

But as a testimony to the church's importance in the community and to the perseverance of the spirit of Louisiana, Wesley United Methodist was rebuilt in its current location.

Today, the Wesley United Methodist Church continues a proud tradition of service, fellowship, and ministry—as a church at the heart of the city, with the city at heart.

IN HONOR OF THE RECIPIENTS OF LOUDOUN COUNTY'S SHERIFF'S OFFICE MERITORIOUS SERVICE AWARD

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Mrs. COMSTOCK. Mr. Speaker, I would like to recognize the achievements of some of the 10th Congressional District's bravest constituents. The Loudoun County Sheriff's Office held their 2015 Awards and Recognition Ceremony on Friday, February 19th to recognize the daily services and sacrifices provided by our local law enforcement. Selected from America's finest, and nominated by their peers, the following award serves as a testament to each officer's unwavering courage and dedication to protecting our community. The following individuals deserve the thanks and appreciation of not only the communities which they serve, but also that of their elected officials.

The Meritorious Service Award recognizes exceptional performance by a member within the scope of normal responsibilities. The following individuals deserve special recognition: Detective Nicholas Altom, Investigator Julian Berger III, Deputy Joseph Hacay and Deputy First Class Daniel Martynowicz. Mr. Speaker, in closing, I ask my colleagues to join me in thanking these exceptional members of the Loudoun County Sheriff's Office for protecting and serving our community day-in and day-out.

RECOGNIZING THE 125TH ANNIVERSARY OF HECLA MINING COMPANY

HON. RAÚL R. LABRADOR

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Mr. LABRADOR. Mr. Speaker, I rise today to recognize the 125th anniversary of Hecla Mining Company. Formed in 1891 for the purpose of acquiring and trading mining claims in north Idaho's Silver Valley mining district, Hecla is the last of this district's pioneer mining companies and is now the largest primary silver producer in the United States.

Over the past 125 years, Hecla has weathered numerous storms including the Panic of 1893, the Great Depression, and two world wars. Minerals produced by Hecla, such as zinc and lead, have played key roles in our national defense while silver is a key ingredient for solar voltaic cells and modern electronic and medical devices. These resources provide the raw materials needed for economic growth across a myriad of sectors.

Today, Hecla is a vital part of Idaho's economy and communities. Hecla employs 1,300

individuals and has provided over \$1.5 million to support education, youth activities, community health and infrastructure through its charitable foundation in recent years. Additionally, Hecla employees serve on local school boards, as EMTs, elected officials, and firemen.

I recently visited Hecla's Lucky Friday mine in Mullan, Idaho, and saw firsthand the state-of-the-art mining practices that are used to extract silver from deep in the earth. Hecla is currently taking the Lucky Friday mine to 10,000 feet below the surface to open up more than 20 years of additional resources. Hecla has maintained an uncompromising commitment to better mining and worker safety and plays an important role in meeting the nation's mineral demands. I ask my colleagues to join me in celebrating this great milestone for Hecla Mining Company.

TRIBUTE TO HANNAH D. LARSON

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Hannah Larson of Minden, Iowa, for being awarded the Good Citizen Award by the Council Bluffs Chapter of the National Society Daughters of the American Revolution (NSDAR). Hannah is a senior at TriCenter High School in Neola, Iowa.

Hannah exhibited all of the talents and skills needed to qualify for this award. They include dependability, service to others, leadership, and patriotism. Judges took into consideration several areas in grading her application including high school achievement, home and community activities, future plans, extra-curricular activities, and good citizenship. A second requirement was to write an essay on Our American Heritage and Our Responsibility for Preserving It. The essay was to focus on American rights and freedoms and the rights she would select to celebrate. Hannah was chosen to advance and represent the Council Bluffs Chapter of the National Society of the Daughters of the American Revolution (DAR) in the southwest Iowa district competition.

Mr. Speaker, I applaud and congratulate Hannah for earning this award. She is a shining example of the future of our youth. I ask that my colleagues in the U.S. House of Representatives join me in congratulating Hannah for her interest in preserving our rights and freedoms. I wish her continued success in all her future endeavors.

CONGRATULATING COLTON KEY ON RECEIVING THE BOY SCOUTS OF AMERICA'S EAGLE SCOUT RANK

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Mr. LONG. Mr. Speaker, I rise today to congratulate Colton Key, of Willard, Missouri, on his recent achievement of the Boy Scouts of America's (BSA) top rank of Eagle Scout.

The rank of Eagle Scout is the highest rank attainable in the Boy Scouts of America. It is the culmination of many years of hard work and dedication, requiring countless hours of service, training and learning. An extremely exclusive honor, less than two percent of the 112 million scouts since the BSA's founding in 1910 have achieved the Eagle Scout distinction.

Becoming an Eagle Scout requires a significant amount of determination and self-discipline, traits which will no doubt serve to make Colton a better employee, family member, and American throughout his life. To achieve the rank, he demonstrated active teamwork in his troop, underwent numerous wilderness training tests, dedicated time to his community, and has adhered to the BSA oath's reverence for character, citizenship, and personal wellness.

Mr. Speaker, by attaining the rank of Eagle Scout, Colton has set himself on the path to achieve future success, and I'm proud to count him among my constituents. His dedication in completing the required benchmarks and community service requirements to reach the Eagle Scout rank is indicative of his ability to accomplish whatever goals he sets his mind to. I wish Colton luck with all his future endeavors, and urge my colleagues to join me in congratulating him on this momentous achievement.

GIRLS OF STEEL

HON. MICHAEL F. DOYLE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Mr. MICHAEL F. DOYLE of Pennsylvania. Mr. Speaker, I rise today to commend the Girls of Steel robotics team on winning the Engineering Inspiration award at the 2016 Queen City Regional FIRST Robotics Competition in Cincinnati, Ohio. This is the most prestigious award at FIRST, and it honors the team that does the most to increase appreciation for engineering in its community and embodies the purpose and goals of FIRST.

The Girls of Steel also won the Entrepreneurship Award at the 2016 Greater Pittsburgh FIRST Robotics Competition in California, PA. This award recognizes the team that developed the best business plan to identify, manage, and accomplish its objectives.

I think that winning these awards speaks volumes to the dedication with which these young women are pursuing "STEM" careers, along with the hundreds of hours they have spent conducting outreach in their community.

FIRST, which stands for "For Inspiration and Recognition of Science and Technology," is an organization dedicated to engaging our students in STEM fields. Hundreds of thousands of students gain practical, team-based engineering experience through FIRST every year. The FIRST Robotics Competition allows these students to apply creativity and critical thinking in the demanding and competitive field of robotics, all while instilling a strong sense of pride in participants.

As a founder and co-chair of the Congressional Robotics Caucus, I believe competitions like these are incredible tools for helping the next generation to explore potential careers in STEM. I've witnessed firsthand the incredible
