

EXTENSIONS OF REMARKS

HOMEBUYERS ASSISTANCE ACT

SPEECH OF

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 7, 2015

Ms. JACKSON LEE. Madam Speaker, I rise today in strong opposition to H.R. 3192, the Homebuyers Assistance Act, which would delay, until February 1, 2016 enforcement of the Consumer Financial Protection Bureau's (CFPB) integrated rule regarding disclosures that mortgage lenders must provide to homebuyers.

I oppose this legislation for two principal reasons.

First, H.R. 3192 contains a provision that hurts homeowners by removing their private right of action for violations of the CFPB's Truth in Lending Act—RESPA Integrated Disclosure (TRID) regulations.

Second, I oppose the legislation because it is unnecessary since the CFPB has previously announced its intention to take into account good faith efforts by lenders in evaluating compliance by lenders with the TRID regulations.

Madam Speaker, it should be noted that CFPB gave the mortgage industry approximately two years notice to implement the new disclosure requirements, and this past summer extended that deadline until October 3, 2015.

H.R. 3192 would revise the effective date for the Know Before You Owe rule to February 1, 2016, and would shield lenders from liability for violations for loans originated before February 1 so long as lenders made a good faith effort to comply.

In extending the effective date of the Know Before You Owe rule by an additional 4 months, H.R. 3192 unnecessarily delays implementation of important consumer protections designed to eradicate opaque lending practices that contribute to risky mortgages and hurt homeowners by removing their private right of action for violations, and undercuts the Nation's financial stability.

The delay of enforcement harms consumers by encouraging some lenders to attempt to evade the new rule and reduces the incentive to comply promptly.

Having witnessed the economic and financial devastation inflicted on the economy, business, and households in 2008 resulting from inadequate oversight of the financial industry, we simply cannot afford to repeat that mistake.

I urge my colleagues to vote to protect consumers and homebuyers from predatory and unfair lending practices by voting against H.R. 3192.

RECOGNIZING ELIZABETH MATSUMOTO AS 2015 NONPROFIT LEADER

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. HUFFMAN. Mr. Speaker, I rise today to congratulate Elizabeth Matsumoto, who is honored by the Northern California Association of Nonprofits with the 2015 Nonprofit Leader Achievement Award, a recognition she richly deserves.

Elizabeth's commitment to improving the lives of those in need in Humboldt County is noteworthy. Through her work with Housing Humboldt, she has touched numerous lives by increasing access to quality, safe, and affordable housing for lower and moderate-income individuals, families and seniors—a much-needed resource in this rural region.

While obtaining her Environment and Community Master's degree from Humboldt State University, Ms. Matsumoto joined Housing Humboldt in 2003, working on the development of the county's first community land trust homes. Since then she has been integral to the completion of 22 community land trust homes, which provide a unique opportunity for affordable home ownership. She continues to assist with resale and refinancing to keep these homes affordable. Elizabeth's technical expertise and leadership also made it possible for Housing Humboldt to continue to manage and improve 105 affordable apartments throughout the county.

During periods of organizational transition, Elizabeth Matsumoto stepped up to provide stability and guidance as interim executive director, development director, and now as co-executive director while seeing large-scale housing projects through to completion. Most recently, she led the development of the county's first permanent supportive housing complex, which opened in September to serve chronically homeless and extremely low income individuals, including supportive services such as case management to help keep people housed. She forged multiple partnerships and creatively leveraged millions of dollars in investments to bring this dream to fruition.

In addition to her work with Housing Humboldt, Elizabeth Matsumoto has shared her talents with the community through the Humboldt League of Women Voters Board of Directors, Humboldt Tri-Kids Triathlon Organizing Committee, and the Community Gifts Committee for the Alzheimer's Center. She balances her service with being a mom to two young children and enjoying activities such as running, mountain biking, and playing soccer.

Mr. Speaker, Elizabeth Matsumoto's commitment to improving access to safe and affordable housing is commendable and worthy of recognition. I urge my colleagues to join me in extending our congratulations to her.

Mr. LUETKEMEYER. Mr. Speaker, I rise today to ask my colleagues to join me in congratulating New Haven High School on their recognition as a National Blue Ribbon School for 2015 from the U.S. Department of Education.

