TEXT OF AMENDMENTS

SA 3280. Ms. CANTWELL submitted an amendment intended to be proposed to amendment SA 3077 submitted by Mr. ROBERTS (for himself and Mr. BOOZMAN) and intended to be proposed to the amendment SA 2953 proposed by Ms. MURKOWSKI to the bill S. 2012, to provide for the modernization of the energy policy of the United States, and for other purposes; which was ordered to lie on the table; as follows:

In lieu of the matter proposed to be stricken, insert the following:

SEC. 4501. STUDY ON ENERGY MARKET REGULATORY COORDINATION AND INFORMATION COLLECTION.

(a) **STUDY.**—The Energy Information Administration, in consultation with the Com-

modity Futures Trading Commission, the Department of Energy, the Federal Trade Commission, and the Federal Energy Regulatory Commission, shall conduct a study—

(1) to identify the factors that affect the pricing of crude oil, refined petroleum products, natural gas, and electricity; and

(2) to review and assess—

(A) existing statutory authorities and regulatory coordination relating to the oversight and regulation of markets critical to the energy security of the United States; and

(B) the need for additional information collection for and statutory authority within the Federal Government to effectively oversee and regulate physical markets critical to the energy security of the United States.

(b) **ELEMENTS OF STUDY.**—The study shall include—

(1) an examination of price formation of crude oil, refined petroleum products, natural gas, and electricity in physical markets;

(2) an examination of relevant international regulatory regimes;

(3) an examination of changes in energy market transparency, liquidity, and structure and the impact of those changes on price formation in physical markets;

(4) an examination of the effect of increased financial investment in energy commodities on energy prices and the energy security of the United States; and

(5) an examination of the owners of the 50 largest volumes of oil and natural gas, as well as storage and transportation capacity for each.

(c) **REPORT AND RECOMMENDATIONS.**—The Energy Information Administration shall issue a final report not later than 1 year after the date of enactment of this Act that—

(1) describes the results of the study; and

(2) provides options for appropriate additional Federal regulatory coordination of oversight and regulatory actions to ensure transparency of energy product pricing and the elimination of excessive speculation, including recommendations on data collection and analysis to be carried out by the Energy Information Administration.

(d) **CONSULTATION.**—In conducting the study, the Energy Information Administration shall consult, as appropriate, with representatives of the various exchanges, clearinghouses, self-regulatory bodies, other major market participants, consumers, and the general public.
