

This rule also provides for further consideration of H.R. 5, the Student Success Act, a reform of our Nation's education system which reduces the Federal Government's footprint in State and local issues and restores control over education back to those on the ground who are best qualified to make the decisions affecting their students, parents, teachers, and communities.

Mr. Speaker, a well-educated workforce is imperative to the health and vitality of both our Nation's children and our economy. The Student Success Act empowers parents, local communities, and State governments to lead the way in fixing America's broken educational system.

H.R. 5 will benefit students, parents, teachers, and school administrators by returning responsibility for student achievement to the States and local communities, while maintaining high standards and expectations for our Nation's students, teachers, and schools.

This is a good, straightforward rule, Mr. Speaker, allowing for consideration of two critical pieces of legislation that will help protect our rural communities, provide much-needed reforms to our education system, and ensure that we are prepared to respond to the devastating and catastrophic wildfires that have plagued many areas of our country. I support the rule's adoption, and I urge my colleagues also to support both the rule and the underlying bills.

Mr. Speaker, I yield back the balance of my time, and I move the previous question on the resolution.

The previous question was ordered.

The SPEAKER pro tempore. The question is on the resolution.

The question was taken; and the Speaker pro tempore announced that the yeas appeared to have it.

Mr. POLIS. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The vote was taken by electronic device, and there were—yeas 242, nays 185, not voting 6, as follows:

SEVENTH ANNUAL CONGRESSIONAL WOMEN'S SOFTBALL GAME

(Ms. WASSERMAN SCHULTZ asked and was given permission to address the House for 1 minute.)

Ms. WASSERMAN SCHULTZ. Mr. Speaker, today I rise to celebrate the congressional version of the Women's World Cup Soccer team, the softball version.

I am here with my colleagues on both sides of the aisle, my teammates, my sisters who played valiantly in the 7th Annual Congressional Women's Softball Game.

Congratulations to the women Members of Congress who beat the press in a shutout game, defending our title in back-to-back victories as Congressional Women's Softball Game Champions.

I want to thank my teammates on both sides of the aisle. They have become my sisters and my friends throughout the whole season.

It is always so amazing to think about what we do over 3 months with the incredibly busy schedules that so many of us have, coming out to practice at 7:00 in the morning, two or three times a week. We did not have a smaller turnout for practice than 10 Members at each practice at 7:00 in the morning. And our hard work paid off.

This is a game that, I know, many of you know is near and dear to my heart.

I know that many of you know this. It bears repeating just because of the reason that we play this game. I was

diagnosed with breast cancer 7½ years ago, and today I am cancer free at 41 years old.

It is really timely for us to be able to focus some attention on breast cancer in young women, given the USPSTF recommendations and the discussions that we are having around making sure that we pay attention and help young women focus on their breast health. That is what this game is all about.

We are so proud to tell you that since we started this game 7 years ago, we have raised about \$700,000 for the Young Survival Coalition. \$200,000 of that was this game.

Without the leadership and dedication of our board of directors and our organizing committee, this game and the money we raise would not have been possible.

I want to specifically thank our board president, Kate Yglesias Houghton, and all the members of board: Atalie Ebersole, Natalie Buchanan, Tori Barnes, and Kristen Buckler. Also, a huge thank you to the members of the organizing committee: Jill Agostino, Sean Bartlett, Gary Caruso, Kayla Dunlap, Katharine Emerson, Ben Gerdes, Jenna Glazer, Kathryn Hamm, Erika Kelly, Jim Kiley, and Dana Paikowsky. A special shout-out to EDDIE PERLMUTTER, who was one of our assistant coaches, and to our cheerleaders.

With that, Mr. Speaker, I yield to the gentlewoman from Alabama (Mrs. ROBY), who for the second time this month and for the second time in the last couple of weeks is actually standing next to me.

Mrs. ROBY. Mr. Speaker, I would like to associate myself with the gentlewoman from Florida's remarks.

I also would like to thank all of our colleagues here in this Chamber today that have not only come out and supported us, but also supported the Young Survivors Coalition as well.

Mr. Speaker, I would like to thank the survivors. Each member of this team played either in memory of or on behalf of someone who is currently struggling with the fight with cancer.

So I would just say to mine, Rhonda McCall Walker, Mr. Speaker, who came from Alabama and attended the game, along with so many others, that we support these individuals. This is a really incredible thing that the Members of Congress do.

Mr. Speaker, to the Bad News Babes, I would just say we are on it for next year, too. So keep your guard up.

I would like to also recognize the gentlewoman from Florida (Ms. CASTOR), who is the MVP. She played an incredible game. And "most improved" is the gentlewoman from Arizona, KYRSTEN SINEMA.