This award is based on a school's overall academic excellence or progress in closing achievement gaps among student subgroups. CELEBRATING SENATOR AKAKA'S 91ST BIRTHDAY

HON. MARK TAKAI

OF HAWAII

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. TAKAI. Mr. Speaker, today I wish to address the House to say Happy Birthday to a selfless public servant, Senator Daniel K. Akaka. As we celebrate his 91st birthday, let us look back on a few of his numerous accomplishments as a Soldier, teacher and as a Member of Congress.

Born on September 11, 1924 in Honolulu, Hawaii, Senator Akaka has worked ever since as a dedicated civil servant to Hawaii and the United States. During World War II, he served

in the U.S. Army Corps of Engineers. After his military service, he earned his bachelor's degree in education at the University of Hawaii.

As a school teacher and principal, he encouraged the use of the Native Hawaiian language and culture in schools and worked tirelessly to create some of the first Head Start programs in the State. The education of children, especially the Native Hawaiian children, was extremely important to him because he knew that increasing access to opportunity would improve educational outcomes among children.

First elected to the U.S. House of Representatives in 1976, he served there for 14 years until he was elected to the Senate, where he served until he retired in January 2013. Senator Akaka fought endlessly to advocate on behalf of Hawaii, particularly Native Hawaiians, and his work on the Veteran's Affairs Committee combating PTSD and unemployment among Soldiers has had a profound impact on our country.

His commitment to a lifetime of public service in the military, as a teacher and as a United States Senator should be an inspiration and motivation to us all.

We wish Senator Akaka the best for the coming year. Happy Birthday (Hau'oli lā hānau), Senator Akaka.

PAYING TRIBUTE TO THE HEROIC
ACTIONS OF CHRIS MINTZ

HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. HUDSON. Mr. Speaker, I rise today to pay tribute to Chris Mintz—an Army veteran who answered the call when our nation needed him and again when a heartless gunman threatened a community in Oregon.

As a high school football star from North Carolina and a 10-year army Veteran, Chris is known as a tough guy. According to those who know him best, he's always one to "cow-boy up."

And one week ago, on October 1, Chris did more than that. He didn't wake up planning to be a hero, but that's what he became.

When he heard gun shots at his school, he ran towards them, pulling fire alarms and fighting to save others. With dogged determination, he fought to block the shooter from entering a classroom and was shot seven times.

It's clear his incredible bravery and selfless actions saved lives and prevented a far worse tragedy. I applaud Chris for his integrity, self-sacrifice and valor in the face of such evil, and my wife Renee and I send our thoughts and prayers to him and his loved ones.

Mr. Speaker, I would ask my colleagues, as we continue to mourn the dead in Oregon, let's put politics aside and take heart in the heroic acts of this American hero. Chris Mintz deserves our utmost gratitude and respect. Let's give it to him.

IN RECOGNITION OF THE HEROIC
ACTS OF MR. SAMUEL SELL

HON. DAVID P. JOYCE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. JOYCE. Mr. Speaker, I would like to recognize Samuel Sell of Bainbridge Township, Ohio for his heroic actions on September 13, 2015. Samuel was fishing with his cousin at the LaDue Reservoir when he observed an occupied vehicle go into the water, trapping the driver inside. When no one got out of the car, Samuel swam 100 feet toward the car while he asked his cousin to call 911 immediately. He brought a fishing knife out with him to help free the passenger, which he then gave to the emergency responders when they reached the car. Due to his quick thinking and heroic bravery he helped save a man's life. Along with all of the residents of the 14th Congressional District, I commend him for his actions and wanted to record his feat so that it is enshrined for all future generations.

HONORING OCTOBER 8TH AS NA-
TIONAL HYDROGEN AND FUEL
CELL DAY

HON. CHARLES W. DENT

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. DENT. Mr. Speaker, I rise to introduce a House resolution expressing support for today, October 8th, as National Hydrogen and Fuel Cell Day.

Although we are just now developing and implementing new applications for hydrogen fuel cells, this technology has a long and proud history that goes back to the Apollo space missions.

Fuel cells utilize hydrogen without combustion to generate electricity in a way that is clean, efficient, and quiet.

Today, mobile and stationary fuel cell systems produce clean power for vehicles, forklifts, utilities, businesses, and homes.

