PRESIDENTIAL ALLOWANCE MODERNIZATION ACT OF 2016—VETO MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 114-155)

The SPEAKER pro tempore laid before the House the following veto message from the President of the United States:

To the House of Representatives:

I am returning herewith without my approval H.R. 1777, the “Presidential Allowance Modernization Act of 2016,” which would amend the Former Presidents Act of 1958.

I agree with H.R. 1777’s goal of reforming the pensions and allowances provided to former Presidents so as to reduce unnecessary costs to taxpayers. But if implemented as drafted, the bill would have unintended consequences. It would impose onerous and unreasonable burdens on the offices of former Presidents, including by requiring the General Services Administration to immediately terminate salaries and benefits of office employees and to remove furnishings and equipment from offices. It would withdraw the General

Services Administration’s ability to administer leases and negatively impact operations, with unanticipated implications for the protection and security of former Presidents.

My Administration will work with the authors of the bill and other leaders in the Congress, in consultation with the offices of former Presidents, to explore the best ways to achieve these goals going forward. If the Congress returns the bill having appropriately addressed these concerns, I will sign it. For now, I must veto the bill.

BARACK OBAMA.

THE WHITE HOUSE, July 22, 2016.

The SPEAKER pro tempore. The objections of the President will be spread at large upon the Journal, and the veto message and the bill will be printed as a House document.

Without objection, further consideration of the veto message and the bill, H.R. 1777, is postponed until the legislative day of September 23, 2016.

There was no objection.
