

Whereas, the reduction of the federal government's prosecution of the criminal element places the citizens of the United States in harm's way, leaving the burden on local governments to bear the costs associated with the apprehension, prosecution and incarceration of this criminal element; and

Whereas, elected sheriffs have a statutory duty to protect and secure the freedoms and liberties of United States citizens and must do so with or without the help of their federal law enforcement partners and policymakers; and

Whereas, working with limited budgets and staffing, sheriffs along the southwestern border of the United States and sheriffs across the nation struggle to find ways to enhance the quality of life and safety of those they serve and to deter those who cross our borders to promote their criminal activities; and

Whereas, local governments are cognizant of the need to bring relief to United States citizens who are impacted by the lack of border security; and

Whereas, without aggressive prosecution of all of those who breach the border and commit criminal acts, the border will continue to serve as an open opportunity for the criminal element to exploit by entering the United States to prey on this country and its citizens.

Wherefore, your memorialist, the Senate of the State of Arizona, the House of Representatives concurring, prays:

1. That the United States Congress direct the appropriate federal agencies to do the following:

(a) Fully secure all of the borders of the United States.

(b) Fully reimburse sheriffs for the costs associated with the housing of illegal aliens who are being charged with state crimes.

(c) Return to the original guidelines as set forth in Operation Streamline for the prosecution of persons crossing the United States border illegally.

2. That the Secretary of State of the State of Arizona transmit copies of this Memorial to the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate and each Member of Congress from the State of Arizona.

POM-190. A concurrent memorial adopted by the Legislature of the State of Arizona urging the United States Congress to direct the American Legion to expand its membership eligibility to include all honorably discharged military veterans; to the Committee on the Judiciary.

HOUSE CONCURRENT MEMORIAL 2009

Whereas, according to the American Legion, the organization was chartered and incorporated by Congress in 1919 as a patriotic veterans organization devoted to mutual helpfulness. As the nation's largest wartime veterans service organization, the American Legion is committed to mentoring youth and sponsoring wholesome programs in our communities, advocating patriotism and honor, promoting strong national security and providing support to fellow servicemembers and veterans; and

Whereas, the American Legion limits membership eligibility to those who have served federal active duty in the United States Armed Forces during the World War I era, World War II era, Korean War era, Vietnam War era, Lebanon/Grenada era, Panama era or Persian Gulf War era and who have been honorably discharged or are still serving; and

Whereas, all honorably discharged military veterans deserve the opportunity to participate in the American Legion.

Wherefore your memorialist, the House of Representatives of the State of Arizona, the Senate concurring, prays:

1. That the United States Congress direct the American Legion to expand its membership eligibility to include all honorably discharged military veterans.

2. That the Secretary of State of the State of Arizona transmit copies of this Memorial to the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate and each Member of Congress from the State of Arizona.

POM-191. A concurrent memorial adopted by the Legislature of the State of Arizona urging the United States Congress to adopt legislation similar to the Toxic Exposure Research Act of 2015; to the Committee on Veterans' Affairs.

HOUSE CONCURRENT MEMORIAL 2006

To the Congress of the United States of America:

Your memorialist respectfully represents:

Whereas, thousands of veterans have been exposed to Agent Orange and other chemical agents during the course of their service to the United States; and

Whereas, today, many of the children and grandchildren of veterans are suffering serious health issues that are related to the veterans' exposure to chemical agents; and

Whereas, the people of the United States owe it to their veterans to better understand the impacts of these exposures in order to guarantee that the children and grandchildren of veterans receive appropriate treatment; and

Whereas, the full effects of exposure to dangerous chemicals such as Agent Orange is still unknown, and a national research center is needed to further study the impact these exposures have on veterans, their children and their grandchildren; and

Whereas, the Toxic Exposure Research Act of 2015 is a critical step in protecting the veterans of the United States.

Wherefore your memorialist, the House of Representatives of the State of Arizona, the Senate concurring, prays:

1. That the United States Congress adopt legislation similar to H.R. 1769 and S. 901, that would establish in the United States Department of Veterans Affairs a national center for research on the diagnosis and treatment of health conditions of the descendants of veterans exposed to toxic substances during service in the armed forces of the United States that are related to that exposure.

2. That the Secretary of State of the State of Arizona transmit a copy of this Memorial to the President of the United States Senate, the Speaker of the United States House of Representatives and each Member of Congress from the State of Arizona.