Stationary fuel cells provide resilient backup power sources for institutions that cannot afford to lose power, such as hospitals. They are increasingly being used as primary electrical sources as well.

Air Products and Chemicals, located in my district, is in the process of deploying 40 hydrogen fueling stations to support the recently announced rollout of hydrogen powered vehicles from several major auto manufacturers.

I have had the opportunity both to drive and fuel these vehicles, and I can say from experience that the process is safe, easy, and surprisingly unremarkable. It's just like driving a traditional car, except the only emission it produces is water.

In closing, I am proud to stand with the innovators of this growing industry as we recognize today as National Hydrogen and Fuel Cell Day.

IN HONOR OF MAYOR JOE BEN-
NETT OF THOMASVILLE, NORTH
CAROLINA

HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. HUDSON. Mr. Speaker, I rise today to honor Joe Bennett, Mayor of the City of Thomasville, located in the 8th Congressional District of North Carolina. Mayor Bennett has been a tireless advocate for the people of Thomasville, and has fully earned the admiration and gratitude of his fellow North Carolinians.

A native of High Point, North Carolina, Mayor Bennett served the Duke Power Company for 36 years before retiring and pursuing a career in public service. After his retirement in 1998, Mayor Bennett ran for and was elected to the Thomasville City Council, where he served two terms before being elected Mayor of the City of Thomasville in 2003.

During his tenure, Mayor Bennett has made job creation and infrastructure development two of his highest priorities. After a period of rapid manufacturing and furniture building job loss in the area, Mayor Bennett was successfully able to bring jobs back to the city with the opening of a large manufacturing facility. Mayor Bennett also led a city-wide initiative, known as "Children at Play," designed to upgrade local playgrounds in order to combat childhood obesity. I have also been told that if there was a celebration in the city of Thomasville, whether it is a large parade, a small church ceremony, or an individual's 100th birthday celebration, Mayor Bennett was there with a smile on his face.

In addition to his service as Mayor of Thomasville, Mayor Bennett has earned his title as

a "civil servant" through his various charitable and volunteer roles. To highlight a few of these roles; he delivers "meals on wheels," serves on the Economic Development Commission of Davidson County, serves on the Community General Hospital Board, and is an active member in the Rotary Club of Thomasville.

Mr. Speaker, please join me today in thanking Mayor Joe Bennett for his esteemed service to the City of Thomasville and congratulating him on his well-deserved retirement.

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. BLUMENAUER. Mr. Speaker, yesterday, I voted for H.R. 3192, the Homebuyers Assistance Act, which will delay enforcement of the Mortgage Disclosure Rule until early next year. While I understand concerns about this legislation and delaying enforcement, even the Consumer Financial Protection Bureau, which drafted this regulation, has delayed the rule and acknowledged that further improvements need to be made. The Motion to Recommit would refine this legislation by ensuring that the path towards legal redress is not blocked for our most vulnerable homebuyers like veterans and seniors, which is why I voted for it as well as the underlying bill. Going forward, it's my hope that the Senate will continue to improve the Homebuyers Assistance Act. The underlying objective of securing a more transparent and consumer-friendly process for home ownership is deeply important. The rule would increase transparency for mortgage lenders and reduce confusion for homebuyers seeking a mortgage, strengthening critical consumer protections. That's why it is necessary to get this right, even it takes a few more months.

HON. DAVID G. VALADAO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

The RCH has also been active internationally and helped to establish two orphanages in Mexico, schools, health clinics, and clean water projects in Guatemala, and build Hope High School in Kenya.

Over the past seventy-five years, the RCH has helped Hanford and its residents thrive.

We are fortunate to have such a committed Rotary Club in our community.

Mr. Speaker, I ask my colleagues in the United States House of Representatives to join me in celebrating the Rotary Club of Hanford's Seventy-Fifth Anniversary.

WELCOMING SOUTH KOREAN
PRESIDENT PARK GEUN-HYE TO
THE UNITED STATES

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. PASCRELL. Mr. Speaker, I rise today on behalf of Northern New Jersey's vibrant Korean American community. I would like to welcome the long awaited visit of South Korean President Park Geun-hye to the United States.

I want to express my deepest condolences to President Park and the people of South Korea for the deadly Middle East Respiratory Syndrome (MERS) outbreak, which infected 186 people and tragically claimed 36 lives.

