She has also volunteered with the Special Olympics and the World Wildlife Fund. She has demonstrated a strong work ethic, which has made her an invaluable asset to our office. The quality of her work is reflected in her great efforts over the last several weeks.

I want to thank Morgan Wallace for the dedication she has shown while working for me and my staff. It was a pleasure to have her as part of our team. I know she will have continued success with all of her future endeavors. I wish her all my best on her next journey.●

#### REMEMBERING GLEN EDWARD MARTIN

● Mr. HELLER. Mr. President, today we honor the life and service of Glen Edward Martin, whose passing signifies a great loss to Nevada. I send my condolences and prayers to his wife and all of Mr. Martin's family in this difficult time. Mr. Martin was a man truly committed to his family, country, State, and community. He will be sorely missed.

Mr. Martin was born in May 1918 in Council Bluffs, IA, where he remained until after graduation from Abraham Lincoln High School in 1937. He later received his bachelor's degree in economics from Colorado College in 1941 and a master's degree in public administration from the University of Southern California in 1984. Throughout his lifetime, Mr. Martin had four careers, all working in support of his country and local community.

Mr. Martin first served as a U.S. Marine Corps officer from 1938 to 1968. During this time, he served in World War II, the Korean war, and the Vietnam war, receiving numerous Silver and Bronze Stars for his efforts. He was also decorated with a Navy Cross in 1944 at the Battle of Eniwetok. His bravery and service to our country are invaluable. After retiring from the military, Mr. Martin turned his attention to serving the people of Nevada by working as a Nevada State employee. In 1968, Mr. Martin accepted his first role working for the State in comprehensive health planning and later focused on the extension service in civil defense. I am grateful that Mr. Martin dedicated more than a decade of service toward bettering the State of Nevada.

In his final career, beginning in 1983, Mr. Martin served Nevada's seniors, working as an advocate, teacher, and trainer for exercise and resistance training. In 2002, he received the Governor's Point of Lights Award for his unwavering dedication to seniors in Nevada who he helped keep strong and healthy. He also led a 40-participant resistance exercise class 3 days a week at the Carson City Senior Center to help

those in need. Mr. Martin was a true role model, demonstrating genuine care for those around him.

No words can adequately thank Mr. Martin, who served not for recognition but because it was the right thing to do for both his country and community. As a member of the Senate Veterans' Affairs Committee, I recognize Congress has a responsibility not only to honor the brave individuals protecting our freedoms, but to ensure they are cared for when they return home. I remain committed to upholding this promise for our veterans and servicemembers in Nevada and throughout the Nation. Mr. Martin's service to his country and dedication to his family and community earned him a place among the outstanding men and women who have valiantly defended our Nation.

I am honored to commend all of Mr. Martin's hard work. His patriotism and drive will never be forgotten. Today I join the Carson City community and citizens of the Silver State to celebrate the life of an upstanding Nevadan, Mr. Glen Edward Martin.●

#### BICENTENNIAL OF WELD, MAINE

● Mr. KING. Mr. President, today I wish to commemorate the 200th anniversary of Weld, ME, a small town set along Webb Lake in Franklin County. The town, with 419 inhabitants, has a long and proud history dating back to the 19th century, and I am pleased to join the people of Weld in celebrating their bicentennial and recognizing the town's cherished place in the State of Maine. The yearlong bicentennial celebration will kick off with an event on Saturday, February 6, at the newly renovated townhall.

First settled in 1800, Weld was incorporated in 1816 and named for its proprietor Benjamin Weld, of the well-known Boston family. Incidentally, the year of Weld's incorporation also marked the notorious Year Without A Summer in New England, with 6 inches of snow blanketing the land in June. Widespread crop failures and other hardships pushed many westward, but the town of Weld prevailed, establishing itself as the small but strong community it remains today.

Nestled in a valley created by Mount Blue and the Tumbledown Mountains, Weld has long been noted for its striking natural beauty. The area is rich with wildlife and home to many fish species, loons, moose, and even the occasional bald eagle. At the core of Weld's identity is Webb Lake, where many go to enjoy Maine's beloved outdoor traditions.

The historic Kawanee Inn, a rustic log inn that dates back to the 1920's, has gained wide recognition for staying true to its origins and character. Along with Mount Blue State Park, Camp Kawanee for Boys, and family cottages with deep historical roots, the inn attracts many visitors to Weld. In the summer months, the town's popu-

lation swells to the thousands as people from Maine and all around the country flock to Weld to enjoy fishing, boating, hiking, and a respite from fast-paced lifestyles.

When the temperatures drop and campers and summer residents pack up to leave, there remains a close-knit and engaged year-round population. The Congregational Church, Masonic Lodge, and the Weld Historical Society are bolstered by active community involvement. Additionally, the Webb Lake Association is a nonprofit organization that spearheads conservation efforts and raises awareness about water pollutants in the lake. The Webb Lake Association is but one example of the townspeople's commitment to preserving the area's unsurpassed beauty.

I commend all that the people of Weld have done to make their town such a special place to live and experience nature. Their shared love for their hometown has made them one of Maine's most cohesive and dedicated communities. This has been especially illustrated by the members of the Weld Bicentennial Committee, whose efforts have made this special celebration possible, and I am proud to recognize this milestone.●
