none in the military.

"This crew was made up of larger-than-life men who had a passion for Army Aviation that was so evident in the dedication that they had towards their profession," said Col. Patrick R. Bossetta, commander of the State Aviation Command. I know this as I have personally flown with each one of them. They were driven by their intense desire to selflessly serve their country, fellow Soldiers and Marines.

"Whether flying in combat or during national emergencies, this crew arose everyday with a fever to serve and keep safe the citizens of this great Nation. While their families and our aviation community are heartbroken and immensely suffering over their tragic loss, these heroic men would want us to catch their fever to honorably serve the citizens of this Nation and continue to grow."

"These brave men died doing something they loved. May we all be so lucky, and may they always fly high," said Curtis.

The Louisiana Army National Guard was participating in a routine night-time training exercise with the Marine 2nd Special Operations Battalion. The Black Hawk carrying the four aircrew and seven Marines crashed into the Santa Rosa Sound in Navarre, Florida, March 10.

Griffin's awards and decorations include the Meritorious Service Medal, Air Medal (2nd Award), Army Reserve Components Achievement Medal (6th Award), National Defense Service Medal with Bronze Service Star, Iraq Campaign Medal with two Campaign Stars, Global War on Terrorism Expeditionary Medal, Global War on Terrorism Service Medal, Armed Forces Service Medal, Humanitarian Service Medal (2nd Award), Armed Forces Reserve Medal with Silver Hour Glass and M Device, Noncommissioned Officer Professional Development Ribbon, Army Service Ribbon, Overseas Service Ribbon (2nd Award), Army Reserve Component Overseas Training Ribbon (4th Award), Louisiana War Cross (2nd Award), Louisiana Emergency Service Medal (3rd Award), Louisiana General Excellence Ribbon and Louisiana Longevity Ribbon.