As we mourn this heartbreaking loss, I was encouraged to learn that the last South Korean patient previously diagnosed with MERS has tested negative for the virus and has showed a complete recovery from the disease.

It is my hope that this visit will provide a venue for our countries to find new areas of cooperation in protecting our environment, improving global responses to health crisis, and for continued engagement on regional security that will bolster our nation's relationship in the 21st century.

I am proud to represent one of the largest Korean American communities in Congress because they have made significant contributions to the success of our nation and have enriched our heritage through their unwavering patriotism, strong values and entrepreneurial spirit.

I look forward to President Park's visit and will continue to be a strong advocate for my constituents so we can make New Jersey and our nation a better place for all.

INTERNATIONAL PLASMA
AWARENESS WEEK

HON. DORIS O. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Ms. MATSUI. Mr. Speaker, International Plasma Awareness Week will occur October 11 to 17, 2015. Around the world, there will be observances to raise global awareness of the crucial need for plasma to create lifesaving therapies, recognize that plasma donors contribute greatly in saving and improving lives, and increase understanding of the many rare diseases and plasma protein therapies that help to treat them.

Plasma-derived therapies and recombinant blood clotting factors, collectively known as plasma protein therapies, are unique, biologic medicines that are either infused or injected to treat a variety of rare, life-threatening, chronic, and genetic diseases including bleeding disorders, immune deficiencies, pulmonary disorders, neurological disorders, shock and trauma, liver cirrhosis, and infectious diseases such as tetanus, hepatitis, and rabies.

Plasma-derived therapies save and improve lives of individuals throughout the world, including in emergency and surgical medicine. Plasma protein therapies have significantly improved the quality of life, markedly improved patient outcomes, and extended the life expectancy of individuals with rare, chronic diseases and conditions.

Healthy, committed donors provide the plasma essential to manufacture these lifesaving therapies; and there are more than 450 plasma collection centers in the U.S. that have demonstrated their commitment to plasma donor and patient safety and quality by earning International Quality Plasma Program (IQPP) certification.

I ask that my colleagues in the House of Representatives join me and rise in commemoration of International Plasma Awareness Week, honoring those committed donors and collection centers who make and collect needed and lifesaving contributions.

HON. JOYCE BEATTY

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

CELEBRATING THE 100TH ANNI-
VERSARY OF THE PASTIME
CLUB**HON. RODNEY P. FRELINGHUYSEN**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor the Pastime Club, located in the Borough of Mendham, Morris County, New Jersey as they celebrate their 100th Anniversary.

The Pastime Club has been an integral part of Mendham's community life since its founding, on June 22, 1915, as a civic and fraternal organization.

The Pastime Club began its modern era after the Great Depression in 1938. At this point the club met monthly and hosted Pinochet and Quoits tournaments along with an annual children's Christmas party. During the Second World War club members restored a building at 3 Hilltop Road, which has been their home for over 75 years now. As a volunteer organization, members devoted their time to the restoration, and raised funds to cover the costs. In 1947 two apartments were built on the second-floor of 3 Hilltop Road. In March of 1953 construction started on "The Lanes," a bowling alley. Keeping with tradition, the bowling alley was built by The Pastime Club members on a volunteer basis. "The Lanes" was finished in October of the same year. Over the next 60 years "The Lanes" was a community asset, hosting birthday parties, and community leagues. Currently "The Lanes" is maintained by the club for the use of their members, along with bowling leagues being open to the public.

Today, the Pastime Club is the single largest supporter of youth athletic programs in the

Mendhams, exemplified by its motto "Progress in Sports". They sponsor teams and leagues, provide equipment for fields, and provide scholarships to local student-athletes. The Pastime Club also supports a semi-professional baseball team that competes in the Morris County Major League. Along with supporting local sports, the Pastime Club hosts the largest community event in Mendham—the Labor Day Carnival. This tradition began in 1943 and has run every year since. Today the carnival includes rides, games, food, fireworks, and a 50/50 raffle. All members take shifts volunteering to ensure the event is the success that it has been. In addition to the Labor Day Carnival, the Pastime Club brings their own circus to town. The Pastime Club also hosts a number of member oriented events including golf outings, and a Christmas party.

