I applaud President David Flatt and his team for his strong leadership in one of the most important organizations for children in the State of Nevada. I am pleased that, through yours and other's selfless efforts, incalculable numbers of students, teachers, and parents have been positively affected by the Nevada PTA. VOTE EXPLANATION

Mr. WARNER. Mr. President, due to a prior commitment, I regret I was not present to vote on the nomination of Dr. John B. King to be Secretary of the Department of Education. Had I been present, I would have voted in support of his confirmation. I look forward to working closely with him as the Department of Education continues implementing the Every Student Succeeds Act in the Commonwealth of Virginia.

ADDITIONAL STATEMENTS

CASEY FAMILY PROGRAMS

• Mr. BENNET. Mr. President, today I congratulate Casey Family Programs for 50 years of public service to help vulnerable children and families in the child welfare system. Founded in 1966 by Jim Casey, the founder of United Parcel Service, UPS, this private operating foundation has been working quietly and effectively on behalf of our most vulnerable children and families.

At the beginning, Casey Family Programs started with a specific focus on providing quality foster care. After gaining considerable experience in providing direct services, Casey Family Programs recognized that it could help more families and children by working to support long-lasting improvements across entire child welfare systems. Today the foundation provides strategic consultation, technical assistance, data analysis, and independent research and evaluation at no cost to all 50 states. It also serves county and tribal child welfare jurisdictions across the Nation, including my State of Colorado.

Casey Family Programs seeks a unique partnership with the States by asking what jurisdictions hope to achieve as it relates to the foundation's mission.

In my State of Colorado, this means helping State leaders implement Colorado's Federal waiver program. It means developing initiatives to reduce reliance on congregate care, if other options may be more appropriate for the child and family. It means working with our Denver courts with a judicial engagement team to enhance collabora-

tion among the courts, agencies, and families. Casey Family Programs also has a specific team based in Denver dedicated to Indian Child Welfare.

At the Federal level, Casey Family Programs offers its experience, research, and data to help policymakers understand and address the complicated issues of child welfare and foster care. Over the years I have been proud to work with Casey Family Programs, and I appreciate their dedication and commitment to the original vision of their founder, Jim Casey.

I believe we all share this vision of helping children find a safe and stable home, but achieving it is more challenging than it seems. I congratulate Casey Family Programs on 50 years of public service, and I look forward to continue working with the foundation in Colorado and in Congress for years to come.●
