SUBMITTED RESOLUTIONS

SENATE RESOLUTION 277—RECOGNIZING THE MONTH OF OCTOBER 2015 AS “NATIONAL PRINCIPALS MONTH”

Mr. FRANKEN (for himself, Mr. HATCH, Mr. BOOZMAN, Mr. COCHRAN, Mrs. FEINSTEIN, and Mr. DURBIN) submitted the following resolution; which was considered and agreed to:

S. RES. 277

Whereas the National Association of Secondary School Principals and the National Association of Elementary School Principals have declared the month of October 2015 to be “National Principals Month”;

Whereas principals are educational visionaries, instructional and assessment leaders, disciplinarians, community builders, budget analysts, facilities managers, and administrators of legal and contractual obligations; Whereas principals work collaboratively with teachers and parents to develop and implement a clear mission, high curriculum standards, and performance goals;

Whereas principals create school environments that facilitate great teaching and learning and continuous school improvement;

Whereas the vision, actions, and dedication of principals provide the mobilizing force behind any school reform effort; and

Whereas the celebration of National Principals Month would honor elementary school, middle school, and high school principals, and recognize the importance of principals in ensuring that every child has access to a high-quality education: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the month of October 2015 as “National Principals Month”; and

(2) honors the contribution of principals in the elementary schools, middle schools, and high schools of the United States by supporting the goals and ideals of National Principals Month.

AMENDMENTS SUBMITTED AND PROPOSED

SA 2707. Mrs. SHAHEEN (for herself, Mr. VITTER, and Ms. HIRONO) submitted an amendment intended to be proposed by her to the bill S. 2116, to improve certain programs of the Small Business Administration to better assist small business customers in accessing broadband technology, and for other purposes; which was referred to the Committee on Small Business and Entrepreneurship.

TEXT OF AMENDMENTS

SA 2707. Mrs. SHAHEEN (for herself, Mr. VITTER, and Ms. HIRONO) submitted an amendment intended to be proposed by her to the bill S. 2116, to improve certain programs of the Small Business Administration to better assist small business customers in accessing broadband technology, and for other purposes; which was referred to the Committee on Small Business and Entrepreneurship; as follows:

Strike all after the enacting clause and insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the “Small Business Broadband and Emerging Information Technology Enhancement Act of 2015”.

SEC. 2. FINDINGS.

Congress finds the following:

(1) According to a report by the Federal Communications Commission entitled “Connecting America: The National Broadband Plan”, dated March 2010, the Commission recommends that—

(A) “To fully implement next-generation technology within its operations, the SBA should also appoint a broadband and emerging IT coordinator. This individual would ensure that SBA programs maintain the requisite broadband expertise, tools and training courses to serve small businesses.”;

(B) “Congress should consider ways to leverage existing assistance provided through” entrepreneurial development programs, “to focus training on advanced IT and broadband applications”;

(C) “Congress could also consider ways to support technology training among women entrepreneurs through” women’s business centers;

(D) “The training programs should include an entry-level ‘Broadband 101’ course to give small businesses an introduction to how to capitalize on broadband connectivity, as well as more advanced applications for IT staff.”; and

(E) small and medium enterprise “IT training should include resources for non-IT staff, such as how to use e-commerce tools for sales, streamline finance with online records or leverage knowledge management across an organization.”.

(2) According to a report by the Broadband Opportunity Council, dated August 20, 2015, the availability of and access to broadband technology enables—

(A) greater civic participation, by providing tools for open government and streamlining government process;

(B) changes in how people access educational resources, collaborate in the educational process, conduct research, and continue to learn anytime, anyplace, and at any pace;

(C) improved healthcare access, treatments, and information;

(D) new business models that create business efficiencies, drive job creation, and connect manufacturers and store-fronts to clients and partners worldwide; and

(E) bringing communities together and improvements to public safety, creating a greener planet, and make transportation systems more resilient and efficient.

(3) According to a report entitled “The State of the App Economy”, dated October 2014—

(A) “More than three-quarters of the highest grossing apps are produced by startups and small companies.”; and

(B) “Seventy-eight percent of the leading app companies are located outside Silicon Valley.”.

(4) According to a report entitled, “Developer Economics Q1 2015: State of the Developer Nation”, dated February 2015, “The emergence of the app industry over the past eight years has grown to a \$120 billion economy.”.