For the Pastime Club's 100th Anniversary, I commend its Leadership, Board of Directors and members who have selflessly volunteered their time over the club's history to provide services to the residents of Mendham. It is clear that the Pastime Club has provided services to the community that have improved the lives of everyone living there.

Mr. Speaker, I ask you and my colleagues to join me in congratulating the Pastime Club, its Board of Directors in celebrating its 100th Anniversary.

HONORING THE LATE MS. ALMA
BEATTY OF NEWARK

HON. DONALD M. PAYNE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. PAYNE. Mr. Speaker, I rise today to honor Ms. Alma Beatty, the longtime Vice President of Community Affairs at Newark Beth Israel Medical Center, who passed away earlier this year.

Ms. Beatty was born in Newark, New Jersey, and became one of the city's most beloved citizens through her 45 years of service at "The Beth."

Under Ms. Beatty's leadership, "The Beth" became a model of excellence in protecting the most vulnerable among us.

Thanks to her vision, "The Beth" instituted a number of community service programs that continue to this day, including Thanksgiving Giveaway Programs, the Adopt a Child Christmas Program, the Alma Beatty Health and Wellness Fair, and job readiness workshops.

Ms. Beatty truly was a voice for the voiceless. She dedicated her life to improving the lives of the people of Newark, and for that we are eternally grateful.

Words cannot express how much Ms. Beatty meant to me and my family throughout the years.

I had the pleasure of working with her while she was Vice President of Community Affairs for Newark Beth Israel Medical Center. Together, we were able to secure funds to construct "The Beth's" Geriatric Emergency Department.

Ms. Beatty graciously dedicated her life to building a tremendous legacy here in Essex County; one committed to improving the quality of life for all residents regardless of their financial background.

She was a true role model for all that she did and accomplished for the City of Newark.

Last month, I had the honor of participating in a ceremony to change the name of Newark's Osborne Terrace to "Alma Beatty Way."

It is a fitting recognition of Ms. Beatty's contributions to the City of Newark and Essex County.

To Ms. Beatty's family, I extend my thoughts and prayers.

TRIBUTE TO DAVE CAMP

HON. JOHN R. MOOLENAAR

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. MOOLENAAR. Mr. Speaker, I rise today to pay tribute to The Honorable Dave Camp,

Senior Policy Advisor at PricewaterhouseCoopers, former Member of the U.S. House of Representatives and former Chairman of the House Committee on Ways and Means, upon his induction into this year's Junior Achievement Business Hall of Fame.

Dave Camp was born and raised in Midland, Michigan, where he attended H.H. Dow High School. He went on to receive a Bachelor of Arts from Albion College and a Juris Doctor from the University of San Diego before coming back to his hometown to practice law at the firm of Riecker, George, Hartley, Van Dam and Camp.

It was with a passion for public service that Dave Camp ran and was elected State Representative for Michigan's 102nd District. He served one term in the state legislature before his election to the United States House of Representatives in 1990. During Camp's tenure, from 1991 to 2015, he served his constituents and country honorably. He cut through the red tape of bureaucracy to ensure his constituents received the services they needed and their voices were heard in Washington.

Legislatively, his list of accomplishments is innumerable. Dave Camp was a leading advocate in Congress for breaking down barriers to adoption and advancing efforts to harmonize varying state and national laws to make adoptions safer and more efficient. He introduced landmark adoption legislation, called the Adoption and Safe Families Act, which was signed into law by President Bill Clinton. This law streamlined the adoption process to quickly help move more children in foster care into permanent adoptive homes. He also worked hard to inject accountability into federal safety net programs, playing an integral role in enactment into law of the Personal Responsibility and Work Opportunity Act—legislation that reformed our welfare system and helped move people out of poverty.

His hard work, intellect and leadership led to Camp's appointment as Ranking Member and later Chairman of the House Ways and Means Committee. In this role, Camp introduced policy on a wide range of important issues. To highlight just a few, he ushered into enactment three job creating trade deals that were the most significant expansion of trade relations in nearly two decades. He also introduced the Tax Reform Act of 2014, deemed the most comprehensive tax reform proposal since the mid 1980s.

On behalf of the Fourth Congressional District of Michigan, I am honored today to recognize Dave Camp for his many contributions to our country and the great state of Michigan.

