TRIBUTE TO LARRIE WEST
STALKS

HON. DONALD M. PAYNE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, April 13, 2015

Mr. PAYNE. Mr. Speaker, I ask my colleagues here in the House of Representatives to join me as I rise to pay tribute to Mrs. Larrie West Stalks, and the many contributions she made as a dedicated public servant in Essex County.

Born and raised in Newark, New Jersey, Mrs. Stalks had an extensive career in public service and worked tirelessly to improve the lives of others in her community. In 1974, Mrs. Stalks was elected as Essex County Register of Deeds and Mortgages and served four consecutive five year terms. In her fourth term she was the only African-American Constitutional Officer serving on a County level in New Jersey.

As a trailblazer, she served as Director of Health and Welfare and Executive Secretary of the Newark Central Planning Board, where she became the first African American appointed department head and cabinet member in the history of Newark municipal government. In 1984, Mrs. Stalks achieved another first, when she was elected President of the County Officers of the State of New Jersey. Following her election, she also served on the National Association of County Officer's (NACO) Human Services Steering Committee. Mrs. Stalks was then appointed to the Board of Directors of NACO which represented 48 states.

During her tenure in municipal government, she developed and supervised federally funded anti-poverty programs and instituted Newark's first mobile health unit program, which served as a national model. She then founded the Municipal Career Women of Newark and became a mentor for numerous women who worked in government. Mrs. Stalks spearheaded the development of 426 units of affordable housing and a shopping mall. She also chaired the Long Range Planning Advisory Budget Committee for St. Michael's Hospital.

A staunch democrat, her previous home at 41 Rector Street in Newark was affectionately referred to as "The House for Democrats." Mrs. Stalks resided in the Village of South Orange Township for the past 40 years but she always proudly said, "I am Newark first!" Mrs. Stalks had numerous awards reflecting her civic activities, professional affiliations and political involvement.

Mr. Speaker, I know my fellow members of the House of Representatives agree that Mrs. Larrie West Stalks was an integral part of the growth and development of Essex County. This tribute recognizes her life's work, her stellar career and her personal commitment to improving the lives of her fellow man.

TRIBUTE TO COACH ANDREW
TRENKLE AND THE MAINE
SOUTH HIGH SCHOOL CONSTITU-
TION TEAM

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, April 13, 2015

Ms. SCHAKOWSKY. Mr. Speaker, today I rise to congratulate Coach Trenkle and the Maine South High School Constitution Team for their achievement in winning the Illinois State Title of the "We the People: the Citizen and the Constitution" competition.

This year's competition marks the twenty-third time the Maine South team has won the title in the last twenty-four years.

The "We the People: the Citizen and the Constitution" program, sponsored by the Center for Civic Education, promotes civic competence and responsibility through course study and mock Congressional hearings.

To succeed in this competition, students must demonstrate a deep understanding of Constitutional principles as well as an ability to apply critical thinking skills and to work together. The Maine South team rose to that challenge in winning this competition and I am sure they will apply those same skills to achieve success in the future.

Congratulations to all the members of the 2014-2015 Maine South Constitution team: Coach Andrew Trenkle, Lauren Acker, Anthony Alvizu, Valerie Asimacopoulos, Chris Brendza, Paul D'Ambrosio, Tomy Deeter, Cailin Devereux, Alex Ellyin, Michael Gabel, Victoria Gawedzki, Michael Harris, Dan Hopkinson, Matt Kelly, John Klages, Meghan Martin, Bjorn Olafsson, Guy Olson, Matt Pierucci, Alex Ponder, Jake Ritthamel, Julia Samulak, Mary Grace Sharp, Elizabeth Skoronski, Alex Solberg, Lucie Sullivan, Sabrina Tamas, Mark Tamvakis, Savannah Theil, Isabelle Tobolski, and Melissa Walek.

On behalf of the Ninth Congressional District of Illinois, I congratulate you on your success, and wish you the best of luck in the national competition.

HONORING EVELYN KEISER

HON. LOIS FRANKEL

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 13, 2015

Ms. FRANKEL of Florida. Mr. Speaker, I rise to congratulate Evelyn Keiser, co-founder of Keiser University, who will be inducted into the Florida Women's Hall of Fame, for her dedication to improving the lives of women and all citizens of Florida.

Evelyn was born Evelyn Cahn in Philadelphia, Pennsylvania in 1924. She graduated from Temple University with a Bachelor of Science degree in Medical Technology, one of only a few women in what was then a predominately male field of study. She traveled throughout the United States where her education and ambition for the medical field led to her employment in several hospitals and medical labs.

In 1977, alongside her son Dr. Arthur Keiser, she opened the Keiser School on Oakland Park Boulevard in Fort Lauderdale with one student and 2,400 square feet of classrooms. She took a chance and paved a path for educators to better serve career-motivated students, the state, and specifically the Florida communities in which her students learn, work and raise their families.

Now, 38 years later, her dream has transformed into Florida's second largest independent university. With 15 locations statewide, Keiser serves nearly 20,000 students pursuing doctoral through associate degrees and employing 3,500 staff and faculty. Sixty-two percent of Keiser University students graduate in STEM (Science, Technology, Engineering and Math) and healthcare fields, providing the talented workforce needed for Florida to compete globally. Over 20 percent of students are members of the armed services, veterans, or military family members.

Ms. Keiser has held positions of co-founder, instructor, program director, chairwoman of the board of advisors, and more. Throughout her career, she has received multiple accolades including "Teacher of the Year" and "Educator of the Year." In February 2004, Ms. Keiser was awarded an honorary doctorate from Beijing University citing her commitment to educational articulation agreements between China and the United States.

At 91 years young, Evelyn remains active in the university, serving as Chairwoman of the Board of Advisors. Ms. Keiser is still the first to arrive at the main campus in Fort Lauderdale each morning.

In honor of her dedication and service to South Florida, I am pleased to recognize Evelyn Keiser's legacy of achievement and I wish her continued success.

RECOGNIZING THE SCHOOL DISTRICT OF SOUTH ORANGE AND MAPLEWOOD & THE LINDEN PUBLIC SCHOOLS MUSIC EDUCATION AWARD

HON. DONALD M. PAYNE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, April 13, 2015

Mr. PAYNE. Mr. Speaker, I rise today to congratulate the School District of South Or-

ange and Maplewood and the Linden Public Schools for receiving recognition as one of the Best Communities for Music Education (BCME) from the National Association of Music Merchants (NAMM). This association only recognized 388 school districts around the nation this year and I am very proud of each district's achievement.

The National Association of Music Merchants (NAMM) gives its distinction for outstanding efforts by teachers, administrators, parents, students, and community leaders to emphasize the importance and accessibility that every child have to music education. The BCME program evaluates districts and schools based on funding, staffing of highly qualified teachers, commitment to standards, and access to music instruction.

Music education helps develop educational, cognitive, and social skills. Listening to music strengthens the ability to perceive speech within noise, pay attention, and develop memory abilities. Music exposure reveals different aspects of brain function and addresses language and learning difficulties, such as the neural timing precision between speech syllables.

The School District of South Orange and Maplewood and the Linden Public Schools have done an excellent job in promoting music education and in successfully exceeding any challenges and barriers that may have appeared along their pathway. I hope they continue empowering the community with their leadership and enthusiasm in music education.
