Over the next decade as the student body increased, so did the necessity for larger quarters. In 1893, the cornerstone was laid for a new Motherhouse convent and school in Caldwell. In 1903, with the increased demand in time devoted toward the education of New Jersey’s youth, the sisters decided to renounce their cloistered lifestyle and become Third Order Dominicans.

By the late 1920s history repeated itself as the school saw a greater influx of new students. This influx led to renewed efforts to expand. Under Mother Joseph Dunn, the institute constructed a new property that came to encompass both the school itself as well as the residences for those boarding. More improvements and renovations were made under Sister Germaine in the 1950s to add additional classrooms, offices, and a larger library.

Recently, the academy has continued to improve upon the renovations that took place during the twentieth century by continuing to add more physical alterations and expansions to the campus. Among these expansions has been the construction of a new 19,000 square foot athletic facility to accommodate the growth in participation within women’s athletics. Furthermore, under the guidance of Sister Francis Sullivan, the school transformed its former gymnasium into the Doris M. Byrne Performing Arts Center which offers Broadway quality experiences for both performers and patrons. These improvements do not only serve to improve the experiences of students attending the Academy, but are also available to benefit the greater West Essex community as well.

Mount Saint Dominic Academy remains today one of New Jersey’s foremost educational institutions. Mr. Speaker, I ask that you and our colleagues join me in congratulating Mount Saint Dominic Academy on its 125th Anniversary.

Wednesday, October 25, 2017

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor Mount Saint Dominic Academy of Caldwell, New Jersey on the occasion of its 125th Anniversary.

Mount Saint Dominic Academy serves the surrounding community as an all-girls Catholic College Preparatory School dedicated to the education of young women from a variety of ethnic, religious, and economic backgrounds. The institution’s goal of inclusivity aims to both inspire and empower students to realize their unique gifts and talents in an academic atmosphere fostering excellence, respect, and diversity while at the same time reinforcing the Christian-centered value of moral integrity.

The history of Mount Saint Dominic Academy began in 1892 with the Academy’s founding by the Sisters of Saint Dominic. Although the Caldwell Dominican congregation was initially based in Jersey City, New Jersey, the municipality was ravaged by tuberculosis throughout the 1880s. With the threat of contracting the disease an everyday concern, Mother Mary Catharine Muth sought out a location for her ill sisters to recover. This refuge was found twenty miles west of Jersey City in the Borough of Caldwell. It was here where Mother Catharine purchased the Harrison Estate on Roseland Avenue, a plot of land comprising a small home and garden where Mother Catharine taught day students and boarders, all the while, looking after her ill Sis-

patriotic American, Van Michael, passed away at the age of 82.

Van was a longtime friend and supporter of both me and my late father. He was a lawyer, successful businessman, and served as City Judge for Sweetwater, Tennessee.

He also enjoyed his work in Washington as the lobbyist for the National Christmas Tree Growers Association.

Van was the primary developer of a popular Tennessee tourist attraction called the Lost Sea, a cave system of water in an underground cavern in Monroe County. I still remember riding in a boat with my dad at the Grand Opening of the Lost Sea.

He also was a leader in bringing about Cherohala Skyway, one of the Nation’s most beautiful scenic highways.

Van was a very well-informed conservative with strong views on the great issues of the day.

As Sweetwater Mayor Doyle Lowe said, “Sweetwater and the County will miss him. He was a part of the community.”

Van Michael touched thousands of lives in good and positive ways. This Country is better because of Van Michael.

Michael was preceded in death by his parents, W. M. Michael and Claudia Francis Michael, and son Richard Michael. He was a 1952 graduate of Tennessee Military Institute. He went on to receive his bachelor and law degrees from Cumberland University and practiced law in Sweetwater for 57 years at Michael and Michael Attys.

A TRIBUTE TO DAMIAN BELL

HON. DAVID YOUNG
OF IOWA
IN THE HOUSE OF REPRESENTATIVES
Wednesday, October 25, 2017

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Damian Bell of Pleasant Hill, Iowa for being honored with the Carnegie Medal by the Carnegie Hero Fund Commission for the role he played in saving the life of Richard Rauzi.

Richard was snowshoeing and taking photographs on Lake Aqhuabi on February 14, 2016, when he fell through the ice trying to rescue a goose frozen in the slush. Damian, his friend Jesse Bannor, and their sons were ice fishing in a local shack. Damian’s son, Konnor, heard Richard yelling for help, and the two men raced to the rescue. Using a nearby canoe, Damian made his way over to Richard. Unable to pull him aboard, and with the canoe threatening to tip over, Damian secured Richard to the boat with a rope, then stepped onto the ice and attempted to pull Richard from the water before firefighters arrived on scene to help in the efforts.

Even though he had been in the water for 40 minutes on a 15 degree day, Richard survived after two days with extreme hypothermia.

Mr. Speaker, I commend Damian Bell for his courage and heroic actions in helping to save the life of Richard Rauzi. It is humbling to know that there are people like Damian who are willing to risk their own lives to save the life of another. I ask that my colleagues in the United States House of Representatives join me in congratulating Damian on receiving this esteemed designation and in wishing him nothing but the best.

HONORING THE SERVICE AND LIFE OF SGT. FRED CUARESMA YURONG

HON. JIM COSTA
OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Wednesday, October 25, 2017

Mr. COSTA. Mr. Speaker, I rise today to honor the life and accomplishments of U.S. Army Sergeant Fred Cuaresma Yurong. Following the Japanese attacks on Pearl Harbor, Fred answered President Roosevelt’s call to service and joined the 1st Filipino Infantry Regiment. He went on to serve in both New Guinea and the Philippines during WWII. During this time, Fred served with distinction, reaching the rank of Sergeant and displayed a level of commitment to others that would show throughout the rest of his life.

Out of the 250,000 Filipino soldiers who served during World War II, Sergeant Yurong was one of the few to be granted citizenship in a mass naturalization ceremony held in Camp Beale on March 20, 1943.

Upon completion of his service, Sergeant Yurong married his wife in the Philippines before relocating back to California and raising a family of five children. He continued his service to the community through his active involvement in the American Legion and several Filipino organizations in California. His contributions speak to the testament of our country’s servicemen and women selfless commitment to serve our communities.