RESTORING VOTING RIGHTS

HON. JOYCE BEATTY

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mrs. BEATTY. Mr. Speaker, I rise today in support of the bipartisan Voting Rights Amendment Act of 2015, H.R. 885, and urge Republican Leadership to bring it to the floor for consideration.

The Voting Rights Act of 1965 was born from the "Bloody Sunday" marches from Selma to Montgomery.

With its enactment over fifty years ago, it protected the ability of every American to make their voice heard at the voting booth.

In 2013, that changed. In the two years since the Supreme Court struck down one of the Voting Rights Act's most important provisions in *Shelby County v. Holder*,—the Justice Department's ability to prevent discriminatory rules—our democracy has been weakened.

Mr. Speaker, every American deserves unfettered access to exercising one of our most basic rights—the right to vote.

It is time for Congress to right the wrong created by the *Shelby* decision and pass H.R. 885, legislation that restores the full power of the Voting Rights Act of 1965.

I urge my colleagues to cosponsor H.R. 885, and I strongly urge Republican Leadership to bring it to the floor for a vote before October 31st.

IN RECOGNITION OF THE 40TH ANNIVERSARY OF THE INFORMATION CENTER

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mrs. DINGELL. Mr. Speaker, I rise today to recognize The Information Center on their 40th anniversary. The accomplishments of this long-standing non-profit agency exemplify the importance and strength of public-private partnerships in our communities.

Founded in 1975 in Taylor, Michigan, The Information Center was created to inform citizens of the over 10,000 resources available to them, including both private sector assistance and public services offered by their local, state, and federal governments. Since becoming the first organization in Michigan to be certified by the national Alliance for Information and Referral Services, the Information Center has become an indispensable tool for connecting people with the human service resources that fit their individual needs. Learning from their experience in our communities, The Information Center has expanded over the years and has initiated programs that address unemployment, health and wellness, housing, transportation, veterans services, financial and legal assistance, disability advocacy and other human services. In addition, The Information Center emphasizes support for our seniors by providing options for home care and caregiver training that respects the dignity and encourages the independence of older Americans.

For 40 years, The Information Center has held itself to the highest standards to ensure that our residents always have somewhere to turn. The most recent report from the Michigan Department of Community Health ranked The Information Center as best in the county and second best in the state for quality assurance in their work with seniors. Their tireless efforts have helped the citizens of Southeast Michigan with comprehensive, community-based programs that help control the cost of care for our elders and provide peace of mind to our families.

Mr. Speaker, I ask my colleagues to join me today in gratitude to honor The Information Center on their 40th anniversary and wish them many more years of success.

RECOGNIZING THE 50TH ANNIVERSARY OF THE NATION'S FIRST COMMUNITY HEALTH CENTER

HON. STEPHEN F. LYNCH

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. LYNCH. Mr. Speaker, I rise today to recognize an outstanding landmark to community health and welfare. This year marks the 50th anniversary of the nation's Community Health Center program. Community Health Centers (CHC) are the family doctor to over 23 million Americans and, as such, are the largest network of primary care providers in the country. The CHC model is distinguished by its comprehensive range of health services, recognizing the particular needs and characteristics of the communities they serve. Community Health Centers are located exclusively in medically underserved areas, providing needed care for communities and populations that do not have adequate access to care. Community involvement in CHCs is guaranteed by the requirement that Federal Qualified Health Centers must have governing boards of directors that have patients of the center holding at least 51% of the board seats.

In the 8th Congressional District of Massachusetts we are particularly proud because the nation's first community health center opened in December 1965 on Columbia Point in Boston's Dorchester neighborhood. Drs. Jack Geiger and Count Gibson of Tufts Medical School founded the Columbia Point Health Center in order to meet the needs of the residents of an isolated public housing project, cut off from the City's health resources. Drs. Geiger and Gibson opened a rural center shortly thereafter in the Delta region of Mississippi. From that start, the community health center program expanded throughout the country. In 1985, Columbia Point Health Center joined with the Neponset Health Center to form Harbor Health Services, Inc. And in 1990, the Columbia Point Health Center moved into a new building and was renamed Geiger Gibson Community Health Center in honor of the founders of the national movement.

Mr. Speaker, there are now over 1,270 community health centers providing services at 9,000 sites across the country. CHCs have become the primary source of medical, dental, behavioral health, substance abuse treatment, social services and other community health services for neighborhoods and rural communities that would otherwise be inadequately served. And CHCs have also provided employment and career opportunities for thousands of local residents.

Mr. Speaker, fifty years ago it all began in Dorchester, Massachusetts. I am proud to rise today to recognize and honor what has become a national model for providing services to our country's underserved areas and urge my colleagues to join me in acknowledging the efforts of our Community Health Centers.

Mr. COFFMAN. Mr. Speaker, on January 20, 2009, the day President Obama took office, the national debt was \$10,626,877,048,913.08.

Today, it is \$18,150,557,110,995.00. We've added \$7,523,680,062,081.92 to our debt in 6 years. This is over \$7.5 trillion in debt our nation, our economy, and our children could have avoided with a balanced budget amendment.

TAIWAN NATIONAL DAY

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. COLLINS of Georgia. Mr. Speaker, I rise today to celebrate our nation's historic relationship with Taiwan on their 104th National Day. These occasions remind us to reflect on our past successes and look forward with renewed commitment to what we may accomplish together in the days and months ahead.

Just last week, the United States House of Representatives expressed in a resounding and unified voice our support of the 2016 National Defense Authorization Act. In this Act, Congress declared its support of Taiwan through numerous policy provisions, including the new "South China Sea Initiative".

It is more important now than ever, for this Administration to declare with a resounding voice that it joins with Congress in recognizing the importance of a vibrant bilateral relationship with Taiwan. We look forward with eager anticipation to Taiwan's exercise of democracy in their upcoming January elections. They are a model of freedom to a region plagued by instability and the heavy hand of government.

The Taiwan Strait is of critical importance to our national and global security and both the United States and Taiwan must continue to prioritize investment in defense capabilities that will secure its peace. I congratulate Taiwan on their 104th National Day and ask for their continued partnership with the United States.

CONGRATULATING MR. CHRIS SMITH

HON. BRAD R. WENSTRUP

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. WENSTRUP. Mr. Speaker, I rise today to congratulate Mr. Chris Smith on his retirement and thank him for his many years of service to Clermont County and Ohio.

Chris Smith has a long and distinguished record of service to Clermont County, and is remembered for his invaluable commitment to the local economic development throughout his career.

With decades of business experience, including 20 years in the banking industry and

10 years in real estate, Chris' contributions in his many capacities of public service has been invaluable. Chris Smith served his community in numerous ways, including as the Director of the Clermont County Convention and Visitors Bureau, the Economic Development Director for Clermont County, and as an economic development staff member for Ohio Governor Bob Taft.

Due in part to his leadership, Clermont County has become a thriving hub of economic activity. The residential and economic growth of Clermont County is a testament to this hard work and success.

Also commendable is the positive and solutions-oriented attitude with which Chris has served. He has worked tirelessly to improve Clermont County over the years, always devoted to the big picture and listening to the people he serves, never asking or expecting anything in return.

Southwest Ohio is fortunate to have a local leader as committed to service and progress as Chris Smith is. Again, I congratulate Chris on his retirement, thank him for his public service, and wish him the best in his future endeavors.

IN HONOR OF FREDERICK
DOUGLASS

HON. ELIJAH E. CUMMINGS

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. CUMMINGS. Mr. Speaker, I rise today to honor Frederick Douglass, a Maryland native who made tremendous contributions to

our country. This year marks the 170th anniversary of his first autobiography, *Narrative of the Life of Frederick Douglass, An American Slave, Written by Himself* which gives us a first glimpse of his remarkable life.

Born into chattel slavery on February 14, 1818 on the Wye Plantation near Tuckahoe, Maryland, Frederick Augustus Washington Bailey became internationally known as Frederick Douglass, a champion in his own time for eliminating slavery and an impassioned voice demanding freedom for all.

In 1838, he married Anna Murray, a free born black woman who provided him with money to escape slavery. Together they settled in New Bedford, Massachusetts and raised four children.

After escaping slavery, Mr. Douglass began to work for the abolition of slavery in the United States. In 1845, Mr. Douglass wrote and published the *Narrative of the Life of Frederick Douglass, An American Slave, Written by Himself*. It is the first of a trilogy of autobiographical writings. The second, entitled *My Bondage and My Freedom*, was published in 1855, and the final work, titled *The Life and Times of Frederick Douglass*, was published in 1881.

The first autobiography, like its successors, described the system of chattel slavery and Mr. Douglass' rejection of its premise that he, like other slaves, was not a human being. Stunningly direct in its portrayal of friends and foes, the autobiographies present the conflicts between freedom and slavery. This book recounts the honors of slavery, his courageous efforts to educate himself, and his harrowing but successful escape.

In 1847, Mr. Douglass published the *North Star*, a weekly abolitionist newspaper. It was the first of 4 newspapers he owned and wrote for as a journalist.

A strong supporter of women's rights, in 1848, Mr. Douglass attended the critical Seneca Falls Convention in Seneca Falls, New York for women's suffrage and supported women's right to vote.

In 1852, Mr. Douglass gave what is regarded as the greatest abolitionist speech, "What to the Slave Is the Fourth of July?" in Rochester, NY.

In 1863, during the middle of the Civil War, Mr. Douglass met with President Lincoln and successfully persuaded him to allow black men to fight for the Union. This led to the formation of the 54th Massachusetts Regiment, the first all-black combat regiment.

In addition to his writings, Mr. Douglass served his country in a number of government positions. In 1871, he was appointed by President Grant as Assistant Secretary to the Santo Domingo Commission. In 1876, he was appointed by President Hayes as United States Marshal for the District of Columbia. In 1881, he accepted an appointment from President Garfield as Recorder of Deeds for the District of Columbia. And in 1889, he was appointed by President Harrison as Minister and Consul General to Haiti.

In 1894, at the Metropolitan African Methodist Church in Washington, D.C., Mr. Douglass delivered "Lessons of the Hour," a searing critique of lynching.

A year later, at the age of 77, Mr. Douglass died of a heart attack at Cedar Hill, his home in the Anacostia neighborhood of Washington, D.C.

Today, Cedar Hill is a national historic site where visitors from around the world can learn

about the many contributions of Frederick Douglass, an American treasure who dedicated his life to winning freedom for all Americans.

TRIBUTE TO ELAINE MATZNER

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 8, 2015

Mr. CALVERT. Mr. Speaker, I rise today to honor and pay tribute to the incredible life of a dear friend, Elaine Matzner, who passed away on October 3, 2015 at her home in Palm Springs, California, surrounded by family. Elaine was a woman full of life and a pillar of the Palm Springs community; she will be deeply missed.

Elaine was born on October 6, 1933 in southern New Jersey to the owners of a fruit farm. Desiring a different life from her parents, she left the farm choosing to further her education by attending Drexel University. It was there that she met her husband Eric. After the couple married, settled down and had spent a few years raising a young family in New Jersey, Elaine and Eric decided to move their family to Southern California. They moved to Hacienda Heights and then later to Palm Springs.

She was a woman of many passions, including business, travel, and family. Elaine opened the clothing store La Mariposa in Palm Springs with her daughter Lisa and daughter-in-law Diane. After years raising a family she wanted to find a new outlet and Elaine enjoyed being a small business owner and entre-

preneur. La Mariposa imported luxury goods and clothing from all over South and Central America. The store became a fixture to the residents and tourists of the Palm Springs area.

Elaine pursued her passion of culture and travel by indulging in numerous family trips over the years that included seven African safaris, 49 states and over 50 countries. She never let age slow her down on any trip. One of her favorite memories was climbing Huayna Picchu, in Peru, the cliff above Machu Picchu in the rain, when she was 65. Elaine took enjoyment from experiencing the new places she visited, their unique histories, and their people.

Elaine's biggest passion throughout her life was her family. She had a deep love of her family and involved them in every aspect of her life. Elaine took enormous pride in watching the growth and achievements of her children, grandchildren, and great-grandchildren over the years.

Elaine is survived by her brother Reed Heritage of Sacramento, California; her four children, Bruce, Lisa, Jill and Evan; her five grandchildren; and three great grandchildren. I extend my heartfelt condolences to the entire Matzner family and friends during this time; although Elaine may be gone—the life, energy, and wit that she brought to the world remains and will never be forgotten.
